

Clackmannanshire Core Paths Plan and Clackmannanshire Outdoor Access Strategy

Notice of the Determination that the proposed Clackmannanshire Core Paths Plan and Clackmannanshire Outdoor Access Strategy will require a Strategic Environmental Assessment.

Environmental Assessment (Scotland) Act 2005

As required under the Environmental Assessment (Scotland) Act 2005, Clackmannanshire Council has reviewed the likely significant environmental effects of the proposed Clackmannanshire Core Paths Plan and the Clackmannanshire Outdoor Access Strategy .

Clackmannanshire Council has made a determination under Section 8(1) of the Environmental Assessment (Scotland) Act 2005 that the Clackmannanshire Core Paths Plan and the Clackmannanshire Outdoor Access Strategy are likely to have significant environmental effects. The Clackmannanshire Core Paths Plan and the Clackmannanshire Outdoor Access Strategy will therefore be subject to a Strategic Environmental Assessment.

A copy of the determination may be inspected free of charge during normal office hours at Kilncraigs, Greenside Street, Alloa, FK10 1EB; and on the Council website at www.clacksweb.org.uk
