
Report to: Clackmannanshire Council

Date of Meeting: 30 January 2024

Subject: Draft Annual Accounts 2023/24

Report by: Chief Finance Officer

1.0 Purpose

- 1.1. The Council is required by law to prepare a statement of accounts in accordance with 'proper practices' which set out its financial position at the end of each financial year. This is defined as meaning compliance with the terms of the Code of Practice on Local Authority Accounting in the United Kingdom prepared by the CIPFA/LASAAC Joint Committee.
- 1.2. The Code specifies the principles and practices of accounting required to give a 'true and fair' view of the financial position and transactions of the Council, including group financial statements where Councils have material interests in subsidiaries, associates or joint ventures. The financial statements aim to identify the key factors affecting the finances of the Council and that affect the physical resources that the Council can control to provide services.
- 1.3. The Local Authority Accounts (Scotland) 1985 Regulations require the Chief Finance Officer, as the Council's s95 officer, to prepare the Statement of Accounts as soon as practicable after the end of each financial year and to submit for Audit to the Councils External Auditor. This is normally by the 30th June, however due to previous year delays as a consequence of the COVID 19 pandemic, this has been extended in agreement with the External Auditors.
- 1.4. Within the Draft Annual Accounts, a Management Commentary is included that presents the collective view of those charged with governance and applies relevant sections of the Companies Act 2006 in respect of the preparation of a Strategic Report. The Management Commentary is signed by the Leader of the Council, Chief Executive and Chief Finance Officer (as s95 officer). The Management Commentary includes information on the financial year just passed along with a forward financial outlook for the Council for 2024/25. Further detail of the Councils financial forecast for 2024/25 will be presented to the Audit and Scrutiny Committee during the year.
- 1.5. The Council's Draft Annual Accounts also include the annual Remuneration Report, and the Annual Governance Statement (AGS) which is signed on behalf of the Council by the Leader of the Council and the Chief Executive. Improvement actions associated with the AGS are incorporated within routine performance reporting using the Pentana system.

2.0 Recommendations

- 2.1 Council is asked to:
 - 2.1.1 note and consider the 2023/24 draft annual accounts;
 - 2.1.2 approve the submission of the draft annual accounts for audit to the Councils external auditors;
 - 2.1.3 note that audited annual accounts will be presented to Council following conclusion of the audit, and
 - 2.1.4 otherwise note the contents of the report.

3.0 Considerations

- 3.1. The accounts have been prepared in accordance with proper practices as set out in the *Code of Practice on Local Authority Accounting in the United Kingdom 2023/24*. The Annual Accounts show the actual figures for 2023/24 and the comparable figures for 2022/23.

Revenue Outturn

- 3.2 The financial results for 2023/24 are positive and provide a platform from which to address the challenging times ahead. Against the background of reducing resources and the current economic climate, the Council has successfully delivered services within budget and achieved a high percentage of its approved savings.
- 3.3 Gross revenue expenditure for the year was £159.045m. This represents the running costs of the Council and indicates the significant size and complexity of the organisation.
- 3.4 The surplus achieved in the year compared to budget was £2.788m. This is a favourable movement of £2.053m on the £0.735m underspend position (excluding Clackmannanshire element of the Clackmannanshire and Stirling Health and Social Care Partnership (HSCP), as reported in the December outturn report presented to Council in May 2024. However, this underspend includes carry-forward earmarked reserves of £3.055m for ring-fenced areas of spend such as PEF, DSM, Housing and other commitments, resulting in a net overspend of £0.267m compared to budget.
- 3.5 The General Fund started the year with a balance of £20.885m. £12.533m was added as a result of the Service Concession arrangement along with the £2.788m underspend and £9.133m was utilised from earmarked general reserves. These movements resulted in an overall net increase in general reserves of £6.188m resulting in a closing general reserve balance at 31 March 2024 of £27.073m.
- 3.6 Of the £27.073m balance at 31 March 2024, £23.253m is earmarked for specific purposes, much of which is for use either by individual services or to meet corporate liabilities. This committed balance can be summarised as follows:

Devolved School Management (DSM)	£0.505m
Pupil Equity Funding (PEF)	£0.560m
Ring-fenced Housing & Community Safety Grants	£1.063m
Organisational Change Fund	£0.198m

Employment Fund	£0.515m
Transformation Fund	£1.428m
Miscellaneous commitments	£1.934m
Developer Contributions	£0.787m
Employability Funding	£0.523m
Ukrainian Refugee Support	£0.599m
Homeless Accommodation	£2.068m
COVID General Funding	£0.289m
COVID Specific Funding	£0.251m
Service Concessions	£12.533m
Total	£23.253m

3.7 The Council's Reserves Strategy stipulates that it should retain uncommitted reserves at a minimum level of 2% of budgeted net expenditure as amended in the 2023/24 budget paper. Based on 2024/25 approved budget this equates to a figure of £3.230m. At the end of 2023/24, uncommitted reserves are £3.820m, therefore, £0.590m greater than this minimum reserve figure. Total uncommitted reserves therefore represent a level of 2.4% of budgeted net expenditure.

3.8 At the end of 2023/24, the Clackmannanshire locality of the Clackmannanshire and Stirling Health and Social Care Partnership (HSCP) reported an overspend of £3.719m. However, the final outturn reflects a nil variance as reserves held by the Partnership have been allocated to offset this overspend.

Housing Revenue Account

3.9 The Housing Revenue Account achieved a surplus within the year of £4.718m against a budgeted surplus of £3.818m, £0.900m greater than budget. This is a movement of £0.722m greater than the forecast figure of £3.996m as at December, reported to Council in May 2024. During the year this surplus has been used to fund capital expenditure along with £6.111m of reserves which mitigated the requirement to borrow. This has resulted in a net decrease in reserves of £7.729m. The outcome of these in year results is that the opening housing reserve balance of £8.715m at the start of the year, has reduced to £1.436m as at 31st March 2024, which equates to 6% of 2024/25 budgeted Housing Rents. The closing reserves also include earmarked reserves of £0.444m of the underspend on Voids that has been carried forward from 2022/23 to be utilised in 2023/24. Excluding this earmarked reserve, the unearmarked reserve of £0.992m represents 4% of Budgeted Housing rents which is the minimum level.

Other Reserves

3.10 The opening balance on the Capital Receipts Reserve was £1.177m. £0.286m was received in the year as a consequence of asset sales and no receipts were utilised. After taking account of these additional receipts in the year the closing balance of capital receipts at 31 March 2024 was £1.463m with no commitments.

3.11 The opening balance on the Capital Grants and Contributions Unapplied account was £2.093m. Grants of £0.351m have been added in the year to be applied to spend in

future years and grants of £0.800m have been utilised in the year. As a result of these movements the closing balance on capital grants unapplied is £1.644m at 31 March 2024.

Pensions Liability/Asset

- 3.12 The estimation of the Council's net liability/ net asset in respect of pensions payable is a complex set of judgements. It requires estimates of the life expectancy of scheme members, assumptions about changes in retirement ages and expected returns on pension fund assets such as stock market investments. The Council engages actuaries to provide expert advice about prevailing assumptions.
- 3.13 As a result of the latest valuation of our Pension accounts in accordance with International Accounting Standard 19 (IAS19), the net asset within the Balance Sheet reduced to £15.3m. This is a reduction of £13.8m from the previous year mainly due to a combination of an increase in the net discount rate and asset returns.

Provisions

- 3.14 There are two provisions as at 31 March 2024. The first reflects the expected costs in relation to Voluntary Severance for staff who have been agreed to be released before the financial year end but their leaving date is after 31 March 2024. The second is the previous long term provision for Municipal Mutual Insurance Limited (MMI) still remains and has been increased by £26k to £91k to reflect the updated estimate of the liability.

Contingent Liabilities

- 3.15 In order to reflect as yet potential uncertain and/ or unquantified timing and liabilities issues, aspects of those matters referenced in respect of Insurance set out in paragraph 3.16 above, are also reflected in the draft annual accounts as a contingent liability. In addition to this, the potential for claims of Historic Sexual Abuse, Equal Pay and the Judicial Review of a number of Social Services cases remain as contingent liabilities. As with all contingent liabilities, the timing and quantification of any liability in relation to these cases is unknown. No Contingent Assets have been identified as at 31 March 2024.

Capital Expenditure and Financing

- 3.16 During 2023/24 the Council spent £28.924m on Capital Expenditure across both General Fund and HRA. Of this, £28.685m was invested in its own assets with £0.239m granted to third parties including Common Good. This reflects an underspend of £19.890m on the approved budgeted programmes for both HRA and General Fund.
- 3.17 Capital expenditure in the year has been financed by: government grants and contributions (£12.580m) and revenue funding (£10.821m). The remaining balance of £5.523m was funded through borrowing.
- 3.18 The Councils gross external debt as at March 2024 stands at £131.713m, a decrease of £1.950m from the position as at March 2023. This was as a result of repayments of £0.510m towards PWLB and Market Loans and £1.440m towards Public Private Partnership (PPP) arrangements and finance leases. Further detail will be provided in the Annual Treasury Report on the agenda for the next Council meeting.

Group Accounts

- 3.19 Group accounts are required to be prepared and included in the financial statements. The council's group accounts consist of; Clackmannanshire and Stirling Integration Joint Board, Central Scotland Valuation Joint Board, and Common Good.

Public Inspection

- 3.20 The draft annual accounts will be made available for public inspection on the Councils website.
- 3.21 Following conclusion of the External Audit, the Council's final audited Annual Accounts will be presented to Council at a future meeting along with the External Auditors Report.

4.0 Conclusion

- 4.1 The results for the year are positive with a surplus being achieved in the year on General Fund which ensures the Councils uncommitted reserves remain in excess of the Council's minimum level. This position is an improvement on that previously forecast at December and reported in May due to a more favourable outturn than anticipated at that time.
- 4.2 Throughout the year, regular updates on progress in implementing the Budget Strategy and performance monitoring has been provided to Elected members through Council and Committee reports and briefings. Despite rising pressures, services worked hard to manage spend within budget to ensure the Council did not overspend its budget during 2023/24. In doing so, the Council consistently applied its agreed budget, finance and investment strategies throughout 2023/24.
- 4.3 In summary, the year end financial position, although favourable, remains challenging in light of the current financial circumstances of rising inflation and the ongoing impact of the cost of living crisis.

5.0 Sustainability Implications

- 5.1 Not applicable

6.0 Resource Implications

6.1 Financial Details

- 6.2 The full financial implications of the recommendations are set out in the report. This includes a reference to full life cycle costs where appropriate. Yes
- 6.3 Finance have been consulted and has agreed the financial implications as set out in the report. Yes

6.4 Staffing

7.0 Exempt Reports

7.1 Is this report exempt? Yes (please detail the reasons for exemption below) No

8.0 Declarations

The recommendations contained within this report support or implement our Corporate Priorities and Council Policies.

(1) Our Priorities

Clackmannanshire will be attractive to businesses & people and ensure fair opportunities for all

Our families; children and young people will have the best possible start in life

Women and girls will be confident and aspirational, and achieve their full potential

Our communities will be resilient and empowered so that they can thrive and flourish

(2) Council Policies

Complies with relevant Council policies.

9.0 Equalities Impact

9.1 Have you undertaken the required equalities impact assessment to ensure that no groups are adversely affected by the recommendations?

Yes No

10.0 Legality

10.1 It has been confirmed that in adopting the recommendations contained in this report, the Council is acting within its legal powers. Yes

11.0 Appendices

11.1 Please list any appendices attached to this report. If there are no appendices, please state "none".

Appendix A - Draft Annual Accounts 2023/24

12.0 Background Papers

12.1 Have you used other documents to compile your report? (All documents must be kept available by the author for public inspection for four years from the date of meeting at which the report is considered)

Yes (please list the documents below) No

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

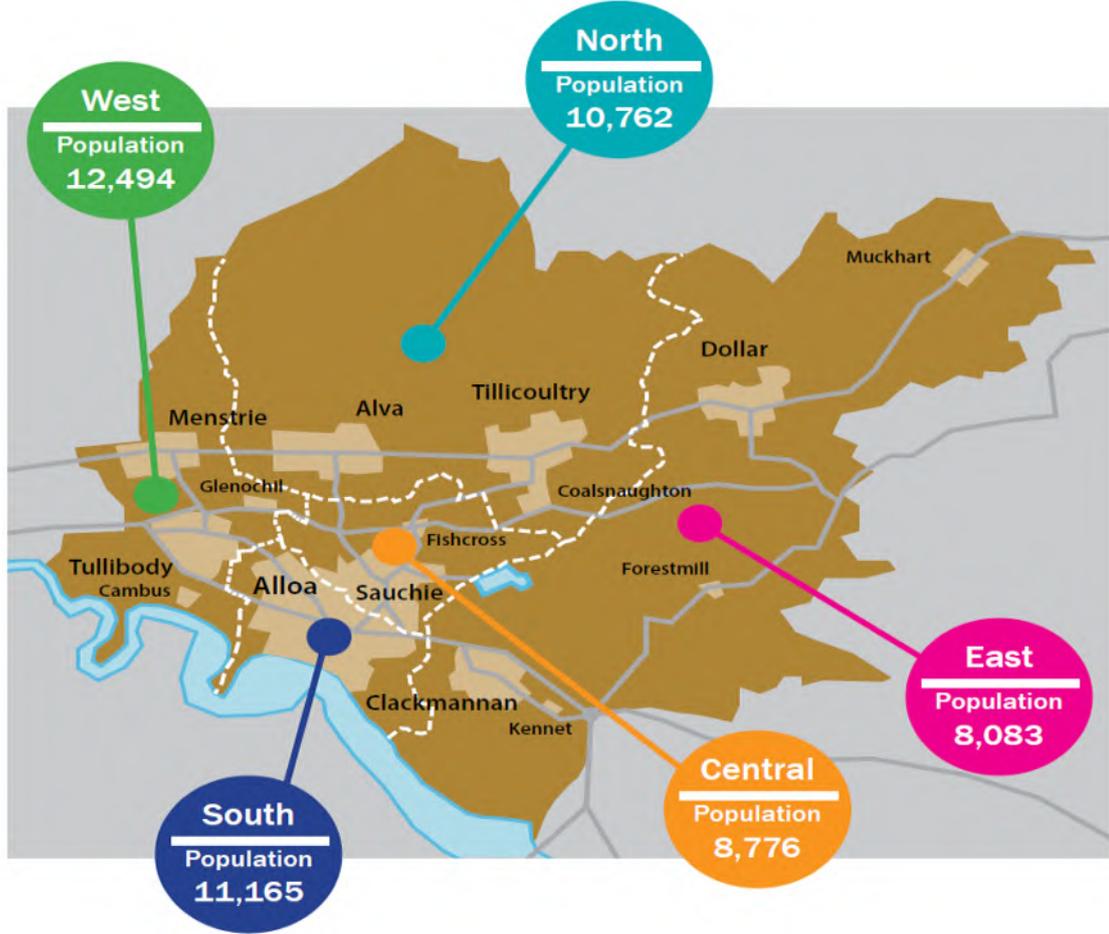

Introduction

This commentary sets the scene and context for the Financial Statements for Clackmannanshire Council, for the year ended 31 March 2024 and provides specific details in relation to the Council's financial position, its priorities and performance and strategies and plans for achieving these objectives. The commentary is compliant with The Local Authority Accounts (Scotland) Regulations 2014. The Management Commentary is required to present the collective view of those charged with governance and apply relevant sections of the Companies Act 2006 in respect of the preparation of a Strategic Report. The Financial Statements have been compiled in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 which sets out the format and content contained within them.

2023/24 has been another significant year as the Council continues to transition to a post-pandemic environment, focusing on recovery and adapting to new challenges. While life has largely returned to business as usual, the rising cost of living has become an increasingly pressing issue for many. The Council has remained steadfast in its commitment to supporting the residents and businesses of Clackmannanshire, continually reviewing and reshaping the services and supports it provides. Further details on how the Council is addressing the cost of living pressures and facilitating recovery through its services can be found on page 29.

Clackmannanshire is located in Scotland's central belt, sharing administrative borders with Stirling, Perth and Kinross and Fife, and with natural boundaries provided by the Ochils and the River Forth. Clackmannanshire is the lowest populated mainland Council in Scotland, covering 61.5 square miles and serving a population of 51,800 (Scottish Government Census 2022). The Council employs 2,726 (headcount) staff (2022/23 2,695).

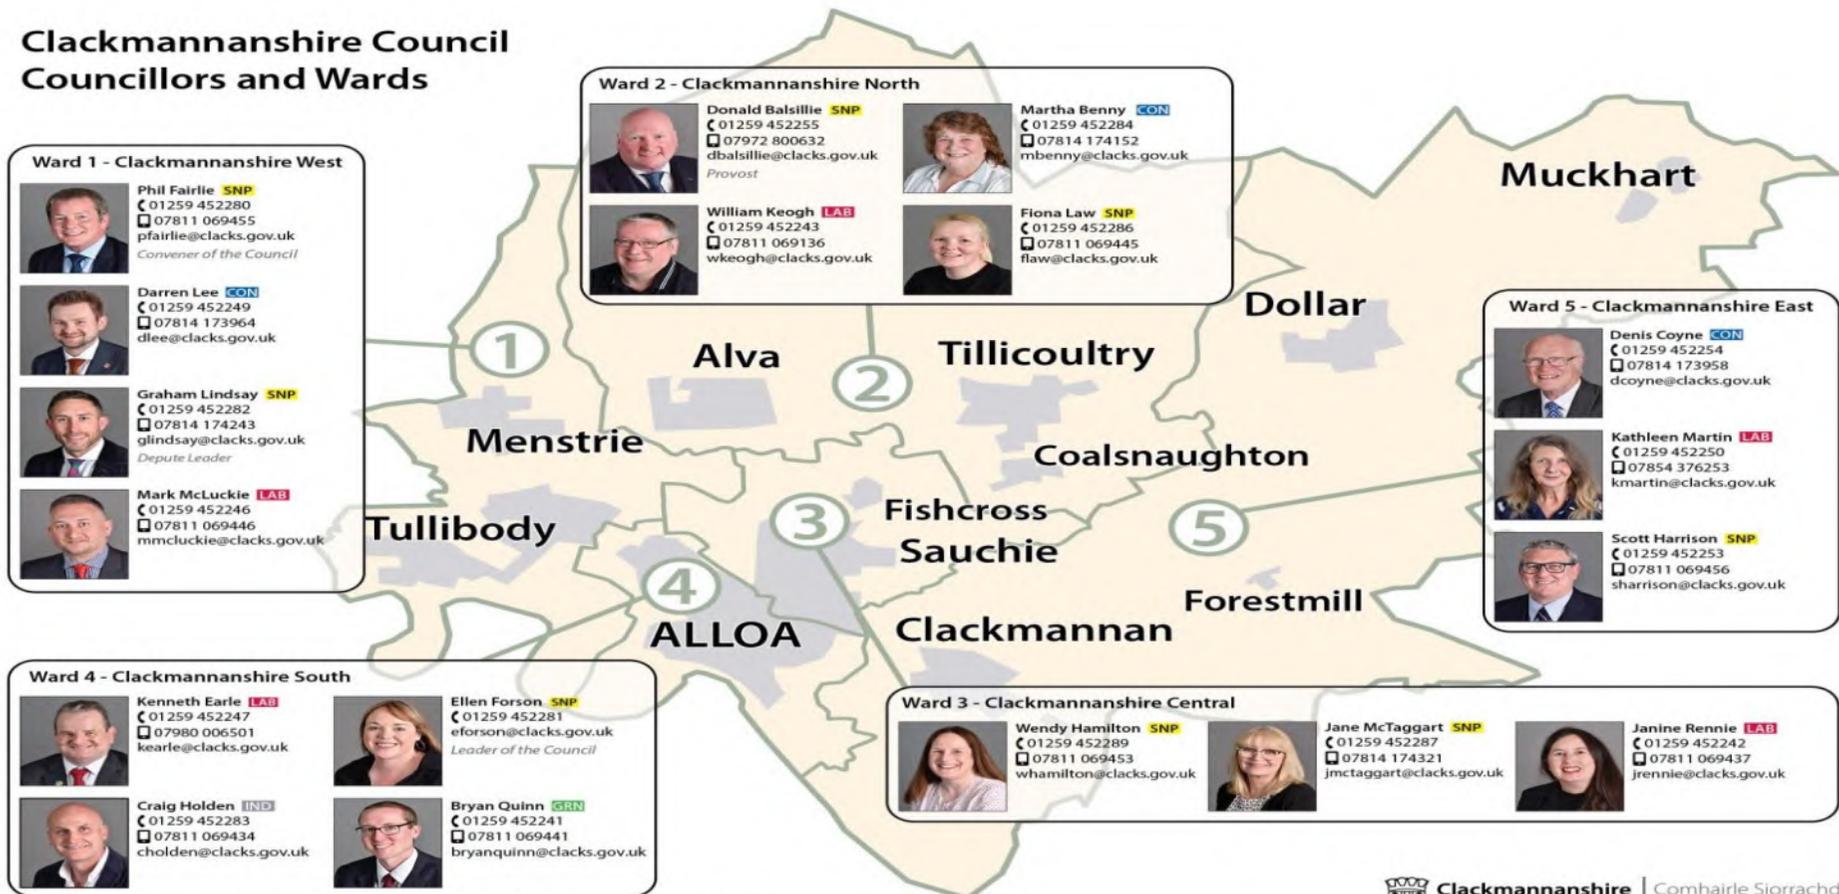

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Local Government

Clackmannanshire Council consists of 5 wards, each represented by 3 or 4 elected members. The Council has 18 Councillors whose current political make-up following the local elections in May 2022 and changes to date are: 8 SNP, 5 Labour, 3 Conservative, 1 Green and 1 Independent. The Councillors for each ward are presented in the diagram below. Further information on Senior Councillors can be found in the Remuneration Report commencing page 52.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Management Structure & Service Areas

The Council's Management Structure and service areas are set out in the diagram below:

Throughout 2022/23, Clackmannanshire Council’s Chief Executive was Nikki Bridle. The Chief Executive is the Head of Paid Service who leads and takes responsibility for the work of the Council and who runs the local authority on a day to day basis. The Chief Executive provides leadership, vision and strategic direction, and effective management of the Council.

During 2023/24 the Chief Executive was supported by three Strategic Directors and the Chief Officer for the Clackmannanshire and Stirling Health & Social Care Partnership.

The Council also has four Statutory officers: Chief Finance Officer (S95 Officer), Monitoring Officer, Chief Education Officer and Chief Social Work Officer.

The post holders at Strategic Management level as well as statutory post holders shown above were in place at the date of signing of these accounts. Further information can be found in the Remuneration Report commencing page 52.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

The **Wellbeing Local Outcomes Improvement Plan (LOIP) 2024-34** sets out the vision of the Community Planning Partnership, the Clackmannanshire Alliance, for the next 10 years and builds on the previous LOIP plan approved in 2017. A central theme of this Plan is a joint commitment across partners to delivering a wellbeing economy which seeks to address the inequalities that exists in Clackmannanshire as a result of poverty and socio-economic disadvantage, and improve outcomes for local communities.

The LOIP, developed by the Clackmannanshire Alliance, sets out the shared ambitions for change for Clackmannanshire over the period to 2034 under 3 key Strategic Outcomes. The plan, agreed at Council in October 2024, was developed with partners following a robust development and engagement process, which included participating in a pilot with Scottish Government on developing a wellbeing economy with Community Wealthbuilding core to that work. Whole systems mapping with the University of Sheffield was also part of this innovative approach to robust data led decision making.

The refreshed Wellbeing LOIP sets out the shared commitment to reducing inequality through effective partnership working to secure better outcomes for Clackmannanshire. In developing the LOIP, the Alliance chose to focus its collective efforts on a core set of priorities based on a sound understanding of local need and circumstances. Each strategic outcome is supported by 3 key priorities, with a set of early activities outlined for immediate focus. The vision, outcomes and priorities contained in the LOIP is set out below:

Our vision:

Working together to reduce inequality and improve the wellbeing of all people in Clackmannanshire

Our Strategic Outcomes

Wellbeing: Working in partnership we will: reduce inequality, tackle the causes and effects of poverty and health inequality and support people of all ages to enjoy healthy and thriving lives

Economy and Skills: Working in partnership we will: help people to access fair work, learning and training; and will work together to build a strong local economy

Places: Working in partnership and with communities we will: create sustainable and thriving places where people have a sense of connection and have control over decisions.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

Our Priority Themes for a Wellbeing Economy

Wellbeing	Economy & Skills	Places
<ul style="list-style-type: none"> • Physical and Mental Health & Wellbeing • Outcomes for Young People • Poverty 	<ul style="list-style-type: none"> • Labour Market & Fair Work • Economic Opportunities 	<ul style="list-style-type: none"> • Sustainable Places • Environmental Sustainability

The LOIP is a key strategic plan for the Council, working alongside our partners, to improve outcomes for Clackmannanshire’s communities. Each partner is committed to the priorities and to reflecting these commitments through their own strategic plans. The Clackmannanshire Alliance has agreed to an early action to review its structures and operating arrangements and is currently participating in a national self-assessment exercise led by the Improvement Service.

More information on our Local Outcome Improvement Plan and Community Planning more generally can be found here: www.clacks.uk.uk/communityplanning

The Corporate Plan

Following a Council decision in June 2023, the Councils Corporate Plan has been replaced by a streamlined performance management framework with greater emphasis on Be the Future programme priorities, the Target Operating Model, business plans and the LOIP. As a result, an annual statement of priorities is published each year which sets the high level strategic priorities for the year. This remains focussed on the long term vision and outcomes of the Council which is shaped on sustainable growth; health and wellbeing and empowering communities. The Councils values remain a key focus, as does implementation of robust performance and risk management approaches.

Be The Future

Over the last three years there has been considerable investment in creating the conditions which allow us to set out ambitious longer term plans to transform the way in which public services are delivered in Clackmannanshire. These ambitions are integrated with the development of our longer term financial planning approach which took a significant step forward in 2021/22 with the establishment of a 20 year capital budget, organised around the Council’s Be the Future Programme priorities. This plan was reviewed as part of the 2024/25 budget process and will be reviewed going forward on an annual basis as part of a rolling 20 year plan.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

'Be the Future' – Corporate Values

Values	Descriptor
Be the customer	Listen to our customers; communicate honestly and with respect and integrity.
Be the Team	Respect each other and work collectively for the common good.
Be the Leader	Make things happen, focusing always on our vision and outcomes, and deliver high standards of people leadership and corporate governance.
Be the Collaborator	Work collaboratively with our partners and communities to deliver our vision and outcomes.
Be the Innovator	Look outwardly, be proactive about improvement and strive always for innovation and inclusive growth.
Be the Future	Work always towards ensuring that we deliver our vision and live our values, so that we become a valued, responsive Council with a reputation for innovation and creativity.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Be the Future Target Operating Model: Corporate Priorities 2024/25

Transformation Activity/Themes

Digital and Data Transformation

- Implement Microsoft 365
- Social Work IT system (SWITS)
- Customer Services Hub
- Housing and Property IT system
- App pipeline projects

Asset Strategy

- Sustainable asset base
- Learning estate review
- Surplus assets
- Income generation proposals
- Carbon reduction and net zero
- Community Asset Transfers
- Partnership/co-location

Sustainable Transport

- Resilient local transport
- Carbon reduction and net zero
- Regional opportunities
- Partnership opportunities
- Consolidate/pooling opportunities

Communication and Engagement Model

- Resilient and future-focus model of internal and external communications
- Clear engagement mechanisms that promote participation and local leadership

Tackling Poverty

- Invest in family wellbeing approaches
- Align funding to tackling poverty
- Invest in what matters and works for communities
- Keep The Promise
- Wellbeing economy lens

Investment Strategy

- Recruit skilled/expert resource
- Develop implementation plan
- Develop revenue investment proposition to complement existing capital investment priorities

Transformation Activity/Themes

Workforce Strategy

- Align Interim Workforce Strategy with Be the Future/TOM programmes of activity
- Focus on future workforce needs-skills, numbers and culture
- Embed consistent leadership skills and approaches including governance and performance management
- Develop skills development pathways
- Redesign business support model, including options for member and committee services
- Map current 'as is' commissioning capacity and capability
- Develop proposed 'to be' commissioning model options underpinned by assessment of capacity and capability requirements

Values Based Leadership/ culture change

- Promote positive customer first culture
- Support innovation in transformation priorities
- Embed Be the Future values
- Design for people's needs
- Empowerment
- Accessible digital and data-led approaches

Collaborative Community Models

- Shift to early intervention and prevention
- Moving resources and staff closer to communities
- Pooling of funding sources and support activities
- Leveraging additional partnership and philanthropic funding
- Creation of new community entity for decision making and funding opportunities
- Co-design of services with communities
- Data mapping and development of targeted outcomes and alignment of reporting

Place Redesign

- Map current design and structure of full range of services cross Place directorate
- Review capacity and skills
- Review deployment of capacity and skills
- Identify potential options for future design

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

Organisational Redesign

In 2019, Council agreed its approach to Organisational Redesign, establishing a framework and a supporting action plan to focus on how we improve and develop our organisation to support sustainable change. The Organisational Redesign Framework provides a clear basis from which Council monitors and evaluates progress and provides the opportunity for the refinement of planned activity based on learning, progress and feedback.

In August 2022, Council agreed to establish a Target Operating Model (TOM) that would provide a consistent foundation and framework within which future organisational change and redesign could be developed and accelerated. The proposed TOM prioritises getting the basics right for the users of our services by placing the needs of residents, communities and businesses at the heart of Council decision-making. It also reflects a mixed economy model of service delivery, underpinned by objective analytical evaluations of the most effective ways of addressing customer needs, delivering outcomes, ensuring resilience in service delivery and securing financial sustainability. The TOM approach reflects the valuable learning gained through the period of the pandemic and will guide the organisation through the next stage of its Transformation journey.

The framework and activity set out above is complementary to, and aligned with the Council's Transformation Programme, Be the Future. This programme, the aims of which are set out on page 13, has provided the framework for shaping Council priorities, investment, and delivery since 2019 and focuses on three key themes:

- Sustainable Inclusive Growth
- Empowering families and Communities
- Health and Wellbeing

These themes are delivered through 10 associated corporate priority areas (Page 9)

In February 2024 Council approved an updated the Governance Framework for the Be the Future Programme with the aim to ensure responsibilities and reporting arrangements remained aligned with priorities agreed by Council. The review resulted in minor amendments being made to the Terms of Reference of both the Be the Future Board, chaired by the Council Leader; and the Strategic Oversight Group, chaired by the Chief Executive. A key emphasis of the changes was to ensure focus was sustained on the scrutiny of progress with agreed Council priorities.

To facilitate this focus for the Be the Future Board, a standardised project reporting template was developed using a "project on a page" approach. The template highlights key activities and milestones achieved in the current period, milestones and outcomes to be achieved in the next reporting period, risks and issues, budget and financial expenditure. There is also a section on transformation alignment.

In addition to ensure the Be the Future programme is achieving its outcomes a Benefits Realisation Plan (BRP) is being developed to track progress. The BRP will identify, define, plan, and monitor the benefits for the Be the Future Programme. It will demonstrate how activities link to outcomes. The BRP aims to incorporate both quantitative and qualitative

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

indicators. The BRP will provide a framework against which actions and interventions can be evaluated in terms of driving improvement in the delivery of agreed priority outcomes.

Aims and Programme Themes

Aims	We will transform our organisation and approaches
<p>to:</p> <ul style="list-style-type: none"> ● empower people and places to improve their wellbeing, skills and prosperity; <p>and</p> <ul style="list-style-type: none"> ● ensure that environmental, social and financial needs of our people and places are met and that future generations thrive. 	
Sustainable Inclusive Growth	<p>We will take steps to tackle poverty and inequality. We aim to maximise the opportunities for local people and businesses through our improved economic performance. We will also establish standards, delivery models and strategies which allow Clackmannanshire to play a leading role in meeting the climate challenge and protecting our built and natural environment.</p>
Empowering Families & Communities	<p>We will place people at the heart of service delivery. We aim to prioritise service users, family and community participation and leadership in developing and delivering solutions. We will work in partnership to build individual; family and community skills in support of social and financial independence.</p>
Health & Wellbeing	<p>We aim to improve the environment, quality of life and ease of access to services. Enhanced wellbeing will also provide greater participation opportunities as a consequence of improving economic performance in Clackmannanshire. Delivering increased wellbeing also aims to promote equitable growth.</p>

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Financial Planning

Changes in public sector funding have been a key issue facing all Councils for a number of years and this will continue to impact on what Councils do and how they do it. While the financial context is challenging, such challenging times also provide significant opportunities for real improvement. The Council and its partners are working in a more collaborative way by pooling their collective resources to be more efficient.

The Council is continually reviewing its processes and procedures and financial planning continues to adapt to the changing economic climate. Regular medium term financial planning information is reported to Council via Budget Strategy Update reports to ensure that its policy, investment and financial decisions are informed by the wider financial context.

The Council's approved Budget Strategy sets out the planning assumptions and indicative savings figures for a rolling four year period. The Strategy focuses on a framework which aims to:

- reduce expenditure;
- maximise income;
- transform service provision, including more joint working, and
- implement other targeted initiatives to deliver high quality services from a sustainable cost base.

The 2024/25 Budget Report approved by Council in February 2024 presented a financial planning scenario which indicated a potential funding gap of £13.0m for 2025/26 rising to a cumulative gap of £29.7m by 2028/29. This is clearly a challenging position will require a review of what and how services are delivered by the Council and how it can work in conjunction with its partners.

Over the last five years the Council has achieved £13.0m of savings with a further £5.4m approved for 2024/25. Continually achieving savings year on year is challenging, however in 2023/24 the Council achieved £2.6m (69%) of the £3.8m planned savings approved in the 2023/24 budget. As noted above, the Council still faces a significant funding gap of £29.7m over the next four years, with any unachieved savings and use of one off reserves adding pressure and increasing the gap in future years.

During 2023/24, Chief Officers worked closely with the members of each political Administration to develop savings proposals which were included in the 2024/25 budget setting process. The budget preparation process considers both the capital and revenue implications of change proposals for financial planning purposes. The resultant proposals are focused on delivering services that are financially sustainable and manage changing profiles of demand and service user expectations.

The annual budget process is also supported by the Be the Future Board set up to focus on transformation. The Board is made up of members of the Administration and the two opposition groups along with Senior Officers. The Board supports the development and

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

progress of the transformation programme, agreeing priorities, reviewing transformation proposals and monitoring their progress.

The management team believe that the continuation of the approved Be the Future Transformation Programme alongside the Target Operating Model (TOM) to underpin Organisational Redesign will support the Council to remain financially sustainable over the medium to long term. The financial position presented in these Annual Accounts provides a platform from which to address the challenging times ahead and support the necessary transition to new, more efficient models of service delivery for the future and achieve the Be the Future aims.

Health & Social Care

The Council is part of the Clackmannanshire and Stirling Health and Social Care Partnership (HSCP) along with Stirling Council and NHS Forth Valley. 2023/24 has been another extremely challenging year for the Partnership requiring ongoing development and implementation of options for financially sustainable service delivery and financial recovery plans aligning, as far as possible, to the priorities agreed within the Partnerships Strategic Commissioning Plan (SCP) 2023-33.

The challenges included:

- significant and enduring increased demand for health and social care services;
- increased acuity and complexity of care requirements with associated increased costs;
- increasingly competitive labour markets and scarcity of appropriately skilled and trained workforce;
- inflationary pressures;
- delivery of transformational change demonstrating alignment to SCP priorities, and
- delivery of sufficient savings and efficiency programmes to maintain a balanced budget position.

For 2024/24 these challenges resulted in a deficit of £12.662m for the Partnership which was met through the use of reserves. A significant contributing factor to the overspend was due to only 48% of approved savings being delivered in the year and no significant savings being achieved in relation to the Set Aside budget for Large Hospital Services due to ongoing system pressures. This was partly mitigated through slippage on key business cases and underspends on staffing due to workforce challenges.

Given the challenging financial performance for the year the Partnership will continue to face significant financial challenges in 2024/25 to deliver the current and future Strategic Plan priorities and improved outcomes for service users, unpaid carers, and communities in a climate of growing demand, cost, and complexity.

Further information on the Clackmannanshire and Stirling Health and Social Care Partnership can be found at the following webpage:

<https://clacksandstirlinghscp.org/>

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

City Region Deal

The Council continues to deliver ambitious plans in a joint City Region Deal with Stirling Council and Stirling University. The City Region deal is funded by both Westminster and Scottish Governments and aims to deliver total investment of £214m over a ten year period to support the economic development of the Stirling and Clackmannanshire city region. Focus is on key priorities such as socially-inclusive growth; enabling infrastructure (such as roads, social housing and schools); business development opportunities; town centre regeneration; tourism; employability support and renewable energy.

The deal was formally signed in 2020 and In the case of Clackmannanshire initial priorities were informed by a series of Stakeholder Workshops and refined as part of the joint-working with Stirling Council and both Governments to form a coherent regional bid. Following further stakeholder engagement and approval by both Councils, including formal governance arrangements between the Councils, the 'Heads of Terms' was agreed in June 2018 and full deal sign off was achieved in February 2020.

The Covid-19 pandemic has had an impact on the deliverability of the initial City Region Deal plan and a revised delivery plan was presented to the Scottish and UK governments. The Partnership are now working towards that plan with regular updates provided to the Stirling & Clackmannanshire City Region Deal Joint Committee. Several projects are now underway, including the Flexible Skills project, and Active Travel projects. Notably a £0.750m investment in the Japanese Garden as part of the Clackmannanshire Fund which was completed during 2022/23.

Further information about the City Region Deal can be found here:

<https://www.stirclacksdeal.com/>

Performance

The context in which the Council operates is ever-changing and as contexts change, it is important that the Council is able to change with them, to make sure it is doing everything it can to improve people's quality of life and to make Clackmannanshire a better place to live and work.

The Council monitors, measures and reports on its performance in a number of ways, including:

- annual reporting of the Local Government Benchmarking Framework and Statutory Performance Indicators to the Audit & Scrutiny Committee;
- Public Performance Reporting of plans and reports on Council performance on www.clacks.gov.uk
- annual reviews of Local Outcome Improvement Plan (LOIP), and key partnership plans and strategies, which is scrutinised by both the Alliance and the Audit & Scrutiny Committee;
- progress of the Council's Be the Future Transformation programme, including stated

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

annual priorities, through update reports to Council and Be the Future Programme Board and Strategic Oversight Group;

- annually publishing of Directorate business and workforce plans
- biannual reporting of Directorate performance and risks to the Audit & Scrutiny Committee;
- reporting on financial and procurement performance including financial outturns to Audit and Scrutiny Committee;
- quarterly reporting of corporate risks to the Audit & Scrutiny Committee including a review of the Statement of Preparedness and Community Risk register;
- annual reporting on the Annual Governance Statement and assessment on progress relating to the Councils local code of governance, and
- annual reporting on complaints handling.

Self-Assessment

As part of our wider performance management framework and our commitments to demonstrating best value and continuous improvement, the Council implemented self-assessment approaches in 2024. Our ambition is to create an integrated best value eco-system, consolidating a number of plans and improvement actions into one streamlined improvement process which can be easily managed across all service areas. An early commitment to this eco-system approach has been to integrate our embedded Annual Governance Statement and review of our Local code of Governance approach with a revised and refreshed corporate self-assessment approach. In the Summer of 2024, senior managers participated in a facilitated self-assessment process working alongside the Improvement Service. Three key areas for improvement were identified through this approach and agreed at Senior Leadership Team. In addition, the Community Planning Partnership in Clackmannanshire is also participating in a facilitated self-assessment process working in partnership with the Improvement Service.

Best Value

The statutory Best Value report, published by the Accounts Commission in September 2024, commended the progress made by Clackmannanshire Council since previous Best Value reports in 2018 and 2019 noting, in particular, priority setting, performance management and scrutiny, budget development, community engagement and empowerment, equalities and climate change. The report also recognised the ongoing challenges the Council faces in the ability to deliver financial sustainability as well as issues regarding capacity, recruitment and resilience. The Commission welcomed the steps the Council has taken to develop its transformation programme. Four recommendations were identified, and an actioned plan was developed and approved by Council in November 2024. The four recommendations were:

- the leadership (both political and officer) has been effective in setting clear priorities; it now needs to ensure it has the capacity and capability to deliver them;
- the Council should urgently develop a medium-term financial strategy to set out how it intends to achieve financial sustainability;

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

- it is critical that the Council develops detailed plans at pace, with robust benefits realisation tools to demonstrate that it is achieving its intended outcomes, and
- the Council should review its capital budget setting and monitoring arrangements to ensure it sets realistic budgets with clear timelines and a clear linkage to Council priorities.

Local Government Benchmarking Framework (LGBF)

The LGBF forms part of Councils' statutory Public Performance Reporting duties, comprising a set of performance indicators to encourage shared learning and continuous improvement. Data for all local authorities is available on the Improvement Services website on a [Public Dashboard](#). In addition to Best Value, Councils must report on 'Improving local services and local outcomes'. These were outlined in the [2023/24 Statement of Corporate Priorities](#), and the LGBF augmented with [Scottish Public Health Observatory \(ScotPHO\)](#) datasets to ensure appropriate coverage across all priorities in the annual [Corporate Performance Report](#). Key highlights are shown below.

1 - 5-year trends

5-year trends are analysed to 'even out' temporary variances (e.g. pandemic anomalies) and assess sustained direction of travel. For 'static' results (within 5% of 5-year average), other factors are considered to categorise as consistently strong/acceptable or potentially of concern.

46% of indicators improved or were static at positive levels (green). 21% were static at marginal/less positive levels or declined by 5-10% (amber). 33% of indicators, however, showed consistently poor performance or decline of more than 10% (red).

	 Improving	 Static	 Static	 Declining	 Static	 Declining	Total
5-year Trend	63 (40%)	10 (6%)	21 (13%)	12 (8%)	10 (6%)	43 (27%)	159
	Green: 73 (46%)		Amber: 33 (21%)		Red: 53 (33%)		

2 – Target Achievement

Assessment of target achievement is sometimes more informative, incorporating realistic aspirations, local context and priorities. These may reflect national targets, Scottish or family group results (Councils with similar deprivation levels or rurality/population density), or incremental improvement towards key outcomes. Targets must be achievable, such as cost reductions taking into account minimum service viability.

Audit Scotland thresholds (5 & 15%) highlight areas requiring attention, with 58% of results green (achieving or within 5% of target), 16% amber (5-15% outwith target) and 26% red (more than 15% outwith target).

Target Achievement (Status)	 Green	 Amber	 Red	Total
	93 (58%)	25 (16%)	41 (26%)	159

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

3 - Comparison to Benchmarks

Results are ranked best (1st) to worst (usually 32nd, varies if not all report) and grouped into quartiles (top 8, etc.) to support learning from strong performers and assess local, national and family group trends. While the extended dataset includes socio-economic factors beyond pure performance indicators, 39% were in the top 2 quartiles and 61% in the bottom 2. Methodological changes mean historical comparisons are not available for all analyses, however, for the LGBF, slight reductions are seen in the top and 3rd quartiles, and slight increases in the 2nd and bottom quartiles, with a range of areas moving up/down in all years.

Comparison to Benchmarks (Rank Quartile)		 Top	 Second	 Third	 Bottom	Total	
		35 (22%)	27 (17%)	47 (30%)	50 (31%)	159	
		N/A*					
LGBF Only	2020/21	2 (2%)	28 (26%)	20 (19%)	28 (26%)	29 (27%)	107
	2021/22	3 (3%)	27 (25%)	25 (23%)	22 (21%)	30 (28%)	107
	2022/23	4 (4%)	26 (24%)	25 (23%)	19 (18%)	33 (31%)	107

*N/A if no service (museums, all years), no value reported by external body (living wage, all years), or low result suppressed for anonymity (school exclusions – all pupils 21/22 & 22/23, and care-experienced children 22/23).

4 – Overall Summary of Performance

Each indicator is summarised with an ‘average’ of the above 3 factors (equally weighted, though in certain processes one of these factors may be more important). This shows broadly positive results (green) in 32% of indicators, that attention or action may be required in some aspects (amber) in 46%, and that 22% are underperforming (red).

Overall Summary of Performance	 Green	 Amber	 Red	Total
	51 (32%)	73 (46%)	35 (22%)	159

Balance and accessibility are key priorities, with indicators transparently demonstrating the challenges faced and successes achieved, and visual charts presented alongside data tables and explanatory insights to aid understanding. Duties require reporting within the following financial year, and the report for 2022/23 was uploaded to the Council website prior to the statutory deadline of 31 March. While benchmark availability is not suitably timely, good performance management practice requires their inclusion, though improvements could support more swift decision-making to address underperformance. Plans are, therefore, in development to enhance coverage, balance, accessibility and timeliness in future years.

The latest report showing the 2022/23 data was presented to the Audit & Scrutiny Committee in April 2024 and can be accessed here:

<https://www.clacks.gov.uk/document/meeting/295/1211/7869.pdf>

Public Performance Reports (PPR)

It is not possible to fulfil all statutory PPR duties within a single report, since they must satisfy a wide range of needs and audiences, from individual members of the public to the

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

detailed requirements of audit and regulatory bodies. Therefore, a suite of Council [Performance Web Pages](#) is updated quarterly with links to a range of corporate, service and cross-cutting thematic plans and reports, with press releases providing more brief summaries. These include dedicated pages on key partnerships, transformation, governance and self-assessment, as well as core priorities, values and outcomes, presenting summarised and detailed information for the Council as a whole and individual directorates and services.

Financial Performance 2023/24

The Financial Statements have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom with the objective of presenting a true and fair view of the financial position of the Council and its income and expenditure for the year ended 31 March 2024. A brief explanation of each statement and its purpose is provided at the beginning of each statement. The main statements appear in the accounts followed by a series of additional statements to give the reader a full analysis of the funding received and how this is spent. The Expenditure and Funding Analysis (Note 6) brings together the net expenditure based on the management reporting structure and compares this against the net expenditure that is reported in the Comprehensive Income and Expenditure Statement in line with the Accounting Framework.

Within the General Fund for 2023/24, against a background of continuing reducing resources, the Council has successfully delivered services within budget reporting an underspend of £2.8m. This contribution to reserves along with the Service Concession benefit of £12.5m less the reserves utilised during the year of £9.1m, results in a net increase in General Fund reserves of £6.2m taking the total to £27.1m (2022/23 £20.9m). Of this total, £23.3m (2022/23 £17.6m) is earmarked for specific purposes, leaving £3.8m of uncommitted reserves.

The Council has a material interest in a number of bodies and prepares group accounts which include its appropriate share of these entities assets and liabilities. The group accounts can be found at the end of these statements, with details of the entities within the group.

Key Financial Ratios

The Chartered Institute of Public Finance and Accountancy (CIPFA) Directors of Finance Section recommends that certain financial ratios are included in the Management Commentary to assist the reader to assess the performance of the Council over the financial year and of the affordability of its ongoing commitments. The following table provides the indicators with an explanation of each, grouped into CIPFA categories for the various areas of financial activity.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

Financial Indicator	Notes	2022/23	2023/24
Outturns and Reserves			
Actual Outturn compared to Budgeted Expenditure	1	96.70%	98.27%
Actual contribution to/(from) Unallocated General Fund Balance compared to Budget		0.6%	0.3%
Uncommitted General Fund Reserve proportion of Net Actual Expenditure	2	2.21%	2.40%
Movement in the Uncommitted General Fund Balance	3	(45.6%)	16.2%
Council Tax			
In-year collection rate	4	96.8%	95.8%
Ratio of Council Tax Income to Overall Level of Funding	5	17.02%	17.00%
Debt			
Capital Financing Requirement (CFR) for the current year	6	£146.0m	£161.7m
External Debt Levels for the current year		£133.7m	£131.7m
Ratio of financing costs to net revenue stream		3.03%	3.72%

- 1 Reflects how closely expenditure compares to budget showing the effectiveness of financial management. This indicator is based on the format of budget monitoring as reported throughout the year
- 2 Reflects the level of funding available to manage financial risk/unplanned expenditure. The Council's Policy for 2023/24 was 2% of net expenditure which is considered appropriate in the context of the Council's financial and ongoing risk profile, reduced from 2.4% for 2022/23 in light of current financial volatility.
- 3 Reflects the extent to which the Council is using its Uncommitted General Fund Reserve. The positive movement is mainly due to the underspend in the year along with committed reserves released as no longer required.
- 4 Reflects the Council's effectiveness in collecting Council Tax debt and financial management. This has dropped due to the Cost of Living Crisis impacting ratepayers and internal system challenges.
- 5 Reflects the Council's capacity to vary expenditure by raising Council Tax income, the only principal source of finance within Local Authority control.
- 6 These indicators show that external debt levels are lower than the CFR and complement the assurances of borrowing only being for capital purposes. The ratio of financing costs to net revenue stream provides an indication of the Council's ability to afford the borrowing costs.

General Fund Results for the year

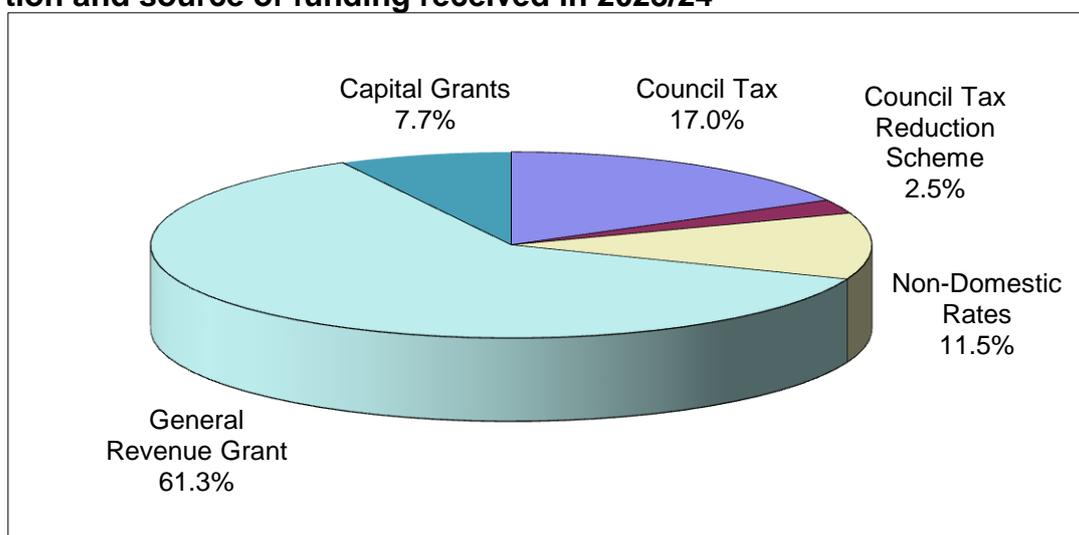

The General Fund covers all the areas of the Council's service provision with the exception of the management of its own housing stock which is covered within the Housing Revenue Account (HRA). General Fund services are financed by government grant and local taxation (i.e. council tax).

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

The largest source of funding the Council receives is the General Revenue Grant received from the Scottish Government including Non-Domestic Rates (NDR) which amounted to £112.2m for 2023/24, (2022/23 £106.6m). NDR income is collected by local authorities, and remitted to the Scottish Government, where it is pooled nationally, and re-distributed back to Councils within the General Revenue Grant. (This is described in more detail in the National Non Domestic Rates Income Account on page 147).

Income from Council Tax in 2023/24 was £26.2m (2022/23 £24.4m). Funding was also received from the Scottish Government for the Council Tax Reduction Scheme for which the Council received income of £3.8m (2022/23 £3.7m). In 2023/24 capital grants totalled £12.0m (2022/23 £8.8m). The proportions of funding received by the Council in each of these categories are shown in the following chart and table:

Proportion and source of funding received in 2023/24

Sources of Income	2022/23		2023/24	
	£'000	%	£'000	%
Council Tax	24,432	17.0	26,214	17.0
Council Tax Reduction Scheme	3,686	2.6	3,788	2.5
Non-Domestic Rates (plus BRIS)	18,065	12.6	17,764	11.5
General Revenue Grant	88,521	61.7	94,433	61.2
Capital Grants	8,849	6.1	11,961	7.8
	143,553	100.0	154,160	100.0

Revenue and Capital Expenditure

The Council's expenditure is split between the categories of capital and revenue. In broad terms expenditure for capital purposes relate to costs incurred on the acquisition or creation

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

of tangible assets needed to provide services, such as houses, schools, vehicles etc. This is in contrast with revenue expenditure, which is spent on the day-to-day operation of services such as employee costs and supplies and services.

The Council invested £28.911m (2022/23 £19.697m) during the year; the table below shows some of the main projects:

	2022/23 £'m	2023/24 £'m
IT Investment	1.936	2,719
Wellbeing Hub	0.222	1.783
Clackmannan Regeneration	0.229	1.037
Roads, foot paths, cycleways etc.	2.979	5.006
Wheeled Bins	0.049	0.597
Housing New Build and Off the shelf purchases	3.084	3.084
Housing - replacement of kitchen & heating	1.084	1.084
Housing - replacement of roofs/windows	2.687	2.687

Revenue Expenditure

Proportion of 2023/24 Revenue Expenditure by Service

In 2023/24 the total operating expenses for service delivery was £260m (2022/23 £259m) as detailed in Comprehensive Income and Expenditure statement on page 65. This level of expenditure indicates the significant size and complexity of the organisation.

The chart below shows the expenditure apportioned by portfolio, with the People portfolio having the highest level of spend.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

Outturn Position

At the end of the year, the Council reported an underspend against budget of £2.788m on its management accounts. This is a favourable increase of £2.053m on the previously forecasted underspend of £0.735m as at December 2023 reported to Council in May 2024. Included within the final underspend is a number of earmarked underspends for areas of ring-fenced spend such as Pupil Equity Funding (PEF), Devolved School Management (DSM) and Housing, that are not recognised until the year end. These underspends are then carried forward to be used in the following year. After removal of earmarked reserves of £3.055m this results in a net overspend of £0.267m compared to budget.

At the end of 2023/24, the Clackmannanshire locality of the HSCP outturned an overspend of £3.719m. However, the final outturn reflects a nil variance as reserves held by the Partnership have been allocated to offset this overspend.

The outturn position per the Management Accounts per portfolio area is shown below:

Council Summary 2023/24			
	Annual Budget 2023/24	Actual to March 2024	Variance Budget to Actual
	£'000	£'000	£'000
People	81,885	81,334	(551)
Place	35,482	33,193	(2,289)
Partnership & Performance	11,942	12,351	409
Health & Social Care Partnership	26,209	26,166	(43)
Chief Executive	525	426	(99)
Corporate Services	4,634	5,113	479
Central Scotland Valuation Joint Board	462	462	-
	161,139	159,045	(2,094)
Sources of Funding	(149,755)	(150,449)	(694)
	11,384	8,596	(2,788)

The Council Summary presents the expenditure of general fund services which are funded by government grant and local taxation. The Comprehensive Income and Expenditure Statement on page 65, which also includes the Housing Revenue Account is prepared in accordance with proper accounting practices and, as such, can lead to differences in presentation of certain items of expenditure.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

The table below reconciles the Council Summary to the (Surplus) or Deficit on Provision of Services in the Comprehensive Income and Expenditure Statement and the Expenditure and Funding Analysis in Note 6 on page 89.

	£'000
Council Summary	8,596
Add (Surplus) chargeable to HRA balances	6,111
Cost of Services incl Depreciation, Asset Revaluations & IAS19	8,486
Financing Income and Investment Expenditure	3,345
Gain/Loss on Sale of Non current Assets	(210)
Taxation and Non Specific Grant Income	(8,841)
Adjustments between Funding & Accounting basis	(10,426)
(Surplus) or Deficit on Provision of Services	<u>7,061</u>

Council Reserves

The overall position on Council's Usable Reserves is shown in the table below:

2023/24 Summary of Council reserves

	General Fund Balance £'000	Housing Revenue Account £'000	Capital Receipts Reserve £'000	Insurance Fund £'000	Capital Grants & Receipts Unapplied £'000	Total £'000
As at 1 April 2023	(20,885)	(8,715)	(1,177)	(1,256)	(2,093)	(34,126)
Comprehensive Income & Expenditure	7,795	(2,182)	-	-	-	5,613
Adjustments between funding & accounting basis	(268)	8,293	(286)	-	(352)	7,674
Transfers	(13,715)	1,168	(286)	(32)	800	(11,756)
As at 31 March 2024	(27,073)	(1,436)	(1,463)	(1,288)	(1,645)	(32,595)

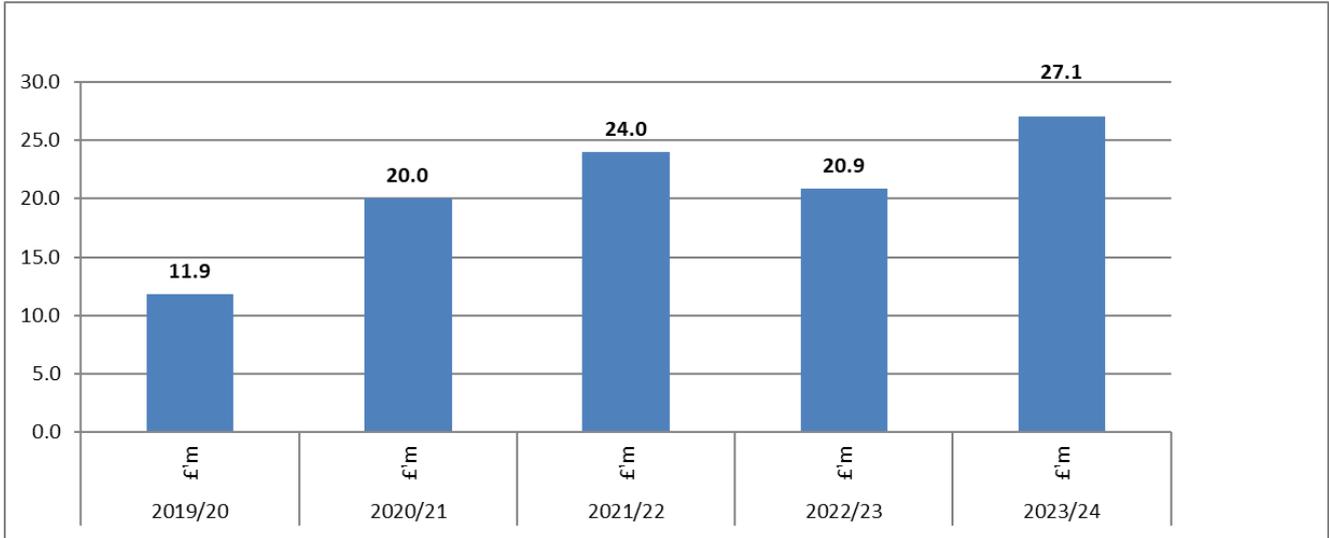

Total usable reserves have decreased to £32.6m (2022/23 £34.1m) at 31 March 2024. A comprehensive analysis of the Council's reserves is provided in the Movements in Reserves Statement on page 66 and supporting notes.

Total Usable Reserves

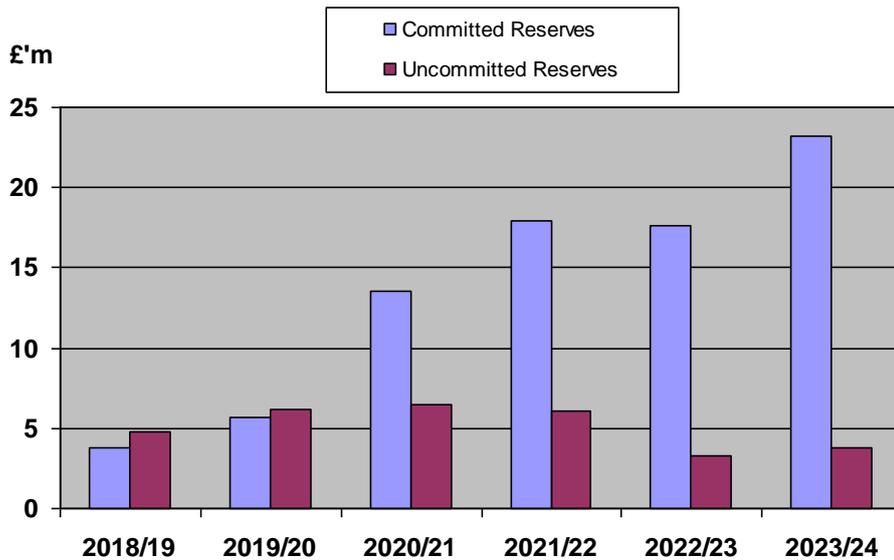

In 2023/24 the General Fund reserve has increased to £27.1m (2022/23 £20.9m). For the four years from March 2020 to March 2024 total General Fund reserves have increased by £15.2m or 128%. The large increase from 2019/20 is mainly due to additional Covid-19 funding received in 2020/21 and 2021/22 that has been carried forward on a reducing basis to fund Covid-19 support and recovery. Reserves have also increased in 2023/24 due to the accounting for Service Concessions.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Total General Fund Reserves 2019/20 to 2023/24

Level of Committed and Uncommitted General Fund Reserves 2019/20 to 2023/24

Committed (Earmarked) General Fund Reserves

Of the £27.1m general fund reserves at 31 March 2024, £23.3m (2022/23 £17.6m) is earmarked for specific purposes, either by individual services or to meet corporate liabilities. Further detail is contained in Note 8.

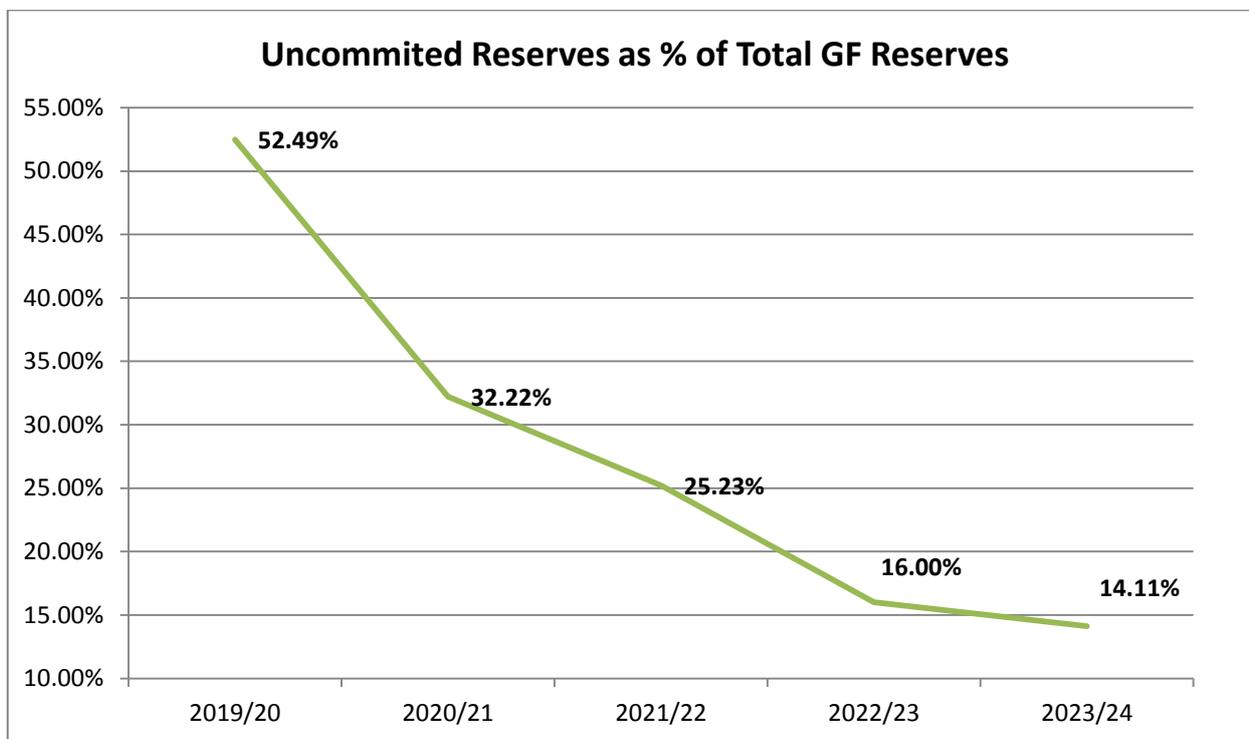

Uncommitted Reserves

The uncommitted element of General Fund Reserves at 31 March 2024, which are generally available to support future expenditure, stood at £3.8m (2022/23 £3.3m). For 2023/24, the Council's Reserves Strategy stipulates that it should retain uncommitted general fund reserves at a minimum level of 2% of net expenditure. The current general fund reserves represent a level of 2.4% (2022/23 2.2%) of the 2023/24 net budgeted expenditure.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

The movement in the Council's uncommitted reserves position compared to total General Fund reserves since March 2020 is shown below:

Trend in General Fund Reserves Position 2019/20 - 2023/24

Capital Expenditure

The Council's expenditure is split between the categories of capital and revenue. In broad terms expenditure for capital purposes relate to costs incurred on the acquisition or creation of tangible assets needed to provide services, such as houses, schools, vehicles etc. This is in contrast with revenue expenditure, which is spent on the day-to-day operation of services such as employee costs and supplies and services.

The Council invested £28.924m (2022/23 £19.697m) in capital projects during the year, the table below shows some of the main projects:

	2022/23 £'m	2023/24 £'m
School Development	0.184	0.145

The Prudential Code for Capital Finance in Local Authorities governs the level of capital expenditure taking into account affordability, sustainability, the management of assets and the achievement of strategic objectives. Capital spending in 2023/24 on General Fund Services (including operational Common Good Properties) was £14.168m (2022/23 £9.928m) and on Housing was £14.743m (2022/23 £9.769m).

Expenditure	£'m	Financed by	£'m
Compliance & Operational Resilience	6.597	Government grant & contributions	12.580
Empowering Individuals, Families & Communities	2.131	Capital Finance from Revenue	10.821
Health & Wellbeing	2.620	Borrowing	5.523
Sustainable Growth	2.820		
Housing Business Plan	14.756		
	28.924		28.924
Capital programme underspend	19.890		
Capital Budget	44.814		

During 2023/24 the Council invested £28.924m in Capital projects, £28.685m of this expenditure was on Council assets and £0.239m was granted to third parties. Capital expenditure in the year has been financed by government grants and contributions (£12.580m) and direct revenue funding (£10.821m) leaving a balance of (£5.523m) which was financed from borrowing.

Whilst work on capital projects has been progressed, delays are still being incurred due to internal and external factors and as such £10.043m is to be carried forward to 2024/25 which is £2.151m greater than that included within the 2024/25 approved budget. At the end of the year there was an overall underspend of £19.890m on the budgeted programme.

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

£12.803m of this related to the general fund resulting in rephasing of spend on large projects spanning multiple financial years such as: IT investment projects £0.743m, Clackmannan Regeneration £1.488m and WellBeing Hub £3.177m. The underspend on the HRA capital programme of £7.101m is mainly due to Westhaugh Travelling Site £5.151m and Lochies Road Clackmannan £1.945m that were delayed due to contractor availability and supply chain issues. Unspent budget of £6.906m will be carried forward to 2024/25.

Capital Receipts, Grants and Contributions

Receipts of £1.177m were held in Capital Receipts at the start of the year with further receipts of £0.286m received in the year. The balance held in the capital receipts reserve at 31 March 2024 totals £1.463m.

Receipts of £2.095m were held in the Capital Grants & Receipts Unapplied Reserve at 31 March 2023. During the year £0.800m was utilised against capital projects in the year and £0.351m of additional grants were received but not applied. The balance of unused grants £1.646m is held in the reserve to be applied against specific projects in line with the conditions of the grants.

Housing Revenue Account

The Housing Revenue Account, which funds the provision of Council housing, achieved a surplus in the year on the management accounts of £4.7m against a budgeted surplus of £3.8m. From this surplus and the HRA Reserve a revenue contribution to capital of £10.8m was made in accordance with the Housing Business Plan to maintain the Scottish Housing Quality Standard and the Enhanced Clackmannanshire Standard.

This has resulted in a decrease of £7.2m to reserves at the year end, as shown in the Movement in Reserves Statement. Working balances available to the Housing Revenue Account have therefore decreased to £1.4m as at 31 March 2024. This balance will continue to be earmarked to support the delivery of the Housing Business Plan in line with the Council's approved strategy.

£14.8m was invested in the housing stock over the year. This builds on previous investment commitments and continues to sustain and consolidate the Council's position in terms of compliance with the Scottish Housing Quality Standard. The government introduced the new Energy Efficiency Standard for Social Housing (EESH) with compliance required by December 2020. A further milestone has been set for December 2032 which will be formally reviewed in 2025 to assess progress.

Debt

The Council's gross external debt as at 31 March 2024 which supports its investment and development of long-term assets totals £131.7m and consists of:

	2022/23	2023/24
	£'m	£'m
External Borrowing	98.228	97.718

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

PFI and other finance leases	35.435	33.994
	133.663	131.713

This is a decrease of £1.950m on the previous year’s external debt position of £133.7m. This movement is made up of repayments on borrowing of £0.510m and repayments were made to PFI and other Finance leases of £1.440m. The Councils’ borrowing strategy, as set out in the Treasury Management Strategy, is to supports growth and investment in line with the 20 year capital programme but looks to reduce external debt over the longer term.

In the year, £10.9m (2022/23 £9.2m) external interest and principal repayments of £0.5m were paid in relation to this borrowing.

Overall there has been a reduction in cumulative external debt of 23.6% between 2012 and 2024, showing that over the longer term the Council is not increasing its level of debt to finance its capital programme. Repayments towards PFI liabilities also continue to reduce the Council’s overall level of external debt on an annual basis.

In line with the Prudential Code and Treasury Management Strategy any borrowing undertaken is required to be prudent, affordable and sustainable. As at 31 March 2024 the Council was in an under-borrowed position which meant that its level of borrowing was less than its capital expenditure. Further detailed information including performance indicators can be found in the Council’s Annual Treasury Management Strategy Statement (TMSS) 2023/24 set by Council on 9th March 2023.

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

Secondary Schools PFI Scheme

The Council's three secondary schools are recorded within the long-term assets of the Council, along with a liability for the financing provided by the PFI operator. The outstanding finance liability at March 2023 is £33.994m and this sum is included within the Council's overall borrowing position referred to above.

The unitary charge paid to the operator in 2023/24 was £9.983m (2022/23 £9.058m) and will increase annually by inflation over the 30 year term of the contract. The Scottish Government provides additional funding towards the project of £3.553m per annum. The total cost of the contracted project is set out in Note 32 – Private Finance Initiative and Similar Contracts on page 130.

Net Pension Liability /Asset

Pension Fund reporting regulations require an annual valuation of the Pension Fund by fund actuaries which is included in the Councils Balance Sheet. The calculation as at 31 March 2023 disclosed a surplus of £50.4m (2022/23 surplus £29.1m). The calculation is prepared for the purposes of International Accounting Standard 19 (IAS 19) reporting requirements and is not relevant for funding purposes i.e. does not have a direct impact on council tax or housing rent payers. This is simply a snapshot of the position at that time.

The latest long-term triennial funding valuation of the Pension Fund for the purpose of setting the employers' actual contributions was at 31 March 2023. In line with the valuation and actuarial advice, the employers' contribution rates remained the same for 2021/22 and 2022/23 and were increased by 0.5% for 2023/24. The Triennial valuation as at 31 March 2023 set the employer contribution rates for 2024/25 to 2026/27 at 19.5%.

Provisions

Provisions are made where an event has taken place which creates a legal or constructive obligation that more likely than not requires some form of transfer of economic benefits or service and a reliable estimate can be made about the amount of the obligation. As at 31 March 2024, two provisions are included in the Financial Statements, see Note 20.

Contingent Liabilities and Assets

Contingent liabilities are not recognised in the Balance Sheet but disclosed in a note to the accounts. They arise where the Council has a possible obligation but this will only be confirmed or otherwise by uncertain future events not entirely within the control of the Council. They can also arise where a provision might otherwise have been made but it is not probable that resources will transfer, or if the obligation cannot be measured reliably. In 2023/24, four contingent liabilities are disclosed, see Note 35. The Council has no material contingent liabilities or assets at the Balance Sheet date.

Group Accounts

The Council's group accounts consist of: Clackmannanshire and Stirling Integration Joint Board, Central Scotland Valuation Joint Board and Common Good. Further detail on the Councils Group Accounts and accompanying notes can be found on pages 151-159.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

Covid-19 and Cost of Living

The Covid-19 pandemic and the Cost of Living crisis has had a significant impact on the Council and its communities over the past 4 years. Since March 2020, the Council has put actions in place and reprioritised services to safeguard its communities and these are now embedded into business as usual. Over the past year, focus has been directed to provide communities with Cost of Living supports to those affected by increasing inflationary pressures.

Staff wellbeing continues to be a key focus for the Council. Most services have implemented some pattern of hybrid working where appropriate to the role. The Council has adopted for office staff, no less than 40% office attendance. There is a continued emphasis on supporting mental wellbeing and significant resources have been made available to staff through our Keeping Staff Connected pages as well as a number of guides for managers aimed at ensuring ongoing engagement and promoting positive conversations. The Council also continued to offer and deliver a suite of HR training courses for managers and staff throughout 2023/24

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Management Commentary

Business Environment and Risks

Longer term impacts of the Covid 19 pandemic, world events including ongoing conflicts and associated global tensions and economic conditions have a significant effect on the Scottish, UK and global economy. This has translated into reduced funding provided to local authorities through both UK and Scottish Government settlements. High inflation including increases in energy costs and corresponding increases in the cost of goods and services also directly impact on the ability of local authorities to manage spend within reducing resources. Above inflationary pay awards have also directly impact on the funding challenges of the Council.

For 2024/25 an agreed pay award was achieved in September 2024 following negotiations between COSLA, Leaders and Trade Unions. For 2025/26, no pay increase has been agreed and discussions are ongoing with trade unions and COSLA at a national level. Any agreed pay award over and above the funding provided by the Scottish Government will lead to further pressures for Local Authorities.

The Bank of England (BoE) maintains target inflation at 2%. Increases in interest rates have successfully reduced inflation down to this level, however, inflation has started to rise in the last few months, indicating any reduction in interest rates is likely to be over a prolonged period. The level of interest rates impacts on the cost of borrowing to finance the Councils capital programme.

A key area of uncertainty for the Council remains the future levels of grant from the Scottish Government it will receive on which it relies for a significant proportion of its funding. It is expected that the next Scottish Budget will be a 3 year settlement which should help to inform medium term financial planning and get a clearer sense of the Scottish Government's spending priorities that will assist the Council in prioritising its own finances.

Given this operating context, the preparation of medium to long term financial plans are subject to a number of key risks and uncertainties which will have an impact on budget assumptions. With historic reductions in funding and potential increased costs of service provision due to continued cost of living and inflationary pressures, managing the effects of these increased costs will be a challenge for the public sector. This also places additional pressure on the Council to transform services and reduce its operating costs further to maintain a balanced budget in future years.

Audit Scotland continues to promote the importance of medium to long term financial planning. In Clackmannanshire, the Council continues to promote medium to longer term financial planning over a number of Budget rounds, the key features of the approach being:

- The use of financial scenario planning to provide a range of potential financial outcomes relative to changes in the key financial assumptions made;
- The Budget setting process provides indicative budgets for future years and identifies specific Business cases and / or new areas for review to be developed. This provides a multi-year view of the programme of activity and how it relates to Budget setting and indicative funding gap forecasts in individual financial years;
- The continued development and progression of the Be the Future programme

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

identifying areas for Transformation to increase efficiency and reduce costs over a 10 year period, and

- A rolling 20 year Capital Investment Plan as first approved in the 2021/22 budget, setting out investment priorities over the medium to longer term.

Medium to long term planning assists the Council in managing the financial and service delivery risks associated with the impact of real and potential cash term reductions in public sector funding, balanced against increasing demand for services and new responsibilities.

Principal Risks and Uncertainties

A 5-year [Corporate Risk Management Strategy](#) was approved by Council in October 2023. This formalises and documents the purpose, roles & responsibilities, and links to other corporate approaches, strategies and local/national governance principles. The key aims are: to be aware, transparent, consistent, collaborative, clear, proportionate and objective. The strategy also outlines definitions, assurance mechanisms, processes and supports which are mapped in a high-level self-assessment to the stated aims and maturity model themes (Leadership, Strategy, People, Partnership, Processes, Handling & Assurance and Outcomes & Delivery).

Appendices to the strategy are reviewed annually and include a Risk Appetite Statement, Delivery Plan, Guidance & Governance Checklist, and terms of reference for the Corporate Risk & Integrity Forum (established 2013). The first annual review was presented in the [2023/24 Annual Report](#) to Audit & Scrutiny Committee in August 2024. Finance is highlighted throughout as one of twelve core risk categories, alongside: Assets, Community, Continuity, Environment, Governance, Information, Reputation, Security, Strategy, Wellbeing and Workforce.

The Corporate Risk Register is reported to Audit & Scrutiny Committee quarterly, following updates by service/cross-cutting theme at the Corporate Risk & Integrity Forum. Each report re-iterates the purpose, corporate lead and review process followed. Business Planning Guidance requires Directorate registers to be reported to Audit & Scrutiny Committee, and support is also provided for service, team, thematic and partnership registers. The Council also contributes to the Community Risk Register (led by Scottish Fire & Rescue), and the Health & Social Care Partnership Joint Risk Forum which reports to the Integration Joint Board.

The [2023/24 Year-end Report](#) to Audit & Scrutiny Committee (June 2024) shows the final position for the 18 corporate risks, with the undernoted changes made throughout the year.

Low: 9 or less  Medium: 10 – 15  High: 16 or more 

Title	Score	Status	Approach	Change	Notes (Q = Quarter)
Insufficient Financial Resilience	25		Treat		Static throughout year (controls/savings balanced with inflationary pressures)

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Title	Score	Status	Approach	Change	Notes (Q = Quarter)
Impact of Poverty, Inequality & Changing Demographics	20		Treat		Static throughout year (controls/actions balanced with cost of living/energy)
Supply Chain & Labour Market Disruption	20		Tolerate		Static throughout year (cause outwith control, mitigations prevented worsening)
Health & Safety Breach	20		Treat		Static throughout year (strengthened controls but compliance to be improved)
IT System Failure	20		Treat		Increased from 15 Q2 (raised global threat, mitigations in progress)
Public Health Emergency	20		Tolerate		Static throughout year (vaccinations, etc. balanced with new viruses/strains)
Major Governance Failure	16		Treat		Escalated by Director Q2 (implications of other risks on legal/gov. compliance)
Information Not Managed Effectively	16		Treat		Static throughout year (strengthened controls but cyber accreditation required)
Insufficient Pace and Scale of Organisational Transformation	15		Treat		Reduced from 20 Q3 (senior/project managers recruited, plan in place)
Failure of Public Utility Supply	15		Tolerate		Static throughout year (cause outwith control, vulnerable demographic profile)
Failure to Prevent Extremism and/or Radicalisation	15		Treat		Static throughout year (actions balanced with evidence of global civil unrest)
Failure to Prepare for Severe Weather Events	12		Tolerate		Static throughout year (climate change means now threats in all 4 seasons)
Inadequate Workforce Planning	12		Treat		Reduced to 9 Q1, increased Q3 (plans progress but recruitment/capacity issues)
Increasing Attainment Gap	12		Treat		Reduced from 16 Q3 (data shows gap reducing due to literacy interventions)
Failure to Address Serious Organised Crime	12		Treat		Static throughout year (actions balanced with evidence of national/global increase)
Industrial Unrest	12		Tolerate		Reduced to 9 Q1, to 15 Q2, to 9 Q3, to 12 Q4 (pay negotiations/threat of strike)
Continued Contribution to Climate Change	10		Treat		Static throughout year (actions continue but impacts of increasing severity seen)
Harm to Child(ren)	9		Treat		Reduced from 12 Q1 (redesign, training, recruitment & improved responsiveness)

At the 2023/24 year-end, there were 8 red risks (16 or higher, including Financial Resilience at the highest risk score of 25, details below), 9 were amber (10-15) and 1 was green (9 or lower). There are fewer greens corporately as these are often demoted to lower-level registers unless particular scrutiny is needed (the final risk will remain due to its significant nature). The Council defines its approach to managing each risk as below (total shown):

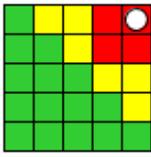

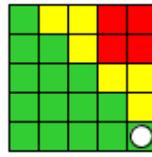

- Treat (13): we will take action to reduce the risk;
- Tolerate (5): actions within our control have been completed and plans are in place (though they remain under continuing scrutiny and review);
- Transfer: the risk will be passed to another party, such as insurers; or

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Management Commentary

Terminate: the activity that is causing the risk will be ceased (the latter 2 are less often options due to statutory provision requirements and non-delegable duties).

There were 17 risks on the Corporate Register at the end of financial year 2022/23, which currently remain in place.

Insufficient Financial Resilience remains as the risk with the highest score of 25.

		Insufficient Financial Resilience	Senior Manager Finance & Revenues	Current Score	25	Target Score	5
Risk	The Council does not have a balanced budget to meet essential service demands, customer needs, or external agendas.						
Potential Impact	Reputational and legal implications and severe, extended loss of service provision. Possibility of Alliance, Health & Social Care and other partners also experiencing budget pressures contributes to potential impact, given the interdependencies.			Usefulness Impact		Usefulness Impact	
Note	The budget for 2024/25 was approved in March 2024 reflecting a balanced position and including savings to be achieved during the year. Due to the use of reserves and cash savings to balance the 2024/25 budget, the budget gap for 2025/26 has been estimated at £13m. This year's budget process is already progressing to take forward savings through transformation and other areas previously identified. The budget gap is also subject to the settlement funding from Scottish Government which will be known towards the end of the year.						
Related Actions	Actions from Audit of 2022/23 Accounts by Audit Scotland			Existing Controls	Financial Regulations		
	Use the agreed strategic change framework and organisational design principles to implement a whole organisation redesign				Contract Standing Orders		
	Balance the drive for savings with the need for sufficient officer time and skills to support change and consider how to make more use of external assistance to support improvement				Budget Strategy & Monitoring		

Where to find more Information

An explanation of the Financial Statements which follow and their purpose are shown at the top of each page. Further information about Clackmannanshire Council can be obtained from the Council's website (www.clacks.gov.uk) or from Finance Services, Kilncraigs, Greenside Street, Alloa, FK10 1EB.

Conclusion and Acknowledgements

The continued prudent financial management and medium-term financial planning have allowed the Council to successfully manage its financial affairs and the financial objectives prescribed. The Council continued to progress major strategic initiatives such as the new Wellbeing Hub, City Region Deal, Organisational Redesign, Learning Estate Development and partnership working with the Health and Social Care Partnership. Alongside these, the Council also continues to support the Community through redesigning delivery of its services.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Management Commentary

The Council would like to acknowledge the significant effort in producing the Annual Accounts and the Annual Governance Statement and to record thanks to colleagues for their continued hard work and support throughout 2023/24. The Council acknowledges that the annual accounts for 2023/24 were completed after the statutory deadline due to competing priorities and challenges however it will aim to meet future deadlines. It greatly appreciates the significant efforts of all who were involved, elected members of the Council and colleagues in every Service, all of whose efforts in managing the resources available have contributed to the financial position disclosed by the 2023/24 Annual Accounts.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Statement of Responsibilities

The Council's Responsibilities

The Council is required to:

- make arrangements for the proper administration of its financial affairs and to secure that the proper officer of the Council has responsibility for the administration of those affairs (section 95 of the Local Government (Scotland) Act 1973). In this Council, that officer is the Chief Finance Officer;
- manage its affairs to secure economic, efficient and effective use of resources and safeguards its assets;
- ensure the annual accounts are prepared in accordance with legislation (The Local Authority Accounts (Scotland) Regulations 2014) and so far as is compatible with that legislation, in accordance with proper accounting practices (section 12 of the Local Government in Scotland Act 2003); and
- approve the annual accounts for signature.

I confirm that the Draft Annual Accounts were considered by Council at its meeting on 30 January 2025.

Signed on behalf of Clackmannanshire Council

Ellen Forson
Leader of the Council
30 January 2025

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Statement of Responsibilities

The Chief Finance Officer's Responsibilities

The Chief Finance Officer is responsible for the preparation of the Council's Annual Accounts in accordance with proper practices as required by legislation and set out in the CIPFA/LASAAC *Code of Practice on Local Authority Accounting in the United Kingdom* ('the Code').

In preparing the Annual Accounts, the Chief Finance Officer has:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that were reasonable and prudent;
- complied with legislation; and
- complied with the local authority accounting code (in so far as it is compatible with legislation).

The Chief Finance Officer has also:

- kept proper accounting records which are up to date; and
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

I certify that the draft Financial Statements give a true and fair view of the financial position of the Council and its group at the accounting date and the transactions of the Council and its group for the year ended 31 March 2024.

Lindsay Sim
Chief Finance Officer

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

Introduction

The purpose of the Annual Governance Statement (AGS) is to provide assurance to the people of Clackmannanshire, Elected Members, staff, partner agencies and other stakeholders that the Council:

- is well run;
- operates in a lawful, open, inclusive and honest manner;
- manages resources effectively, and
- provides a high standard of service to our customers.

The AGS explains the extent to which the Council has complied with its Local Code of Governance during the past year, the progress it has made on improvements identified in the previous year's AGS, and actions it plans to take to ensure that it continues to improve.

Governance is important - good governance leads to good management, good performance, good stewardship of public money, good public engagement and ultimately, better outcomes for citizens and service users.

Corporate governance is not directly about strategy, policy, service standards, or performance; it is about the systems that make sure these things are done well and in an open, transparent and accountable way, reinforcing a culture of good governance across the organisation. Good governance enables an authority to pursue its aims effectively, while controlling and managing risk.

Local Code of Governance

Our Local Code of Governance is made up of the key Council policies and strategies that together determine how the Council is directed, controlled, led and held to account, including the culture and values that shape the decision-making and behaviour of councillors and employees. Councils are guided in this by the "Delivering Good Governance in Local Government Framework" (CIPFA, 2016). The framework sets out 7 principles, with supporting sub-principles and illustrations of good practice, that together constitute good governance.

Our Local Code is underpinned by a framework of systems and processes, based on legislative and regulatory requirements, guidance and good practice principles that guide our day to day activities.

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

Leadership, Values and Culture

This section of our Local Code covers the arrangements we have for ensuring that the Council's leadership set and communicate a clear direction and are transparent and accountable.

Local Code approaches in this area are:

- Scheme of Delegation, and
- Council Standing Orders.

CIPFA Good Governance Principles Alignment:

- Behaving with Integrity, demonstrating strong commitment to ethical values, and respecting the rule of the law;
- Determining the interventions necessary to optimise the achievement of the intended outcomes;
- Developing the entity's capacity including the capability of its leadership and the individuals within it, and
- Managing risk and performance through robust internal control and strong public financial management.

The Scheme of Delegation sets out the duties and responsibilities of the Council, its committees, sub-committees and officers.

Council Standing Orders set out the framework within which the Council conducts its business, and includes the timing of Council meetings, the order of business, rules of debate and matters of procedure.

Strategy and Performance Management

This covers how we make sure that strategies, policies and supporting processes reflect the Council's responsibilities and ambitions, and that they are communicated and implemented.

Local Code approaches in this area are:

- Council Corporate Plan,
- Performance Management Framework Corporate Risk Management Guidance.

CIPFA Good Governance Principles Alignment:

- Behaving with Integrity, demonstrating strong commitment to ethical values, and respecting the rule of the law;
- Ensuring openness and comprehensive stakeholder engagement;

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Annual Governance Statement

- Defining outcomes in terms of sustainable economic, social and environmental benefits;
- Determining the interventions necessary to optimise the achievement of the intended outcomes;
- Developing the entity's capacity including the capability of its leadership and the individuals within it;
- Managing risk and performance through robust internal control and strong public financial management, and
- Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

The Council's Performance Management Framework covers the strategies, plans and reports that take direction from the LOIP to make sure that resources are focused on Council priorities.

Corporate Risk Management Guidance explains the principles, processes and scrutiny arrangements used by the Council for managing risk, particularly in the context of achieving the Council's vision, outcomes and priorities.

Working in Partnership

This theme covers how we work with partners to achieve mutual benefit, by sharing expertise, resources and knowledge. The Clackmannanshire Alliance, our Community Planning Partnership, brings together the key organisations that can make a difference to people's lives in Clackmannanshire.

Local Code approaches in this area are:

- Alliance Governance Framework & Memorandum of Understanding

Key underpinning policies and guidance in this area are:

- Local Outcomes Improvement Plan (LOIP) 2017-2027, and
- Community Planning processes.

CIPFA Good Governance Principles Alignment:

- Defining outcomes in terms of sustainable economic, social and environmental benefits, and
- Determining the interventions necessary to optimise the achievement of the intended outcomes.

A new Wellbeing Economy LOIP is currently being developed and community and stakeholder engagement on the plan is underway. The Alliance Board has agreed to

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

review the Memorandum of Understanding and Community Planning processes following agreement of the Local Outcomes Improvement Plan.

Communication and Engagement

The Corporate Communications & Marketing Strategy aims to ensure that:

- both internal and external communications and marketing approaches are effective and responsive to the needs of all groups, and
- digital communications develop in line with advancing technology and customer needs.

CIPFA Good Governance Principles Alignment:

- Ensuring openness and comprehensive stakeholder engagement, and
- Determining the interventions necessary to optimise the achievement of the intended outcomes.

The Council use the online survey tool Citizen Space to consult on issues such as service satisfaction, policy proposals and strategies. The Corporate Communications Strategy, related policies and Communications channels are in the process of being refreshed in 2023/24.

Sustainability and Climate Change

The Council's Environmental Policy sets out Council commitments to continuously improve its environmental performance.

An Interim Climate Change Strategy approved in August 2022, sets out a framework for Council achieving net zero greenhouse gas emissions by 2040. An Emergency Board provides oversight of delivery of the strategy.

Asset management plans covering, for instance, buildings, vehicles and ICT equipment generally aim to ensure that our assets are fit for purpose, used efficiently and maximise value for money, environmentally and energy efficient and employed flexibly and responsibly.

CIPFA Good Governance Principles Alignment:

- Defining outcomes in terms of sustainable economic, social and environmental benefits;
- Determining the interventions necessary to optimise the achievement of the intended outcomes;
- Developing the entity's capacity including the capability of its leadership and the individuals within it, and

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

- Implement good practices in transparency, reporting, and audit to deliver effective accountability.

Financial Management

Financial Regulations set out roles and responsibilities in relation to sound financial management, to ensure the highest standard of probity in dealing with public money and to assist and protect staff in such dealings. Underpinning guidelines and instructions ensure robust and effective financial control.

Key underpinning policies and guidance in this area are:

- Financial Regulations
- Contract Standing Orders
- Procurement Strategy

CIPFA Good Governance Principles Alignment:

- Behaving with Integrity, demonstrating strong commitment to ethical values, and respecting the rule of the law;
- Ensuring openness and comprehensive stakeholder engagement;
- Defining outcomes in terms of sustainable economic, social and environmental benefits;
- Determining the interventions necessary to optimise the achievement of the intended outcomes;
- Managing risk and performance through robust internal control and strong public financial management, and
- Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

Information Management

Effective Information Management is vital for ensuring that the right information is available to the right people, at the right time, to support and inform decision making, while ensuring appropriate storage, access and protection of information and data. Information and data management forms an important element of the Council's Digital Transformation strategy and roadmap.

Key underpinning policies and guidance in this area are:

- Digital Strategy 2019-25;
- Data Protection Policy, and
- Records Management Plan.

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

CIPFA Good Governance Principles Alignment

- Behaving with Integrity, demonstrating strong commitment to ethical values, and respecting the rule of the law, and.
- Developing the entity's capacity including the capability of its leadership and the individuals within it.

Workforce Management

The Strategic Workforce Plan 2019-22 sets out the Council's workforce planning priorities, to: create positive and inclusive organisational cultures; create sustainable and resilience workforce; support, empower, respect and engage our workforce; ensure our workforce has the knowledge, skills and behaviours required for future demands.

CIPFA Good Governance Principles Alignment:

- Behaving with Integrity, demonstrating strong commitment to ethical values, and respecting the rule of the law, and
- Developing the entity's capacity including the capability of its leadership and the individuals within it.

Statutory Roles

Councils are required to make a number of statutory appointments and these are detailed in the Management Commentary on page 6. Further information on the statutory appointments of officers can be found in the Scheme of Delegation.

Audit and Assurance

There is a range of arrangements that seek to provide assurance on the Council's system of internal control.

1. The Audit and Scrutiny Committee has an important role in the Council's governance. The committee remit covers two broad areas:

Audit & Finance:

- Receive, review and consider reports on the Council's finances;
- Receive, review and consider reports on value for money and best value;
- Consideration and monitoring of the Council's Annual Governance Statement;
- Consider internal audit reports and results of internal audit investigations;
- Consider external audit and resultant action plans;
- Monitor and review actions taken on internal and external audit recommendations;

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Annual Governance Statement

- Consider the effectiveness of the Council's risk management procedures and the control environment, and
- Receive and consider reports on countering fraud and corruption.

Scrutiny:

- Monitor council services, including the Health and Social Care Partnership (H&SCP) against agreed outcomes, standards and targets;
 - Monitor the achievement of organisation-wide agreed outcomes, standards and targets;
 - Monitor the achievement of agreed outcomes, standards and targets by the community planning partnership;
 - Monitor Police and Fire performance against Plans approved by the Council;
 - Scrutiny of Council decision-making, with the ability to call in decisions;
 - Initiate or undertake scrutiny reviews, and
 - Deal with matters referred by the Council for scrutiny purposes.
2. The role of Council's **Internal Audit** function is to provide a balanced and evidence based opinion to elected members on the adequacy of the Council's arrangements for risk management, governance, and control. To do this, the Internal Audit team must be:
- independent;
 - objective in performing audit work; and
 - adequately resourced, experienced, qualified, and knowledgeable.

The Internal Audit service is delivered via a joint working arrangement with Falkirk Council.

The Public Sector Internal Audit Standards 2017 (PSIAS) require the preparation of a risk based Internal Audit Plan setting out the team's annual work programme. The Internal Audit plan for 2022/23 was agreed by the Audit & Scrutiny Committee in October 2022. It proposed sixteen assignment areas, including two covering other bodies (the Clackmannanshire and Stirling Integration Joint Board, and the Central Scotland Valuation Joint Board).

Internal Audit provides regular progress reports to the Audit and Scrutiny Committee and an annual Assurance report, which gives an overall opinion on the Council's risk management, governance, and control arrangements, based on the assignments agreed within the audit plan and undertaken over the course of the year.

The Annual Assurance Report by Internal Audit was presented to the Audit & Scrutiny Committee in August 2023.

3. The Council is externally audited by Deloitte LLP, appointed by the Controller of Audit, who conduct an audit in accordance with the Code of Audit Practice approved by the Accounts Commission.

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Annual Governance Statement

4. Many individual services and functions are subject to review by external agencies and inspectorates.

Review of Effectiveness

We have a responsibility for reviewing, at least annually, the effectiveness of our governance framework, including the system of internal control. The review is informed by a wide range of evidence, including:

- The work of the members of the Extended Strategic Leadership Group, who have responsibility for the development and maintenance of the governance environment;
- The Internal Audit Annual Assurance Report;
- Reports provided by our External Auditor (currently Deloitte LLP);
- Reports from other external review bodies, agencies and inspectorates;
- Output from self-assessment undertaken by service managers evaluating the extent to which services comply with the local code, and identifying areas for improvement;
- The completion of signed Certificates of Assurance by Executive Directors confirming their opinion that the identified areas for improvement and associated action plan will address any current issues or risks, and
- A two-stage internal Governance review process involving senior and service managers. Stage one reviews the local code to make sure that it reflects the approaches that are most significant to the achievement of Council priorities and desired outcomes, and that the approaches are fit for purpose. The second stage of the review is to check that the approaches are implemented in all relevant areas.

The annual Governance review identifies areas for improvement. Resulting actions are tracked using the Council's performance management system.

Significant Governance Issues

The 2021/22 Annual Report, provided by our external auditor (at that time Audit Scotland, now Deloitte LLP) found that the Council had made limited progress in implementing their prior year audit recommendations, owing to capacity issues and to staff being abstracted on to pandemic and cost of living response Actions to address the recommendations were included in last year's AGS, and progress is reported later in this document.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Annual Governance Statement

Progress made on areas for improvement contained in the 2021/22 AGS

Code	Description	Carried forward from	Latest Note
AGS 020 003	An updated Risk Management Framework will be finalised	31-Mar-2023	Advanced draft completed – anticipated final completion by October 2023 following consideration by Council.
AGS 020 004	Covid Recovery plans will be reviewed to ensure alignment with Be the Future	31-Mar-2023	This work is ongoing and is being integrated into the Councils Be the Future planning. It is progressing in the context of a refresh of the Councils Target Operating Model and also through a range of transformational initiatives such as Future Ways of Working and Digital Transformation which aim to optimize service design as part of post pandemic recovery.
AGS 020 006	Action will be taken to ensure that new Hate Crime legislation is reflected in key Council policies.	31-Mar-2021	Hate Crime is a key action in the Councils Mainstreaming Equalities and Diversity Outcomes approved in 2021, and is reflected in appropriate employee and partnership strategies. Information on 3 rd party reporting is provided on the Councils website alongside the range of partners across Forth Valley that we work alongside as part of wider equalities work.
AGS 020 011	The review of the Sustainability and Climate Change Strategy will be completed, followed by engagement with key stakeholders.	31-Mar-2023	An Interim Climate Change Strategy was approved by Council in August 2022. A full Climate Change Strategy will be considered by Council in Autumn 2023. Five Climate Change Forums have been set up to facilitate engagement with communities and promote sustainability across the county.
AGS 020 015	A Digital Transformation Delivery Plan and Road Map will be developed, informed by the Audit Scotland report and the outcome of the Digital Maturity Assessment.	31-Mar-2021	This major work is ongoing and remains a key priority for the Council as set out in Be the Future and our Target Operating Model. A digital transformation strategy is in place, and whilst we have plans to refresh the strategy, significant work is being taken forward around digital, data and ICT modernisation which is reflected in the strategy. This work is being progressed in partnership with a range of industry experts, and whilst significant progress is planned in 2023/24, the overall delivery plan is under constant review.

ANNUAL ACCOUNTS 2023/24
Annual Governance Statement

Code	Description	Carried forward from	Latest Note
AGS 021 001	The Governance assurance process will be reviewed, to ensure it is effective and proportionate.	31-Mar-2023	The Governance assurance process has been reviewed and changes implemented.
AGS 021 002	The review of the Scheme of Delegation will be completed after the conclusion of the Council restructure.	31-Mar-2023	The review of the scheme is at an advanced stage and is expected to conclude and be considered by Council by October 2023.
AGS 021 003	A detailed review of Standing Orders will be undertaken, with the aim of consolidating incremental changes that have been made in recent years, improving clarity and ensuring Standing Orders remain fit for purpose. Training will be provided for elected members.	31-Mar-2023	An officer/elected member working group was agreed by Council in 2022. Work continues; it is expected that this work will complete in late 2023 on conclusion of the refreshed Scheme of Delegation.
AGS 021 005	Options for enhancing arrangements for Fraud Risk Management will be investigated as part of the restructure of the Legal & Governance service.	31-Mar-2023	This work is ongoing beyond the projected target date, expected to conclude in late 2023.
AGS 021 006	The Local Outcome Improvement Plan will be refreshed and a Wellbeing Local Outcome Improvement Plan will be developed	31-Mar-2023	The present LOIP 2017-27 remains current. Community and stakeholder engagement to develop the wellbeing LOIP is underway. A set of draft outcomes and priorities are being consulted on as part of this work with the final LOIP anticipated to be finalised in Autumn 2023. This approach is being jointly led by Community Planning Partners on behalf of the Clackmannanshire Alliance.
AGS 021 007	Clackmannanshire Alliance operating arrangements and structures, including the Memorandum of Understanding, will be refreshed.	31-Mar-2023	This will be reviewed following completion of the LOIP refresh.
AGS 021 008	The Council's Customer Charter will be refreshed.	31-Mar-2023	A review of the Customer Charter has been completed and following a period of stakeholder consultation will be considered by Council in October 2023, along with a refreshed Unacceptable Behaviour policy.
AGS 021 009	The refresh of the Communications Strategy will be finalised.	31-Mar-2022	Ongoing. A high level corporate communications strategy has been drafted. The intention is to finalise this in 2023 following Council's approval of a revised Target Operating Model and a period of consultation.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Annual Governance Statement

Code	Description	Carried forward from	Latest Note
AGS 021 012	Information on Sustainable Asset Management on the Council website will be improved to make it clearer and more accessible.	31-Mar-2023	Significant work has been done to develop and improve website information on Sustainability, with pages covering the Interim Climate Change Strategy, Climate Change Forums and annual climate reports, as well as links to external organisations.
AGS 021 013	Further guidance and training on Financial Governance and financial system processes will be rolled out, including promoting awareness of the management information produced by the finance system to assist decision making	31-Mar-2023	In progress. Initial training has been rolled out to the Accountancy team who will then roll out to Budget Holders. Further specific training to be identified and delivered throughout the year. A session on Governance including Financial Regulations and Contract Standing Orders is planned to be held with the Senior Leadership Forum during the year.
AGS 021 015	Debt recovery processes will be reviewed to ensure Council is recovering debts due.	31-Mar-2022	A Credit Controller has been employed to complete a focussed review of outstanding debt and recovery options and to update processes. To be completed by September 2023.
AGS 021 016	Additional support will be secured for Procurement and Community Wealth Building work.	31-Mar-2022	Additional supports are in place within economic development to support Community Wealth Building. Ongoing market conditions continue to make securing additional procurement resources challenging.
AGS 021 017	The Information and Communication Technology (ICT) Strategy and ICT Asset Management Plans will be finalised.	31-Mar-2022	This work is being taken forward as part of the Council's Digital Transformation Roadmap and Microsoft 365 migration project implementation plan, which is ongoing.
AGS 021 018	Remaining outstanding actions in the Workforce Programme will be completed.	31-Mar-2022	The workforce programme was closed down following report to Strategic Oversight Group. Due to capacity, some communication actions remain outstanding, however, these will be included in both a refreshed interim workforce plan and corporate communications strategy, due to be considered by Council in September 2023.

Code	Description	Carried forward from	Latest Note
AGS 021 019	The feasibility of introducing a structured approach to the publication of policies and strategies will be investigated, to ensure they are accessible and up to date.	31-Mar-2022	Ongoing, to be wrapped up in wider M365 deployment work. Sharepoint anticipated to provide the platform. Policies and guidance is being developed for deployment over 23/24.
AGS 022 001	Financial Regulations Review	31-Mar-2023	Revised Financial Regulations have been reviewed and have been considered and approved by Council in June 2023.
AGS 022 002	Contract Standing Orders Review	31-Mar-2023	Ongoing. Planned for 2023.
AGS 022 003	Procurement Strategy Review	31-Mar-2023	Ongoing. Planned for 2023.
AGS 022 004	Corporate Plan refresh will be undertaken	31-Mar-2023	Council agreed in May 2023, that it will no longer prepare a Corporate Plan and that instead service business plans will align and report with strategic priorities. Refreshed guidance will be provided to directorates, with revised business plans due to be considered by Council in October 2023.
AGS 022 005	Information and knowledge management programme of work will be scoped and capacity, resources and roles and responsibilities identified	31-Mar-2023	Ongoing. A cross service team are actively progressing this work as part of M365 deployment, supported by additional M365 and data transformation project resource. Additional posts have also been identified and resourced.
AGS 022 006	The Strategic Workforce Plan 2019–2022 will be replaced with an updated and refreshed Strategic Plan covering 2022–2025. This will be jointly developed in line with review of the LOIP and Corporate Plan	31-Mar-2023	An Interim strategic workforce plan will be considered by Council in September 2023.
AGS 022 007	A communication plan will be developed to roll out across the Council in order to raise awareness of the new Strategic Workforce plan and underpinning workforce programme	31-Mar-2023	See AGS 021 009 above.
AGS 022 008	Workforce Planning events will be undertaken within each Directorate and the outputs of these will inform the overall Strategic Plan	31-Mar-2023	Service working planning workshops have taken place over 2022 and 2023. All directorates plan to put these to Council for consideration in autumn 2023.

Code	Description	Carried forward from	Latest Note
AGS 022 009	Focused SLF sessions regarding good corporate governance e.g. procurement, financial regulations, Legal, HR processes	31-Mar-2023	SLF forward plan now in place, with governance session being planned and deployed. For example, information security and governance training and health and safety training has been provided for all senior managers.
AGS 022 010	Continue to develop approaches to engaging 'hard to reach groups', both through training and development provision, career progression, and ongoing engagement with the Council	31-Mar-2023	The Workforce Development & Learning team continue to develop 'offline' approaches for learning programmes such as mandatory training in order to address hard to reach groups. Further work to be defined within the Interim Workforce Plan.
AGS 022 011	Implement and track progress with the outputs of the Trueman Change Capacity and Skills Audit, ensuring that recommendations where applicable are included within the Strategic Workforce Plan 2022-25	31-Mar-2023	Recommendations will be incorporated into the Interim Workforce Plan for 2023-25 scheduled to be considered by Council in September 2023.
AGS 022 012	Financial reconciliations will be completed more regularly, with review and evidencing of reconciliations strengthened	31-Mar-2023	In progress throughout 2022/23.
AGS 022 013	A schedule for reviewing access to core systems will be introduced	31-Mar-2023	Planned for 2023/24
GS 022 014	Training in combating fraud and corruption for Directors, Senior Managers and other key officers will be rolled out	31-Mar-2023	Planned for 2023/24 following Council approval of revised Whistleblowing policy.
AGS 022 015	A new Whistleblowing Policy will be introduced	31-Mar-2023	Policy has been refreshed following a review of practice elsewhere, due to be considered by Council in October 2023.
AGS 023 001	Complete the review of the social media policy and guidelines.	31-Mar-2024	Following approval of the Corporate Communications Strategy, Customer Charter and Unacceptable Behaviour Policy, a review of the Council's Social Media Policy and Guidelines will be undertaken. This is included in the improvement plan below.

Remuneration Report

General

Elements of the remuneration report are subject to audit, throughout the report the relevant sections have been noted as audited where applicable. The other sections of the Remuneration Report have been reviewed by the External Auditors as detailed in the Independent Auditor's Report. The results presented in the tables comprising Clackmannanshire Council's Remuneration Report for 2023/24 reflect the following contextual factors:

Pay award as follows;

- For employees paid the Scottish Local Government Living Wage and national Spinal Column Points (SCP) 19 to 23: an increase in the hourly rate of £1.04. For employees paid at national SCP 24-43 a £1.00 uplift in hourly rate, or a 5% uplift followed by 2.5% uplift (both percentage uplifts effective from 1 April 2023) whichever is worth more. For employees paid at national SCP 44-64 a £1.00 uplift in hourly rate, or a 5% uplift followed by 1.5% uplift (both percentage uplifts effective from 1 April 2023) whichever is worth more. For employees paid at national SCP 65-123 a 5% uplift followed by 1% uplift (both effective from 1 April 2023).
- As at 31 March 2024 there were 7 Senior Councillors in post. The maximum allowed for Clackmannanshire Council is 8;
- The corporate management structure during the year was: Chief Executive, Strategic Director Place, Strategic Director People, Strategic Director Partnership & Performance and Strategic Director Transformation; and
- The committee structure includes the Audit & Scrutiny Committee aligning with the CIFPA guidance for Audit Committees in Local Authorities.

Remuneration Arrangements

Councillors

The remuneration of Councillors is regulated by the Local Government (Scotland) Act 2004 (Remuneration) and Regulations 2007 (SSI No. 2007/183), amended by SSI 2023/21. The Regulations provide for the grading of Councillors for the purposes of remuneration arrangements, as either the Leader of the Council, the Provost, Senior Councillors or Councillors. The Leader of the Council and the Provost cannot be the same person for the purposes of payment of remuneration. A Senior Councillor is a Councillor who holds a significant position of responsibility in the Council's political management structure.

When determining the level of remuneration for Councillors the Scottish Ministers consider the recommendations of the Scottish Local Authority Remuneration Committee (SLARC). SLARC is an advisory Non-Departmental Public Body set up in 2005 to advise Scottish Ministers on the remuneration, allowances and expenses incurred by local authority Councillors.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Remuneration Report

In line with the Regulations the following maximum salaries attributable are:

- Leader of the Council £33,503 (2022/23 £32,622);
- Civic Head (Provost) £25,128 (2022/23 £24,467) maximum remuneration is 75% of the sum payable to the leader, and
- Senior Councillors £22,613 (2022/23 £22,019).

The Regulations also set out that Clackmannanshire Council (Band A) is eligible to appoint a maximum of 8 Senior Councillors. Total remuneration available for Senior Councillors is based on a calculation detailed in Councillors' Remuneration Guidance. The total annual amount payable by the Council for remuneration to all its Senior Councillors shall not exceed £180,905 (2022/23 £176,150).

The remuneration paid to Senior Councillors in 2023/24 covering the year 1 April 2023 to 31 March 2024 totalled £158,342 (2022/23 £157,766). The net cost to Clackmannanshire Council in relation to Senior Councillors is £158,342 (2022/23 £157,271). This complies with current regulations.

The Regulations also permit the Council to pay contributions or other payments as required to the Local Government Pension Scheme in respect of those Councillors who elect to become members of the pension scheme.

The Scheme which encompasses the salaries of all elected members including the Leader, Provost and Senior Councillors was agreed at a meeting of the full Council on 21 June 2007, and details are available on the Council's website at: www.clacksweb.org.uk under 'Elected Members' Remuneration'.

Joint Boards

In addition to the Senior Councillors of the Council the Regulations also set out the remuneration payable to Councillors with the responsibility of a Convenor or a Vice-Convenor of a Joint Board. For Clackmannanshire, two joint boards exist; the Central Scotland Valuation Joint Board (CSVJB), and the Clackmannanshire and Stirling Integration Joint Board.

The regulations require the remuneration to be paid by the Council of which the Convenor or Vice-Convenor (as the case may be) is a member. The Council is also required to pay any related pension contributions arising from this appointment.

In 2022/23 Councillor Holden served as the Vice-Convenor of the CSVJB for part year but in 2023/24 there was no Councillor from Clackmannanshire in this role. Clackmannanshire Council made payments of £312 in 2022/23 to Councillor Holden for his role as the Vice-Convenor of the CSVJB. This amount is recovered in full from the CSVJB.

No Councillors undertook the roles of Convenor or Vice-Convenor of the Clackmannanshire and Stirling Integration Joint Board in 2022/23 or 2021/22 therefore no additional payments were made.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Remuneration Report

Senior Employees

The salary of senior employees is set by reference to national arrangements. The Scottish Joint Negotiating Committee (SJNC) for Local Authority Services sets the salaries for the Chief Executives of Scottish local authorities. Circular IR 11-23 sets the amount of salary for the Chief Executive of Clackmannanshire Council for the period April 2023 to March 2024. Senior employees do not receive any other benefits.

Disclosure of Remuneration for Relevant Persons

The following tables provide details of the remuneration paid to the Council's Senior Councillors and Senior Employees.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Remuneration Report

Notes

1. There were no Taxable Expenses or Benefits other than in cash paid to any of the Senior Councillors in 2023/24 or 2022/23.
2. During 2023/24 there were no changes to the political administration of the Council which has been led by the SNP from 9 March 2017 to present.
3. During 2022/23 there was a Local Election on 4th May 2022 which resulted in changes to the leadership and roles of the Council from 25th May 2022. From this date the new leader of the Council was confirmed as Ellen Forson and six new roles were introduced, including Convener of Council which will support the administrative arrangements for conducting the Council's business. The other new roles were; Spokesperson for Partnership, Third Sector and Digital Strategy, Spokesperson for Sport, Leisure and Active Living, Spokesperson for Environment and Net Zero, Spokesperson for Housing and Property and Chair of Audit and Scrutiny Committee.
4. Councillor Sharp received £753 remuneration from NHS Forth Valley for serving on the regional Health Board during 2022/23. This is paid directly by the NHS to each individual and are not included above.

Remuneration Paid to Councillors

Clackmannanshire Council currently has 18 Councillors in total who serve under the following structure as at 31 March 2024:

Leader of the Council	1
Provost/Civic Head	1
Senior Councillors	7
Councillors	9
Total Councillors	18

Councillors are no longer paid allowances; where a Councillor is entitled to a special responsibility payment, for example, for serving as a committee convener, this is reflected in the salary band applied. The Council paid the following salaries and expenses to all Councillors during the year:

Type of Remuneration (Audited)	2022/23	2023/24
	£	£
Salaries	385,017	397,898
Employer's NIC and Pension	111,156	114,007
Expenses	4,350	5,342
Total	500,523	517,247

The annual return of Councillors' salaries and expenses for 2023/24 is available for any member of the public to view at all Council libraries and public offices during normal working hours and is also available on the Council's web site: <https://www.clacks.gov.uk> under 'Remuneration to Elected members'.

Remuneration Report

1. The senior employees in the table include all those employees who have responsibility for management of the Council to the extent that the person has power to direct or control the major activities of the Council (including activities involving the expenditure of money) during the year to which the Report relates whether solely or collectively with other persons, or who hold a post that is politically restricted by reason of section 2(1) (a), (b) or (c) of the Local Government and Housing Act 1989.
2. Pay award as follows;
 For employees paid the Scottish Local Government Living Wage and national Spinal Column Points (SCP) 19 to 23: an increase in the hourly rate of £1.04. For employees paid at national SCP 24-43 a £1.00 uplift in hourly rate, or a 5% uplift followed by 2.5% uplift (both percentage uplifts effective from 1 April 2023) whichever is worth more. For employees paid at national SCP 44-64 a £1.00 uplift in hourly rate, or a 5% uplift followed by 1.5% uplift (both percentage uplifts effective from 1 April 2023) whichever is worth more. For employees paid at national SCP 65-123 a 5% uplift followed by 1% uplift (both effective from 1 April 2023).
3. The Chief Executive remuneration is in line with national agreement between Scottish Joint Negotiating Committee (SJNC) and Association of Local Authority Chief Executives (ALACE) includes a pay award of 6.05%, the annual salary is £123,932.
4. The table includes salaries paid by Scottish Care Inspectorate for the Chief Social Work Officer Sharon Robertson who was on secondment in 2022-23.
5. Total remuneration for senior employees' remuneration includes salary, fees and allowances. There was no bonuses, taxable expense, compensation for loss of office or benefits other than in cash paid to any of the Senior Employees in 2023/24 or 2022/23.

General Disclosure by Pay Band (Audited)

The number of employees, whose remuneration in the year was greater than or equal to £50,000 (grouped in rising bands of £5,000).

Remuneration Band	No of Employees 2022/23	No of Employees 2023/24
£50,000 - £54,999	68	71

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24 Remuneration Report

Pension Benefits

Pension Benefits for Councillors and Local Government employees are provided through the Local Government Pension Scheme (LGPS).

The LGPS in Scotland changed on 1 April 2015 to a Career Average Revalued Earnings (or CARE) scheme. In a CARE scheme the pensionable pay for each year of membership is used to calculate a pension amount for that particular year. The pension amount is increased (revalued) each year in line with inflation. These individual pension amounts are then added together to arrive at the total pension payable from the scheme. The LGPS is classed as a defined benefit scheme.

From 1 April 2015 Councillors and local government employees have been in the same pension scheme although there are some provisions of the LGPS 2015 that do not apply to Councillors. Councillors' pension benefits built up to 31 March 2015 are protected.

Local Government employee pensions to 31 March 2015 are protected and worked out on final pay when leaving. This means that pension benefits are based on the final year's pay and the number of years that person has been a member of the scheme to 31 March 2015. From 1 April 2015 the normal retirement age will be the same as an individual's state pension age with a minimum of age 65.

From 1 April 2015 contribution rates were:

Whole Time Pay 2023/24 (2022/23) For pay between:		Contribution rate 2023/24 (between %)	Contribution rate 2022/23 (between %)
£0	£26,044 (£23,676)	5.5	5.5
£26,045 (£23,677)	£33,887 (£30,765)	5.6 - 6.0	5.6 - 6.0
£33,888 (£30,766)	£42,550 (£38,635)	6.1 - 6.5	6.1 - 6.5
£42,551 (£38,636)	£60,005 (£54,488)	6.6 - 7.5	6.6 - 7.5
£60,006 (£54,489)	£67,601 (£61,386)	7.6 - 8.0	7.6 - 8.0
£67,602 (£61,387)	£90,516 (£82,194)	8.1 - 9.0	8.1 - 9.0
£90,517 (£82,195)	£136,935 (£124,346)	9.1 – 10.0	9.1 – 10.0
£136,936 (£124,347)	And above	10.1 & over	10.1 & over

*Source: Scottish Public Pensions Agency, Contributions.

If a person works part-time their contribution rate is worked out on their actual pensionable pay and matched to the appropriate band in the contribution table.

There is no automatic entitlement to a lump sum. Members may opt to give up (commute) pension for lump sum up to a limit set by the Finance Act 2004.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Remuneration Report

From 1 April 2015 the accrual rate guarantees an annual credit to members' Pension Accounts based on 1/49 of pensionable pay received in that scheme year. In those cases where members have transferred pension entitlements from previous employments, the pension figures shown relate to the benefits that the person has accrued as a consequence of their total government service, and not just their current appointment.

The pension entitlements for Senior Councillors who have elected to join the pension scheme for the year ended 31 March 2024 are shown in the table below, together with the contribution made by the Council to each Senior Councillors' pension during the year.

Remuneration Report

2. Where employees have joined the Council and transferred previous employment pension benefits into the Falkirk Pension Fund, the pension figures shown relate to the benefits that the person has accrued as consequence of their total local government service and not just their current employment.

Termination Benefits (Audited)

Termination benefits are amounts payable as a result of a decision by the Council to terminate an officer's employment before the normal retirement date or an officer's decision committing to the termination of employment of the offer to an officer or to a group of officers to encourage voluntary redundancy.

A number of employees left the Council through voluntary redundancy and voluntary severance during 2022/23 and 2023/24. The number of employees and costs of exit packages per pay band is shown in the table below.

Disclosed costs include, where applicable: redundancy and pension costs in relation to lump sum, strain payments and capitalised added years. Any early terminations which might arise on the grounds of health or dismissal fall outside the regulatory disclosure requirement and would not be disclosed.

Cost Bands	Total Number of exit packages by Cost band		Total Cost of exit packages by Cost band	
	2022/23	2023/24	2022/23 £	2023/24 £
£0 - £20,000	1	7	1,713	51,708
£20,001 - £40,000	1	-	27,374	-

Deloitte LLP

CLACKMANNANSHIRE COUNCIL ANNUAL ACCOUNTS 2023/24

Comprehensive Income & Expenditure Statement For the year ended 31 March 2024

This statement shows the accounting cost in the year of providing services in accordance with proper accounting practices rather than the amount to be funded from taxation. These practices primarily comprise the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 supported by International Financial Reporting Standards (IFRS) and statutory guidance issued under section 12 of the 2003 Act. Councils raise taxation to cover expenditure in accordance with regulations, this may be different from the accounting cost. The taxation position is shown in the Movement in Reserves Statement.

2022/23			Note	2023/24		
Gross Expenditure	Gross Income	Net Expenditure /(Income)		Gross Expenditure	Gross Income	Net Expenditure /(Income)

		(131,048)	24			16,266
		(135,913)				21,737
		(112,278)				28,798

The Council acted as an agent on behalf of the Scottish Government in the administration of grants to business and individuals during the Covid-19 pandemic and the Cost of Living Crisis. There were no such payments in 2023/24. In 2022/23 there were £1.091m of expenditure and income which is not shown within the Comprehensive Income and Expenditure Statement above.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24

Movement in Reserves Statement

This statement shows the movement in the year on the different reserves held by the Council, analysed into 'usable reserves' (i.e. those that can be applied to fund expenditure or reduce local taxation) and unusable reserves. The Surplus or (Deficit) on the Provision of Services line shows the true economic cost of providing the Council's services, more details of which are shown in the Comprehensive Income and Expenditure Statement.

This is different from the statutory amounts required to be charged to the General Fund Reserve and the Housing Revenue Account for council tax setting and dwellings rent setting purposes. The Net Increase/Decrease, before Transfers to Earmarked Reserves line, shows the statutory General Fund Balance and Housing Revenue Account Balance, before any discretionary transfers to/ from earmarked reserves, undertaken by the Council.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Balance Sheet as at 31 March 2024

The Balance sheet shows the value as at the Balance Sheet date of the assets and liabilities recognised by the Council. The net assets of the Council (assets less liabilities) are matched by the reserves held by the Council. Reserves are reported in two categories. The first category of reserves are usable reserves i.e. those reserves that the Council may use to provide services, subject to the need to maintain a prudent level of reserves and any statutory limitations on their use. The second category of reserves is those that the Council is not able to use to provide services. This category of reserves includes reserves that hold unrealised gains and losses (for example the Revaluation Reserve), where amounts would only become available to provide services if the assets are sold; and reserves that hold timing differences shown in the Movement of Reserves Statement line 'Adjustments between accounting basis and funding basis under regulations'.

Chief Finance Officer

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Council and Group
Cash Flow Statement
For the year ended 31 March 2024

The Cash Flow Statement shows the changes in cash and cash equivalents of the Council during the reporting period. The statement shows how the Council generates and uses cash and cash equivalents by classifying cash flows as operating, investing and financing activities. The amount of net cash flows arising from operating activities is a key indicator of the extent to which the operations of the Council are funded by way of taxation and grant income or from the recipients of services provided by the Council. Investing activities represent the extent of which cash outflows have been made for resources which are intended to contribute to the Council's future service delivery. Cash flows arising from financing activities are useful in predicting claims on future cash flows by providers of capital (i.e. borrowing) to the Council. As the impact of the consolidation on the Councils' Cash Flow Statement is immaterial, this statement covers both Council only and Group disclosure requirements.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 1 - Accounting Policies**a) General Principles**

The Annual Accounts summarises the Council's transactions for the 2023/24 financial year and its position at the year-end of 31 March 2024. The Council is required to prepare an annual Statement of Accounts by the Local Authority Accounts (Scotland) Regulations 2014, which Section 12 of the Local Government in Scotland Act 2003 require to be prepared in accordance with proper accounting practices. These practices primarily comprise the Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 supported by International Financial Reporting Standards (IFRS) and statutory guidance issued under section 12 of the 2003 Act. In line with the code of practice the accounts have been prepared on a going concern basis of accounting.

The accounting convention adopted in the Annual Accounts is principally historical cost, modified by the revaluation of certain categories of non-current assets. The accounting policies have been applied consistently in the current and prior years.

b) Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Revenue from contracts with service recipients, whether for the provision of services or the sale of goods, is recognised when the goods or services are transferred to the service recipient in accordance with the performance obligations in the contract;
- Revenue from Council Tax and Non Domestic Rates is recognised when it is probable that the economic benefits or service potential associated with the transaction will flow to the Council and the amount of revenue can be measured reliably. Revenue is measured at the full amount receivable (net of any impairment losses) as they are non-contractual, non-exchange transactions and there can be no difference between the delivery and payment dates;
- Supplies are recorded as expenditure when they are consumed – where there is a gap between the date supplies are received and their consumption, they are carried as inventories on the Balance Sheet;
- Expenses in relation to services received (including those rendered by employees) are recorded as expenditure when the services are received rather than when payments are made;
- Interest receivable on investments and payable on borrowings is accounted for respectively as income and expenditure on the basis of the effective interest rate for the relevant financial instrument rather than the cash flows fixed or determined by the contract, and
- Where revenue and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the Balance Sheet. Where debts may not be settled, the balance of debtors is written down and a charge made to revenue for the income that might not be collected.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

c) Cash and Cash Equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in three months or less from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

In the Cash Flow Statement, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the Council's cash management.

d) Prior Period Adjustments, Changes in Accounting Policies and Estimates and Errors

Prior period adjustments may arise as a result of a change in accounting policies or to correct a material error. Changes in accounting estimates are accounted for prospectively, i.e. in the current and future years affected by the change and do not give rise to a prior period adjustment.

Changes in accounting policies are only made when required by proper accounting practices or the change provides more reliable or relevant information about the effect of transactions, other events and conditions on the Council's financial position or financial performance. Where a change is made, it is applied retrospectively by adjusting opening balances and comparative amounts for the prior period as if the new policy had always been applied.

Material errors discovered in prior period figures are corrected retrospectively by amending opening balances and comparative amounts for the prior year.

e) Charges to Revenue for Non-Current Assets

Services are debited with the following amounts to record the cost of holding non-current assets during the year:

- depreciation attributable to the assets used by the relevant service;
- revaluation and impairment losses on assets used by the service where there are no accumulated gains in the Revaluation Reserve against which the losses can be written off; and
- amortisation of intangible fixed assets attributable to the service.

The Council is not required to raise council tax to cover depreciation, revaluation and impairment losses or amortisation. However, it is required to make an annual contribution from revenue towards the reduction in its overall borrowing requirement equal to loans fund principal charges. Depreciation, revaluation and impairment losses and amortisation are therefore replaced by loans fund principal charges in the General Fund Balance by way of adjusting transactions with the Revaluation Reserve and Capital Adjustment Account in the Movement in Reserves Statement for the difference between the two.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

f) Employee Benefits Payable During Employment

Short-term employee benefits such as salaries, wages, overtime and paid annual leave for current employees are recognised as an expense in the year in which employees render service to the Council. An accrual is made for the cost of holiday entitlements or any form of leave earned by employees but not taken before the year-end and which employees can carry forward into the next financial year.

g) Termination and Post Employment Benefits

Termination benefits are amounts payable as a result of a decision by the Council to terminate an officer's employment before the normal retirement date or an officer's decision to accept voluntary redundancy or severance. These benefits are charged on an accruals basis to the appropriate service in the Comprehensive Income and Expenditure Statement when the Council is demonstrably committed to the termination of the employment of an officer or group of officers or making an offer to encourage voluntary redundancy or severance.

Where termination benefits involve the enhancement of pensions, statutory provisions require the General Fund balance to be charged with the amount payable by the Council to the pension fund or pensioner in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, appropriations are required to and from the Pensions Reserve to remove the notional debits and credits for pensions enhancement termination benefits and replace them with debits for the cash paid to the pension fund and pensioners and any such amounts payable but unpaid at the year-end.

Post Employment Benefits

Employees of the Council are members of two separate pension schemes:

- The Teachers' Pension Scheme administered by the Scottish Public Pension Agency; and
- The Local Government Pensions Scheme administered by Falkirk Council.

Both schemes provided defined benefits to members (retirement lump sums and pensions), earned as employees worked for the Council.

However, the arrangements for the Teachers' Scheme mean that liabilities for these benefits cannot ordinarily be identified specifically to the Council. The scheme is therefore accounted for as a defined contributions scheme and no liability for future payments of benefits is recognised in the Balance Sheet. The Education Service line in the Comprehensive Income and Expenditure Statement is charged with the employer's contributions payable to Teachers' Pensions in the year.

The Local Government Pension Scheme

The Local Government Scheme is accounted for as a defined benefits scheme:

The liabilities of the Falkirk Pension Fund attributable to the Council are included in the Balance Sheet on an actuarial basis using the projected unit method – i.e. an assessment of the future payments that will be made in relation to retirement benefits earned to date by employees, based on assumptions about mortality rates, employee turnover rates, etc. and projections of projected earnings for current employees. Liabilities are discounted to their value at current prices, using a discount rate utilised by the actuaries to place a value on the liability.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The assets of the Falkirk Pension Fund attributable to the Council are included in the Balance Sheet at their fair value at current bid prices for securities, estimated fair value for unquoted securities and market price for property.

The change in the net pension's liability is analysed into seven components:

- current service cost – the increase in liabilities as a result of years of service earned this year – allocated in the Comprehensive Income and Expenditure Statement to the services for which the employees worked;
- past service cost – the increase in liabilities arising from current year decisions whose effect relates to years of service earned in earlier years – debited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement as part of Non Distributed Costs;
- interest cost – the expected increase in the present value of liabilities during the year as they move one year closer to being paid – debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement;
- expected return on assets – the annual investment return on the fund assets attributable to the Council, based on an average of the expected long-term return – credited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement;
- gains or losses on settlements and curtailments – the result of actions to relieve the Council of liabilities or events that reduce the expected future service or accrual of benefits of employees – debited or credited to the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement as part of Non Distributed Costs;
- actuarial gains and losses – changes in the net pensions liability that arise because events have not coincided with assumptions made at the last actuarial valuation or because the actuaries have updated their assumptions – debited/credited to Other Comprehensive Income and Expenditure; and
- contributions paid to the Falkirk Pension Fund – cash paid as employers' contributions to the pension fund in settlement of liabilities; not accounted for as an expense.

In relation to retirement benefits, Scottish Government Regulations require the General Fund balance to be charged with the amount payable by the Council to the Pension Fund or directly to pensioners in the year, not the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, there are appropriations to and from the Pensions Reserve to remove the notional debits and credits for retirement benefits and replace them with debits for the cash paid to the Pension Fund and pensioners and any such amounts payable but unpaid at the year-end.

Discretionary Benefits

The Council also has restricted powers to make discretionary awards of retirement benefits in the event of early voluntary severance. Any liabilities estimated to arise as a result of an award to any member of staff (including teachers) are accrued in the year of the decision to make the award and accounted for using the same policies as are applied to the Local Government Pension Scheme.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

h) Events after the Reporting Period

Events after the Balance Sheet date are those events, both favourable and unfavourable, that occur between the end of the reporting period and the date when the Annual Accounts are authorised for issue. Two types of events can be identified:

- those that provide evidence of conditions that existed at the end of the reporting period - the Annual accounts are adjusted to reflect such events; and
- those that are indicative of conditions that arose after the reporting period – the Annual Accounts are not adjusted to reflect such events, but where a category of events would have a material effect, disclosure is made in the notes of the nature of the events and their estimated financial effect.

Events taking place after the date of authorisation for issue are not reflected in the Statement of Accounts.

i) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset to one entity and a financial liability or equity instrument to another entity.

Financial Liabilities

Financial liabilities are recognised on the Balance Sheet when the Council becomes a party to the contractual provisions of a financial instrument and are initially measured at fair value. They are subsequently carried at their amortised cost. Annual charges to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement for interest payable are based on the carrying amount of the liability, multiplied by the effective rate of interest for the instrument. The effective interest rate is the rate that exactly discounts estimated future cash payments over the life of the instrument to the amount at which it was originally recognised.

For most of the borrowings that the Council has, this means that the amount presented in the Balance Sheet is the outstanding principal repayable (plus accrued interest); and interest charged to the Comprehensive Income and Expenditure Statement is the amount payable for the year according to the loan agreement.

Gains and losses on the repurchase or early settlement of borrowing are credited and debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement in the year of repurchase/settlement. However, where repurchase has taken place as part of a restructuring of the loan portfolio that involves the modification or exchange of existing instruments, the premium or discount is respectively deducted from or added to the amortised cost of the new or modified loan and the write-down to the Comprehensive Income and Expenditure Statement is spread over the life of the loan by an adjustment to the effective interest rate.

Where premiums and discounts have been charged to the Comprehensive Income and Expenditure Statement, Scottish Government regulations permit the costs of restructuring to be released to revenue over the period of the replacement loan. The reconciliation of amounts charged to the Comprehensive Income and Expenditure Statement to the net charge required against the General Fund Balance is managed by a transfer to or from the Financial Instruments Adjustment Account in the Movement in Reserves Statement.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Financial Assets

Financial assets are classified based on a classification and measurement approach that reflects the business model for holding the financial assets and their cashflow characteristics. There are three main classes of financial asset measured at:

- Amortised cost
- Fair value through profit or loss (FVPL), and
- Fair value through other comprehensive income (FVOCI)

The Council's business model is to hold investments to collect contractual cash flows. Financial assets are therefore classified as amortised cost, except for those whose contractual payments are not solely payment of principal and interest (i.e. where the cash flows do not take the form of a basic debt instrument).

The Council does not hold financial assets measured at fair value through profit or loss (FVPL) or financial assets measured fair value through other comprehensive income (FVOCI).

Financial Assets Measured at Amortised Cost

Financial assets are recognised on the Balance Sheet when the Council becomes a party to the contractual provisions of a financial instrument and are initially measured at fair value. They are subsequently measured at their amortised cost. Annual credits to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement for interest receivable are based on the carrying amount of the asset multiplied by the effective rate of interest for the instrument. For most of the loans that the Council has made, this means that the amount presented in the Balance Sheet is the outstanding principal receivable (plus accrued interest) and interest credited to the Comprehensive Income and Expenditure Statement is the amount receivable for the year in the loan agreement.

Any gains and losses that arise on the de-recognition of an asset are credited or debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement.

Expected Credit Loss Model

The Council recognises expected credit losses on all of its financial assets held at amortised cost, either on a 12-month or lifetime basis. The expected credit loss model also applies to lease receivables and contract assets. Only lifetime losses are recognised for Short-Term Debtors held by the Council.

Impairment losses are calculated to reflect the expectation that the future cash flows might not take place because the borrower could default on their obligations. Credit risk plays a crucial part in assessing losses. Where risk has increased significantly since an instrument was initially recognised, losses are assessed on a lifetime basis. Where risk has not increased significantly or remains low, losses are assessed on the basis of 12-month expected losses.

j) Government Grants and Contributions

Whether paid on account, by instalments or in arrears, government grants and third party contributions and donations are recognised as due to the Council when there is reasonable assurance that:

- the Council will comply with the conditions attached to the payments; and
- the grants or contributions will be received.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Amounts recognised as due to the Council are not credited to the Comprehensive Income and Expenditure Account until conditions attached to the grant or contribution have been satisfied. Conditions are stipulations that specify that the future economic benefits or service potential embodied in the asset in the form of the grant or contribution are required to be consumed by the recipient as specified or future economic benefits or service potential must be returned to the transferor.

Monies advanced as grants and contributions for which conditions have not been satisfied are carried in the Balance Sheet as creditors. When conditions are satisfied, the grant or contribution is credited to the relevant service line (attributable revenue grants and contributions) or Taxation and Non-Specific Grant Income (non-ring-fenced revenue grants and all capital grants) in the Comprehensive Income and Expenditure Statement.

Where capital grants are credited to the Comprehensive Income and Expenditure Statement, they are reversed out of the General Fund Balance in the Movement in Reserves Statement. Where the grant has yet to be used to finance capital expenditure, it is posted to the Capital Grants & Receipts Unapplied reserve. Where it has been applied, it is posted to the Capital Adjustment Account. Amounts in the Capital Grants & Receipts Unapplied reserve are transferred to the Capital Adjustment Account once they have been applied to fund capital expenditure.

Business Improvement Districts

Two Business Improvement District (BID) schemes apply in Alloa Town Centre and Business Parks respectively within the Council. The schemes are funded by a BID levy paid by non-domestic ratepayers. The Council operates as an agent on behalf of the BID bodies and as a consequence the income and expenditure is not shown in the Comprehensive Income and Expenditure Statement.

k) Heritage Assets

Heritage Assets are assets with historical, artistic, scientific, technological, geophysical or environmental qualities that are maintained principally for their contribution to knowledge and culture.

Wherever possible heritage assets are recognised and measured (including the treatment of revaluation gains and losses) in accordance with the Council's accounting policies on property, plant and equipment. Heritage assets are complex and difficult to value and obtain in a cost effect manner. In circumstances where values cannot be obtained, either due to the nature of the assets or the prohibitive cost of obtaining a valuation, the regulations under which these accounts are prepared permit the Council not to recognise the assets on the face of the Balance Sheet. The Council is required however to disclose full details of any assets treated in this manner in a note to the Financial Statements. The Council's collections of heritage assets are accounted for as follows:

Recognised in Balance Sheet at Valuation

- Art Collections
- Public Art statues
- Civic Regalia
- Museum Collections (including equipment & ephemera)
- Commemorative Room

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Not recognised in Balance Sheet

- War Memorials
- Glassworks & Mosaics
- Listed Building

An impairment review of heritage assets is carried out whenever there is evidence of physical deterioration with the carrying value of the asset and any associated reserve being adjusted as necessary. Heritage assets are not subject to depreciation.

l) Intangible Assets

Expenditure on non-monetary assets that do not have physical substance but are controlled by the Council as a result of past events (e.g. software licences) is capitalised when it is expected that future economic benefits or service potential will flow from the intangible asset to the Council.

Internally generated assets are capitalised where it is demonstrable that the project is technically feasible and is intended to be completed (with adequate resources being available) and the Council will be able to generate future economic benefits or deliver service potential by being able to sell or use the asset. Expenditure is capitalised where it can be measured reliably as attributable to the asset and restricted to that incurred during the development phase (research expenditure cannot be capitalised).

Expenditure on the development of websites is not capitalised if the website is solely or primarily intended to promote or advertise the Council's goods or services.

Intangible assets are measured initially at cost. Amounts are only revalued where the fair value of the assets held by the Council can be determined by reference to an active market. In practice, no intangible asset held by the Council meets this criterion, and they are therefore carried at cost less amortisation and any provision for impairment. The depreciable amount of an intangible asset is amortised over its useful life to the relevant service line(s) in the Comprehensive Income and Expenditure Statement. An asset is tested for impairment whenever there is an indication that the asset might be impaired – any losses recognised are posted to the relevant service line(s) in the Comprehensive Income and Expenditure Statement. Any gain or loss arising on the disposal or abandonment of an intangible asset is posted to the Other Operating Expenditure line in the Comprehensive Income and Expenditure Statement.

Where expenditure on intangible assets qualifies as capital expenditure for statutory purposes, amortisation, impairment losses and disposal gains and losses are not permitted to have an impact on the General Fund Balance. The gains and losses are therefore reversed out of the General Fund Balance in the Movement in Reserves Statement and posted to the Capital Adjustment Account and any sale proceeds posted to the Capital Receipts Reserve.

m) Interests in Companies and Other Entities

The Council has material interests in companies and other entities that have the nature of associates and jointly controlled entities. In the Council's own single-entity accounts, the interests in companies and other entities are recorded as financial assets at cost, less any provision for impairment.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

n) Inventories

Inventories are included in the Balance Sheet at the lower of cost and net realisable value.

o) Investment Properties

Investment properties are those that are used solely to earn rentals and/or for capital appreciation. The definition is not met if the property is used in any way to facilitate the delivery of services or production of goods.

Investment properties are measured initially at cost and subsequently at fair value, based on the amount at which the asset could be exchanged between knowledgeable parties at arm's-length. Properties are not depreciated but are reviewed annually according to market conditions at the year-end. The review is not a full revaluation but a Desk Valuation Impairment Review of a sample investment properties for the 2022/23 financial statements. The assets were selected as a typical representative of a group of similar properties and the revaluation gains and losses flowing from these revaluations were extrapolated to the group of properties and accounted for in 2022/23. Gains and losses on revaluation are posted to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement. The same treatment is applied to gains and losses on disposal.

Rentals received in relation to investment properties are credited to the Financing and Investment Income line and result in a gain for the General Fund Balance. However, revaluation and disposal gains and losses are not permitted by statutory arrangements to have an impact on the General Fund Balance. The gains and losses are therefore reversed out of the General Fund Balance in the Movement in Reserves Statement and posted to the Capital Adjustment Account with any sale proceeds posted to the Capital Receipts Reserve.

p) Property, Plant and Equipment

Assets that have physical substance and are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes and that are expected to be used during more than one financial year are classified as Property, Plant and Equipment.

Recognition

Expenditure on the acquisition, creation or enhancement of Property, Plant and Equipment is capitalised on an accruals basis, provided that it is probable that the future economic benefits or service potential associated with the item will flow to the Council and the cost of the item can be measured reliably. Expenditure that maintains but does not add to an asset's potential to deliver future economic benefits or service potential (i.e. repairs and maintenance) is charged as an expense when it is incurred.

Measurement

The Council adopted IFRS13 - Fair Value Measurement, which provides a common definition of fair values, taking into account the characteristics of the assets or liabilities which would be considered by market participants in determining the price of the asset or liability. This standard would apply to all property, plant and equipment assets, however, as the purpose of a local authority acquiring and holding an asset is to deliver services it is the service potential which is the primary concern. On this basis the Code has adapted IAS16 - Property Plant and Equipment and requires that the definition of current value of operational local authority

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

property, plant and equipment assets is measured for their service potential and not fair value.

Non operational property, plant and equipment (i.e. surplus assets) require to be measured at the lower of cost and net realisable value.

Assets are initially measured at cost, comprising:

- the purchase price; and
- costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The Council does not capitalise borrowing costs incurred whilst assets are under construction. The cost of assets acquired other than by purchase is deemed to be its fair value, unless the acquisition does not lead to a variation in the cash flows of the Council. In the latter case, the cost of the acquisition is the carrying amount of the asset given up by the Council.

Assets are carried in the Balance Sheet using the following measurement bases:

- infrastructure, community assets and assets under construction – depreciated historical cost;
- dwellings – fair value, determined using the basis of existing use value for social housing (EUV-SH);
- surplus assets – lower of cost and net realisable value; and
- all other assets – fair value, determined by the amount that would be paid for the asset in its existing use (existing use value – EUV).

Where there is no market-based evidence of fair value because of the specialist nature of an asset, depreciated replacement cost (DRC) is used as an estimate of fair value.

Where non-property assets that have short useful lives or low values (or both), depreciated historical cost basis is used as a proxy for fair value.

The Council undertakes a full revaluation review of all non current assets every five years. The last review was at 1 April 2019. A sample of non-HRA assets are reviewed annually to ensure that their carrying amount is not materially different from their fair value at the year-end. The exercise was not a full revaluation but a Desk Valuation Impairment Review of a sample of education and non-operational properties for the 2022/23 financial statements. The assets were selected as a typical representative of a group of similar assets and the revaluation gains and losses flowing from these revaluations were extrapolated to the group of assets and accounted for in 2022/23. HRA assets are not reviewed between the five yearly valuations. Increases in valuations are matched by credits to the Revaluation Reserve to recognise unrealised gains, or credited to the Comprehensive Income and Expenditure Statement where they arise as a reversal of a revaluation loss previously charged to a service.

Where decreases in value are identified, the revaluation loss is accounted for by:

- where there is a balance of revaluation gains for the asset in the Revaluation Reserve, the carrying amount of the asset is written down against that balance (up to the amount of the accumulated gains); and
- where there is no balance in the Revaluation Reserve or insufficient balance, the carrying amount of the asset is written down against the relevant service line(s) in the Comprehensive Income and Expenditure Statement.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The Revaluation Reserve contains revaluation gains recognised since 1 April 2007 only, the date of its formal implementation. Gains arising before that date have been consolidated into the Capital Adjustment Account.

Impairment

Assets are assessed at each year-end as to whether there is any indication that an asset may be impaired. Where indications exist and any possible differences are estimated to be material, the recoverable amount of the asset is estimated and, where this is less than the carrying amount of the asset, an impairment loss is recognised for the shortfall.

Where impairment losses are identified, they are accounted for by:

- where there is a balance of revaluation gains for the asset in the Revaluation Reserve, the carrying amount of the asset is written down against that balance (up to the amount of the accumulated gains); and
- where there is no balance in the Revaluation Reserve or insufficient balance, the carrying amount of the asset is written down against the relevant service line(s) in the Comprehensive Income and Expenditure Statement.

Where an impairment loss is reversed subsequently, the reversal is credited to the relevant service line(s) in the Comprehensive Income and Expenditure Statement, up to the amount of the original loss, adjusted for depreciation that would have been charged if the loss had not been recognised.

Depreciation

Depreciation is provided for on all Property, Plant and Equipment assets by the systematic allocation of their depreciable amounts over their useful lives. An exception is made for assets without a determinable finite useful life (i.e. freehold land) and assets that are not yet available for use (i.e. assets under construction).

Depreciation is calculated on the following bases:

- dwellings and other buildings – straight-line allocation over the useful life of the property as estimated by the valuer (up to 70 years);
- vehicles, plant, furniture and equipment – a percentage of the value of each class of assets in the Balance Sheet, as advised by a suitably qualified officer (i.e. up to 15 years);
- infrastructure – straight-line allocation over 60 years; and
- depreciation is not charged in year of purchase, but a full year charge is made in year of sale.

Revaluation gains are also depreciated, with an amount equal to the difference between current value depreciation charged on assets and the depreciation that would have been chargeable based on their historical cost being transferred each year from the Revaluation Reserve to the General Fund.

Componentisation

Components of Property, Plant & Equipment (PPE) assets do not always have the same useful lives and may depreciate or wear out at different rates throughout their life. It is therefore appropriate to depreciate each significant component separately over its useful life, in order that the Comprehensive Income and Expenditure Statement is fairly charged with the

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

consumption of economic benefits of those assets.

Significant components are deemed to be those whose cost is 25% or more of the total cost of the individual asset. In accordance with the Council's approved policy, an individual asset is considered to be material if its carrying value is 5% or more of the cumulative carrying value (net book value) of the non-land element of PPE and Investment Properties. Any individual asset below this de-minimis will be disregarded for component accounting on the basis that any adjustment to depreciation charges would not be material.

Disposals

When it becomes probable that the carrying amount of an asset will be recovered principally through a sale transaction rather than through its continuing use, it is reclassified as an Asset Held for Sale. The asset is revalued immediately before reclassification and then carried at the lower of this amount and fair value less costs to sell. Where there is a subsequent decrease to fair value less costs to sell, the loss is posted to the Other Operating Expenditure line in the Comprehensive Income and Expenditure Statement. Gains in fair value are recognised only up to the amount of any previous losses recognised in the Surplus or Deficit on Provision of Services. Depreciation is not charged on Assets Held for Sale.

If assets no longer meet the criteria to be classified as Assets Held for Sale, they are reclassified back to long-term assets and valued at the lower of their carrying amount before they were classified as held for sale; adjusted for depreciation, amortisation or revaluations that would have been recognised had they not been classified as Held for Sale, and their recoverable amount at the date of the decision not to sell.

Assets that are to be abandoned or scrapped are not reclassified as Assets Held for Sale.

When an asset is disposed of or decommissioned, the carrying amount of the asset in the Balance Sheet (whether Property, Plant and Equipment or Assets Held for Sale) is written off to the Other Operating Expenditure line in the Comprehensive Income and Expenditure Statement as part of the gain or loss on disposal. Receipts from disposals (if any) are credited to the same line in the Comprehensive Income and Expenditure Statement also as part of the gain or loss on disposal (i.e. netted off against the carrying value of the asset at the time of disposal). Any revaluation gains accumulated for the asset in the Revaluation Reserve are transferred to the Capital Adjustment Account.

Amounts received for a disposal are categorised as capital receipts and required to be credited to the Capital Receipts Reserve, and can then only be used for new capital investment or to reduce the Council's underlying need to borrow (the capital financing requirement). Receipts are appropriated to the Reserve from the General Fund Balance in the Movement in Reserves Statement.

The written-off value of disposals is not a charge against council tax, as the cost of fixed assets is fully provided for under separate arrangements for capital financing. Amounts are appropriated to the Capital Adjustment Account from the General Fund Balance in the Movement in Reserves Statement.

q) Private Finance Initiative (PFI) and Similar Contracts

PFI and similar contracts are agreements to receive services, where the responsibility for making available the property, plant and equipment needed to provide the services passes to the PFI contractor. As the Council is deemed to control the services that are provided under its

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

PFI schemes and as ownership of the property, plant and equipment will pass to the Council at the end of the contracts for no additional charge, the Council carries the assets used under the contracts on its Balance Sheet as part of Property, Plant and Equipment.

The original recognition of these assets at fair value (based on the cost to purchase the property, plant and equipment) was balanced by the recognition of a liability for amounts due to the scheme operator to pay for the capital investment. For the Secondary Schools scheme the liability was written down by an initial capital contribution of £16.35m.

Non current assets recognised on the Balance Sheet are revalued and depreciated in the same way as property, plant and equipment owned by the Council.

The amounts payable to the PFI operators each year are analysed into five elements:

- fair value of the services received during the year – debited to the relevant service in the Comprehensive Income and Expenditure Statement;
- finance cost – an interest charge of 7.59% on the outstanding Balance Sheet liability, debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement;
- contingent rent – increases in the amount to be paid for the property arising during the contract, debited to the Financing and Investment Income and Expenditure line in the Comprehensive Income and Expenditure Statement;
- payment towards liability – applied to write down the Balance Sheet liability towards the PFI operator (the profile of write-downs is calculated using the same principles as for a finance lease); and
- lifecycle replacement costs – proportion of the amounts payable is posted to the Balance Sheet as a prepayment and then recognised as additions to Property, Plant and Equipment when the relevant works are eventually carried out.

r) Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are made where an event has taken place that gives the Council a legal or constructive obligation where it is probable that settlement by a transfer of economic benefits or service potential will be required, and a reliable estimate can be made of the amount of the obligation. For instance, the Council may be involved in a court case that could eventually result in the making of a settlement or the payment of compensation.

Provisions are charged as an expense to the appropriate service line in the Comprehensive Income and Expenditure Statement in the year that the Council becomes aware of the obligation, and measured at the best estimate at the balance sheet date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Balance Sheet. Estimated settlements are reviewed at the end of each financial year – where it becomes less than probable that a transfer of economic benefits will now be required (or a lower settlement than anticipated is made), the provision is reversed and credited back to the relevant service.

Where some or all of the payment required to settle a provision is expected to be recovered from another party (e.g. from an insurance claim), this is only recognised as income for the relevant service if it is virtually certain that reimbursement will be received if the Council settles

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

the obligation.

Contingent Liabilities

A contingent liability arises where an event has taken place that gives the Council a possible obligation whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the Council. Contingent liabilities also arise in circumstances where a provision would otherwise be made but either it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured reliably.

Contingent liabilities are not recognised in the Balance Sheet but disclosed in a note to the Financial Statements.

Contingent Assets

A contingent asset arises where an event has taken place that gives the Council a possible asset whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the Council.

Contingent assets are not recognised in the Balance Sheet but disclosed in a note to the accounts where it is probable that there will be an inflow of economic benefits or service potential.

s) Reserves

Reserves are created by appropriating amounts out of the General Fund Balance in the Movement in Reserves Statement. When expenditure to be financed from a reserve is incurred, it is charged to the appropriate service in that year to score against the Surplus or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement. The reserve is then appropriated back into the General Fund Balance in the Movement in Reserves Statement so that there is no net charge against council tax for the expenditure.

Certain reserves are kept to manage the accounting processes for non-current assets, financial instruments, retirement & employee benefits and do not represent usable resources for the Council – these reserves are explained in the relevant notes below.

t) Revenue Expenditure Funded from Capital under Statute

Expenditure incurred during the year that may be capitalised under statutory but does not result in the creation of a non-current asset has been charged as expenditure to the relevant service in the Comprehensive Income and Expenditure Statement in the year. Where the Council has determined to meet the cost of this expenditure from existing capital resources or by borrowing, a transfer in the Movement in Reserves Statement from the General Fund Balance to the Capital Adjustment Account then reverses out the amounts charged so that there is no impact on the level of council tax.

u) VAT

VAT payable is included as an expense only to the extent that it is not recoverable from Her Majesty's Revenue and Customs. VAT receivable is excluded from income.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 2 - Changes to Accounting Standards

Accounting Standards Issued not yet Adopted

The Code requires the disclosure of information relating to the impact of an accounting change that will be required by a new standard that has been issued but not yet adopted.

The standards introduced by the 2024/25 Code where disclosures are required in the 2023/24 financial statements, in accordance with the requirements of paragraph 3.3.4.3 of the Code, are:

- IFRS 16 (Leases) - the impact in future years from the implementation of this standard is that the leased asset, along with the lease liability, will appear on the Council's balance sheet. The Council will adopt this standard in 2024/25 in line with the mandatory adoption deadline therefore there is no impact on the 2023/24 financial statements.
- Classification of Liabilities as Current or Non-current (Amendments to IAS 1) issued in January 2020. The amendments:
 - specify that an entity's right to defer settlement must exist at the end of the reporting period
 - clarify that classification is unaffected by management's intentions or expectations about whether the entity will exercise its right to defer settlement
 - clarify how lending conditions affect classification, and
 - clarify requirements for classifying liabilities an entity will or may settle by issuing its own equity instruments.
- Lease Liability in a Sale and Leaseback (Amendments to IFRS 16) issued in September 2022. The amendments to IFRS 16 add subsequent measurement requirements for sale and leaseback transactions.
- Non-current Liabilities with Covenants (Amendments to IAS 1) issued in October 2022. The amendments improved the information an entity provides when its right to defer settlement of a liability for at least 12 months is subject to compliance with covenants.
- International Tax Reform: Pillar Two Model Rules (Amendments to IAS 12) issued in May 2023. Pillar Two applies to multinational groups with a minimum level of turnover. The amendments introduced:
 - a temporary exception to the requirements to recognise and disclose information about deferred tax assets and liabilities related to Pillar Two income taxes, and
 - targeted disclosure requirements for affected entities.
- Supplier Finance Arrangements (Amendments to IAS 7 and IFRS 7) issued in May 2023. The amendments require an entity to provide additional disclosures about its supplier finance arrangements. The IASB developed the new requirements to provide users of financial statements with information to enable them to:
 - assess how supplier finance arrangements affect an entity's liabilities and cash flows, and
 - understand the effect of supplier finance arrangements on an entity's exposure to liquidity risk and how the entity might be affected if the arrangements were no longer available to it.

The Code requires implementation of these from 1 April 2024, therefore there is no impact on the 2023/24 financial statements. With the exception of IFRS16 Leases, these new or amended standards are not expected to have a material impact on the 2024/25 financial statements.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

IFRS16 - Leases was originally due for implementation on 1 April 2020 but has been deferred until 1 April 2024. Whilst the Code allows for adoption at an earlier date, Clackmannanshire Council has opted to wait for the implementation date.

Note 3 - Critical Judgements in Applying Accounting Policies

In applying the accounting policies set out in Note 1, the Council has had to make certain judgements about complex transactions or those involving uncertainty about future events. The critical judgements made in the Financial Statements are:

- There is a high degree of uncertainty about future levels of funding for local government. However, the Council has determined that this uncertainty is not yet sufficient to provide an indication that the assets of the Council might be impaired as a result of a need to close facilities and reduce levels of service provision:
- The Council is deemed to control the services provided under the PFI agreement for the provision of Secondary School establishments. The accounting policies for PFI schemes have been applied and the assets under the PFI contract are included within Property, Plant and Equipment on the Council's Balance Sheet: and
- The Council has considered relevant guidance and determined the accounting treatment, as either principal or agent, to be applied to Covid-19 related income, expenditure and balances.

Note 4 - Assumptions Made About the Future and Other Major Sources of Estimation Uncertainty

The Financial Statements contains estimated figures that are based on assumptions made by the Council about the future or that are otherwise uncertain. Estimates are made taking into account historical experience, current trends and other relevant factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

The items in the Council's Balance Sheet at 31 March 2024 for which there is a significant risk of material adjustment in the forthcoming financial year are as follows:

Item	Uncertainties	Effect if actual Results Differ from Assumptions
-------------	----------------------	---

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Item	Uncertainties	Effect if actual Results Differ from Assumptions
Property, Plant and Equipment	<p>Assets are depreciated over useful lives that are dependent on assumptions about the level of repairs and maintenance that will be incurred in relation to individual assets. The current economic climate makes it uncertain that the Council will be able to sustain its current spending on repairs and maintenance bringing into doubt the useful lives assigned to assets.</p> <p>Assets included in the balance sheet at fair value are reviewed on a five yearly cycle. An annual review of significant non-HRA assets is also carried out to ensure there is no material difference between the carrying amount from their fair value at year end.</p>	<p>If the useful life of assets is reduced depreciation increases and the carrying amount of the assets falls.</p> <p>It is estimated that the annual depreciation charge for buildings and Council houses would increase by £1.051m and £0.404m respectively for every year that useful lives had to be reduced.</p>
Arrears – Council Tax	<p>At 31 March 2024 the Council had Council Tax debt outstanding of £12.658m. A review of outstanding balances suggested that an allowance for doubtful debts of £9.515m was appropriate resulting in coverage of 75% for doubtful debts. However, in the current economic climate such an allowance might not be sufficient.</p>	<p>If collection rates were to deteriorate and the provision had to be increased, for every 5% increase in the provision then a further contribution of £0.612m would be required.</p>

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Pensions Asset/Liability	Estimates of the net asset or liability to pay pensions depends on a number of complex judgements relating to the discount rate used, the rate at which salaries are projected to increase changes in retirement ages, mortality rates and expected returns on pension fund assets. A firm of consulting actuaries is engaged to provide the Council with expert advice about the assumptions to be applied.	The effects on the employer liability of changes in individual assumptions can be measured. For instance a 0.1% decrease in the real discount rate would result in an increase of 2% equating to £7.014m.
Housing Rent Arrears	At 31 March 2024 the Council had Housing Rent Arrears of £2.400m. A review of outstanding balances suggested that an impairment for irrecoverable rents of £2.247m was appropriate resulting in a coverage of 94% for doubtful debts.	If collection rates were to deteriorate and the provision had to be increased, for every 5% increase in the provision then a further contribution of £0.152m would be required.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 5 – Events after the Reporting Period

The Draft Annual Accounts were authorised for issue by the Chief Finance Officer (Section 95 Officer) on 30 January 2025. Where events taking place before this date provided information about conditions existing at 31 March 2024, the figures in the Financial Statements and Notes have been adjusted in all material respects to reflect the impact of this information. Events taking place after this date are not reflected in the Financial Statements or Notes.

Note 6 – Expenditure and Funding Analysis

The Expenditure and Funding Analysis shows how the funding available to the Council for the year, from government grants, council tax and business rates, has been used in providing services in comparison with those resources consumed or earned by the Council in accordance with generally accepted accounting practices. Income and expenditure accounted for under generally accepted accounting practices is presented more fully in the Comprehensive Income and Expenditure Statement on page 65. The Adjustments between Funding and Accounting basis is shown more fully in Note 7 on page 96.

The table below shows the analysis for the management structure of the Council:

(Surplus)/Deficit	5,973	13,040	(181)	18,832

Adjustments for capital purposes include the replacement of depreciation and revaluation losses with repayment of borrowing to the Loans Fund and direct revenue funding of capital expenditure.

Net changes for pensions adjustments relate to the adjustment made for the removal of IAS19 Employee Benefits pension related expenditure and income with the pension contributions.

Other adjustments include the reversal of the value of entitlement to accrued leave and the timing differences for premiums and discounts associated with borrowing within the Loans Fund.

Note 7 – Adjustments between Accounting Basis and Funding Basis under Regulations

This note details the adjustments that are made to the Total Comprehensive Income and Expenditure recognised by the Council in the year in accordance with proper accounting practice to the resources that are specified by statutory provisions as being available to the Council to meet future capital and revenue expenditure.

The following sets out a description of the reserves that the adjustments are made against:

General Fund Balance

The General Fund is the statutory fund into which all the receipts of the Council are required to be paid and out of which all liabilities of the Council are to be met, except to the extent that statutory rules might provide otherwise. These rules can also specify the financial year in which liabilities and payments should impact on the General Fund Balance, which is not necessarily in accordance with proper accounting practice. The General Fund Balance therefore summarises the resources that the Council is statutorily empowered to spend on its services or on capital investment (or the deficit of resources that the Council is required to recover) at the end of the financial year. The balance is not available to be applied to funding HRA services.

Housing Revenue Account Balance

The Housing Revenue Account Balance reflects the statutory obligation to maintain a revenue account for local authority Council housing provision. It contains the balance of income and expenditure that is available to fund future expenditure in connection with the Council's landlord function or (where in deficit) that is required to be recovered from tenants in future years.

Capital Receipts Reserve

The Capital Receipts Reserve holds the proceeds from the disposal of land or other assets, which are restricted by statute from being used other than to fund new capital expenditure or certain types of revenue expenditure including: to finance historical capital expenditure, or fund severance costs. The balance on the reserve shows the resources that have not been applied for these purposes at the year-end.

Capital Grants & Receipts Unapplied Account

The Capital Grants & Receipts Unapplied Account holds the grants and contributions received towards capital projects for which the Council has met the conditions that would otherwise require repayment of the monies but which have yet to be applied to meet expenditure. The balance is restricted by grant terms as to the capital expenditure against which it can be applied and/or the financial year in which this can take place. It also holds Capital Receipts which have been earmarked to fund Council transformation projects in line with the statutory provision of Local Government Finance Circular 4/2019 that covers the period 2018/19 to 2021/22. This was further extended for financial year 2022/23 by Local Government Finance Circular 8/2022.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Insurance Fund

The purpose of the Insurance Fund is to provide an element of self-insurance and protect the Council against future claims. Council services contribute to the fund, which meets the cost of fire damage, public liability, employee liability, vehicle fleet and various other claims. The Council holds insurance cover to meet any large claims, the premium for which is charged to the Insurance Fund.

Valuations

Assets at valuation are included in the Balance Sheet at their current asset value as at 1 April 2019 as amended by annual revaluation at the year end (where applicable) and subsequent additions and disposals. The Council appointed J&E Shepherd Chartered Surveyors to conduct its five-yearly valuation of assets during 2019/20 and also to carry out a Desk Valuation Impairment Review of a sample of Education and non-operational properties for the 2022/23 financial statements. The determination of fair value is carried out by Ian Hannon, MRICS, Managing Partner. The basis for valuation is set out in the Statement of Accounting Policies.

***Infrastructure Assets**

The CIPFA/LASAAC Code of Practice for Local Authority Accounting in the United Kingdom requires infrastructure assets to be measured using the historical cost measurement basis and carried at depreciated historical cost. Due to information deficits surrounding the derecognition of infrastructure assets components, it is unclear as to whether when an assets component is replaced the old component has been derecognised so as to avoid double counting, the Council has adopted the Statutory Overrides contained within the Local government finance circular 09/2022: statutory override - accounting for infrastructure assets as follows:

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

- Statutory Override 1: For accounting period commencing from 1st April 2021 to March 2024 a local authority is not required to report gross cost and accumulated depreciation on infrastructure assets
- Statutory Override 2: For accounting periods commencing 1 April 2010 to 31st March 2024 the carrying amount to be derecognised in respect of a replaced part of an infrastructure asset is to be taken and accounted for as a nil amount. No subsequent adjustment shall be made to the carrying amount of the asset with respect to that part.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Capital Commitments

At 31 March 2024 the Council has entered into a number of contracts for the construction or enhancement of Property, Plant and Equipment in 2023/24 and future years budgeted to cost £74.7m. These commitments are not included in the financial statements. Similar commitments at 31 March 2023 were £23.6m.

The major commitments are as follows:

	£'000
Wellbeing Hub	61,798
HRA Council Housing Roof and Render Upgrade	4,031
HRA Council Housing Safe Electrical Systems	2,461
Westhaugh Travelling Site	2,309
HRA Window Replacement	1,456
HRA Aids and Adaptations	1,013
HRA Off the Shelf Purchase	661
HRA CCTV Security	510
Digital Transformation	211
Vehicle Replacement	210
	74,660

CLACKMANNANSHIRE COUNCIL

ANNUAL ACCOUNTS 2023/24

Notes to the Financial Statements

Art Collection

The Council has obtained valuations for the collection of paintings by means of their insurance valuations. These insurance valuations are based on a current estimation of market value and are reviewed annually to ensure the adequacy of insurance provision and current valuation. The collection of paintings is reported in the Balance Sheet at insured value.

The collection is relatively static and acquisitions and donations are rare. When they do occur acquisitions are initially recognised at cost and donations are recognised at valuation ascertained by the Museum & Heritage Officer.

Public Art – Statues

The Council owns several statues most of which were commissioned as part of 'Imagine Alloa' a programme targeting the regeneration of town and village centres across the county. Collectively these statues constitute the 'Public Art Trail'. The Council has obtained valuations for the collection of statues by means of their insurance valuations. These insurance valuations are reviewed annually to ensure adequacy of insurance provision. The collection of statues is reported in the Balance Sheet at Insured value.

Public Art - Glassworks and Mosaics

The Council commissioned several glass and mosaic pieces for installation at several key buildings in the county and has obtained valuations for these by means of their insurance valuations. These insurance valuations are reviewed annually to ensure adequacy of insurance provision. The commissions of glassworks/mosaics are reported in the Balance Sheet at Insured Value.

Industrial Equipment and Ephemera

The Council owns several collections of artefacts relating to the mining, brewing, distilling, pottery, glassmaking and textile industries, all of which have been historically significant within the County. The larger pieces for which the Council has obtained an insurance valuation are reported on the Balance Sheet at valuation.

Items/collections within this category for which a valuation has previously been obtained are:

- Harviestoun Silver Soup Tureen
- Robert Millar Long Case Clock
- Paton & Baldwins Model
- Alloa Pottery Collection
- Arnsbrae Candelabra
- Collection of Civil Regalia

Revaluation of Heritage Assets

As part of the five yearly valuation of assets in 2019, as mentioned in Note 11, the Commemoration Room within the residential development at Menstrie Castle has been written on the Balance Sheet and is included within the carrying value of Heritage Assets held by the Council.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Assets excluded from Heritage Assets

The Council has a number of assets that may be regarded as Heritage Assets, but which have not been included in the Balance Sheet since the Council considered that obtaining valuations would involve disproportionate cost or reliable cost or valuation information cannot be obtained for these items. This is because of the diverse nature of assets held, the number of assets held, and the lack of comparable market values. The Code therefore permits such assets to be excluded from the Balance Sheet. Within this category the Council owns and maintains 12 War Memorials throughout the County, Glassworks and mosaic pieces installed at buildings in the County. The Council also owns the Tolbooth in Clackmannan which is a listed building and classed as a heritage asset but is not within the carrying value of Heritage Assets held on the Balance Sheet.

Note 13 – Investment Properties

The following table summarises the movement in the fair value of investment properties in the year:

Investment Properties (Non Current Assets)

	2022/23	2023/24
	£'000	£'000
Balance 1 April	7,711	7,532
Additions	918	139
Net gains/(losses)from fair value adjustments	(1,094)	(104)
Assets reclassified (to)/from Assets Held for Sale		
Transfers to/from:		
PPE	-	-
Assets held for sale	-	-
Depreciation	(3)	(3)
Balance 31 March	7,532	7,564

Investment Properties Held for Sale (Current Assets)

	2022/23	2023/24
	£'000	£'000
Balance 1 April	204	242
Additions	-	-
Revaluation increases/(decreases) recognised in the CIES	38	(37)
De-recognition – Disposals	-	(24)
Transfers from Investment Properties	-	-
Balance 31 March	242	181
De-recognition – Disposals		
Total Investment Properties	7,774	7,745

There are no restrictions on the Council's ability to realise the value inherent in its investment property or on the Council's right to the remittance of income and the proceeds of disposal. The Council has no contractual obligations to purchase, construct or develop investment property or undertake repairs, maintenance or enhancement. The only direct operating expenses for the period relates to professional fees incurred in marketing Greenfield House.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The items of income and expense, in respect of Investment Property leased out as operating leases, have been accounted for in the Comprehensive Income and Expenditure Statement.

	2022/23	2023/24
	£'000	£'000
Rental income from investment property	(202)	(263)
Direct operating expenses arising from investment property	81	136
	(121)	(127)

Note 14 – Intangible Assets

The Council accounts for its software as intangible assets, to the extent that the software is not an integral part of a particular IT system and accounted for as part of the hardware item of Property, Plant and Equipment.

All software is given a finite useful life, based on assessments of the period that the software is expected to be of use to the Council. The useful lives assigned to the major software suites used by the Council are all five years.

The carrying amount of intangible assets is amortised on a straight-line basis. The amortisation of £113k charged to revenue in 2021/22 was charged to the IT cost centre and then absorbed as an overhead across all the service headings in the Net Cost of Services within the Comprehensive Income and Expenditure Statement. It is not possible to quantify exactly how much of the amortisation is attributable to each service heading.

The movement in Intangible Asset balances during the year is as follows:

	2022/23	2023/24
	£'000	£'000
Cost		
1 April	1,129	1,131
Additions	2	401
Disposals Gross Cost	-	-
	1,131	1,532
Amortisation		
1 April	(819)	(925)
Disposal accumulated amortisation	-	-
Amortisation for the year	(106)	(66)
	(925)	(991)

Note 19 – Short-Term Creditors

This note provides detail of the Short-Term Creditors line in the Balance Sheet. A Short-Term Creditor represents money that is owed by the Council and which is expected to be paid in less than a year.

The Creditors balance at the year end is made up as follows:

	2022/23	2023/24
	£'000	£'000
Central government bodies	3,335	3,772
Other local authorities	3,571	2,908
NHS bodies	771	3,377

Total Long Term Provisions	(65)	(26)	-	-	(91)
Total Provisions	(441)	(107)	-	385	(163)

Municipal Mutual Insurance

Prior to Local Government reorganisation in 1996, Central Regional Council and Clackmannan District Council entered into a solvent run-off arrangement with their insurer, MMI, with the aim of having sufficient assets to meet outstanding insurance claims. However, the outcome of previous litigation has triggered the Scheme of Arrangement and created a financial liability for Clackmannanshire Council as successor Council. The Council had originally made provision to cover a levy of up to 30% amounting to £227k and payments of £162k had been made against this provision. During the year an additional provision of £9k was made to the short term provision and a further £9k was paid out. The long term provision has been increased by £26k based on estimates of the outstanding liability as at 31 March 2024 resulting in a total provision balance of £91k to meet future claims.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Voluntary Severance

A new provision has been created in 2022/23 to reflect the costs of employees who were accepted for Voluntary Severance prior to 31 March 2023 but their agreed date for leaving employment falls within 2023/24. This provision was fully utilised in 2023/24. A further provision of £72k has been created in 2023/24 to reflect the costs of employees who were accepted for Voluntary Severance prior to 31 March 2024 but their agreed date for leaving employment falls within 2024/25.

Street Lighting Equipment

A new provision has been created in 2022/23 to reflect the cost of full and final settlement for the transfer of the Street Lighting Equipment which was previously held by the Council on a Finance Lease. The twenty year lease ended in 2020/21. On termination of the initial lease period the Council continued to pay rental to the Lessor while negotiations were ongoing to transfer ownership of the equipment to the Council. This provision was fully utilised in 2023/24 and no further provision is required.

Note 21 - Borrowings

This note provides details of the short and long term borrowings undertaken by the Council and shown on the Balance Sheet. These values are reflected at amortised cost:

	2022/23	2023/24
	£'000	£'000
Source of Loan		
Repayable within 12 months		
Public Works Loan Board	412	412
Market Loans	63	63

Note 23 – Financial Instruments

Financial instruments are defined as any contract that gives rise to a financial asset of one entity and a financial liability of another entity. The term ‘financial instrument’ covers both financial assets and financial liabilities and includes the most straightforward financial assets and liabilities, such as trade receivables (debtors) and trade payables (creditors) and the most complex ones such as derivatives and embedded derivatives.

Financial Instrument Balances

Categories of Financial Instruments

The following categories of financial instruments are carried in the Balance Sheet:

Financial Assets

	Non-Current				Current				Total
	Investments		Debtors		Investments		Debtors

Items of income, expense, gains or losses

The gains and losses recognised in the Comprehensive Income and Expenditure Statement in relation to financial instruments are made up as follows:

	2022/23 (Restated)		2023/24	
	Surplus or Deficit on the Provision of Services £'000	Other Comprehensive Income and Expenditure £'000	Surplus or Deficit on the Provision of Services £'000	Other Comprehensive Income and Expenditure £'000
Interest Income				
financial assets measured at amortised cost	723	-	2,277	-
Total interest revenue	723	-	2,277	-
Interest expense	9,100	-	10,770	-

The 2022/23 figures were omitted from the 2022/23 annual accounts and have been included above to provide comparison for 2023/24.

Fair Value of Assets and Liabilities Carried at Amortised Costs

The fair value of each class of financial assets and liabilities which are carried in the balance sheet at amortised cost is described below.

Methods and Assumptions in valuation technique

Financial assets and financial liabilities represented by loans and receivables are carried on the balance sheet at amortised cost. Their fair value can be assessed by calculating the net present value of the cash flows that take place over the remaining life of the instruments (Level 2: inputs rather than quoted prices that are observable for the financial asset/liability), using the following assumptions:

- For PWLB loans, fair values have been calculated using both redemption and new borrowing (certainty rate) discount rates;
- Interpolation techniques have been used between available rates where the exact maturity period was not available;
- For non-PWLB loans, fair values have been calculated using both PWLB redemption and new PWLB Certainty Rate loan discount rates;
- No early repayment or impairment is recognised;
- Fair values have been calculated for all instruments in the portfolio, but only those which are materially different from the carrying value are disclosed;
- Where an instrument has a maturity less than 12 months or is a trade or other receivable the fair value is taken to be the invoiced or billed amount; and

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

- The fair value PFI and Finance Lease Liabilities are calculated based on the interest rates applicable to the contracts.

Fair Values of Assets and Liabilities

The Fair values are calculated as follows:-

	2022/23		2022/23	
	Carrying Amount £'000	Fair Value £'000	Carrying Amount £'000	Fair Value £'000
PWLB – Maturity	75,267	86,283	74,855	79,923
PWLB – Annuity	27	34	-	-
LOBOs	5,041	4,747	5,041	4,287
Market Loans	19,080	18,424	19,009	17,027
Total Debt/Financial Liabilities	99,415	109,488	98,905	101,237

Fair value is more than the carrying amount because the Council's portfolio of loans includes a number of fixed rate loans where the interest rate payable is higher than the rates available for similar loans at the Balance Sheet date. The commitment to pay interest at above the current market rates increases the amount the Council would have to pay if the lender agreed to the early repayment of the loans.

The fair value of Public Works Loan Board (PWLB) loans of £79.923m (2022/23 £86.317m) measures the economic effect of the terms agreed with the PWLB compared with estimates of the terms that would be offered for market transactions undertaken at the Balance Sheet date, which has been assumed as the PWLB borrowing interest rates, termed the PWLB certainty rates. The difference between the carrying amount and the fair value measures the additional interest that the authority will pay over the remaining terms of the loans under the agreements with the PWLB, against what would be paid if the loans were at prevailing market rates.

However, the authority has a continuing ability to repay at redemption rates published by the PWLB rather than from the markets. A supplementary measure of the fair value as a result of its PWLB commitments for fixed rate loans is to compare the terms of these loans with the redemption rates available from the PWLB. If a value is calculated on this basis, the carrying amount of £74.8m would be valued at £79.9m. But if the Council were to seek to avoid the projected loss by repaying the loans to the PWLB, the PWLB would raise a penalty charge, based on the redemption interest rates, for early redemption. The exit price for the PWLB loans including the penalty charge would be £79.9m, comprising the principal of £74.8m, accrued interest of £1.2m and a premium of £3.9m.

Notes to the Financial Statements

Note 24 – Unusable Reserves

		2022/23	2023/24
	Note	£'000	£'000
Revaluation Reserve	a)	(120,264)	(110,349)
Capital Adjustment Account	b)	(137,293)	(133,092)
Financial Instruments Investment Account	c)	1,476	1,264
Pensions Reserve	d)	(29,149)	(15,339)
Accumulating Compensated Absences Adjustment Account	e)	3,790	3,653
Total Unusable Reserves		(281,440)	(253,863)

a) Revaluation Reserve

The Revaluation Reserve contains the gains made by the Council arising from increases in the value of its Property, Plant and Equipment or Heritage Assets. The balance is reduced when assets with accumulated gains are:

- re-valued downwards or impaired and the gains are lost;
- used in the provision of services and the gains are consumed through depreciation; or
- disposed of and the gains are realised.

The Reserve contains only revaluation gains accumulated since 1 April 2007, the date that the Reserve was created. Accumulated gains arising before that date are consolidated into the balance on the Capital Adjustment Account.

	2022/23	2023/24
	£'000	£'000
Balance at 1 April	(121,368)	(120,264)
Upward revaluation of non-current assets	(16,926)	(8,066)
Downward revaluation of non-current assets and impairment losses not charged to the Surplus/Deficit on the Provision of Services	12,061	13,536
Surplus/deficit on revaluation of non-current assets not posted to the Surplus/Deficit on the Provision of Services	(4,865)	5,470
Difference between fair value depreciation and historical cost depreciation	5,938	4,445
Accumulated (losses) on assets sold or scrapped	31	-
	5,969	4,445
Balance at 31 March	(120,264)	(110,349)

b) Capital Adjustment Account

The Capital Adjustment Account absorbs the timing differences arising from the different arrangements for accounting for the consumption of non-current assets and for financing the acquisition, construction or enhancement of those assets under statutory provisions. The Account is debited with the cost of acquisition, construction or enhancement as depreciation, impairment losses and amortisations are charges to the Comprehensive Income and Expenditure Statement (with reconciling postings from the Revaluation Reserve to convert fair value figures to a historical cost basis). The Account is credited with the amounts set aside by the Council as finance for the costs of acquisition, construction and enhancement.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The Account contains accumulated gains and losses on Investment Properties and revaluation gains accumulated on Property, Plant and Equipment before 1 April 2007, the date that the Revaluation Reserve was created to hold such gains.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 7 provides details of the source of all the transactions posted to the Account, apart from those involving the Revaluation Reserve.

	2022/23 £'000	2023/24 £'000
Balance at 1 April	(137,350)	(137,293)

Movement in the market value of Investment Properties Debited or credited to CIES	1,057	141
	(16,341)	(25,411)
Balance at 31 March	(137,293)	(133,092)

c) Financial Instruments Adjustment Account

The Financial Instruments Adjustment Account absorbs the timing differences arising from the different arrangements for accounting for income and expenses relating to certain financial instruments and for bearing losses or benefiting from gains per statutory provisions.

The Council uses the Account to manage premiums paid on the early redemption of loans. Premiums are debited to the Comprehensive Income and Expenditure Statement when they are incurred, but reversed out of the General Fund Balance to the Account in the Movement of Reserves Statement.

Over time, the expense is posted back to the General Fund Balance in accordance with statutory arrangements for spreading the burden on council tax. In the Council's case, this period is the unexpired term that was outstanding on the loans when they were redeemed.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

As a result, the balance on the Account at 31 March 2024 will be charged to the General Fund over the next 32 years.

	2022/23	2023/24
	£'000	£'000
Balance at 1 April	1,689	1,476
Proportion of premiums incurred in previous financial years to be charged against the General Fund Balance in accordance with statutory requirements	(204)	(204)
Amount by which finance costs charges to the Comprehensive Income and Expenditure Statement are different from finance costs chargeable in the year in accordance with statutory requirements	(9)	(8)
Balance at 31 March	1,476	1,264

d) Pensions Reserve

The Pensions Reserve absorbs the timing differences arising from the different arrangements for accounting for post employment benefits and for funding benefits in accordance with statutory provisions. The Council accounts for post employment benefits in the Comprehensive Income and Expenditure Statement as the benefits are earned by employees accruing years of service, updating the liabilities recognised to reflect inflation, changing assumptions and investment returns on any resources set aside to meet the cost. However, statutory arrangements require benefits earned, to be financed, as the Council makes employer's contributions to pension funds, or eventually pays any pensions for which it is directly responsible. The accounting requirements of International Financial Reporting Interpretations Committee - Interpretation 14 (IFRIC 14) places a cap (referred to as an asset ceiling) on the value of a pension asset that can be reported. The credit balance on the Pensions Reserve therefore shows the benefits earned by past and current employees, the resources the Council has set aside to meet them and the impact of the asset ceiling which reduces the value of the pension asset to the maximum restricted amount.

	2022/23	2023/24

Purchase of property, plant and equipment, investment property and intangible assets	(17,672)	(29,005)
Purchase of short-term and long-term investments	(2,001)	-
Proceeds from the sale of property, plant and equipment, investment property and intangible assets	262	286
Proceeds from short-term and long-term investments	23,500	106,000
Other receipts from investing activities	8,918	11,941
Net cash flows from investing activities	13,007	89,222

Note 27 – Cash Flow Statement – Financing Activities

	2022/23	2023/24
	£'000	£'000
Cash payments for the reduction of the outstanding liabilities relating to finance leases and on-balance sheet PFI contracts	(1,237)	(1,440)
Repayments of short and long-term borrowing	(3,004)	(930)
Other Receipts from Financing Activities	687	(46)
Net cash from financing activities	(3,554)	(2,416)

Note 28 - Agency Income and Expenditure

The Council has an agency agreement with Scottish Water for the billing and collection of water and sewerage charges on its behalf. The income received from the Water Authority towards the Council's local tax collection costs was £0.202m (2022/23 £0.177m). This charge has been fixed by the Scottish Government for a 3 year period to 31 March 2026. This income is included in the Comprehensive Income and Expenditure Statement.

The Council acted as an agent on behalf of the Scottish Government in the administration of grants to business and individuals during the Covid-19 pandemic and the Cost of Living Crisis. There were no payments in 2023/24. In 2022/23, there was £1.091m of expenditure and income which is not shown within the Comprehensive Income and Expenditure Statement.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Two Business Improvement District (BID) schemes operate in Clackmannanshire: Alloa First and Clacks First. The schemes are funded by a BID levy paid by non-domestic ratepayers. The Council operates as an agent on behalf of the BID bodies and as a consequence the income and expenditure is not shown in the Comprehensive Income and Expenditure Statement.

Note 29 – External Audit Costs

Fees payable to Audit Scotland within the year for external audit services carried out by the appointed auditor amounted to £0.242m (2022/23 £0.239m). These costs are shown within the Partnership and Performance line in the Comprehensive Income and Expenditure Statement.

Note 30 – Related Parties

The Council is required to disclose material transactions with related parties – bodies or individuals that have potential to control or influence the Council or to be controlled or influenced by the Council. Disclosure of these transactions allows readers to assess the extent to which the Council might have been constrained in its ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with the Council. In this context related parties include:

- Central Government;
- Other Local Authorities and Joint Boards;
- NHS Bodies;
- Subsidiary and Associated Companies;
- Joint Ventures and Joint Venture Partners; and
- Elected Members and Chief Officers.

The following related party transactions are disclosed elsewhere within the Financial Statements:

- a) Receipts from Central Government (Revenue Support Grant, NNDR Contribution from Pool, Government Grants etc.) are shown in Note 10 (Grant Income);
- b) Payments to the Falkirk Council Pension Fund and Scottish Government (Teachers' Pensions) are shown in Notes 33 and 34 Pension Schemes;
- c) Requisitions paid to Joint Boards are shown on the Comprehensive Income and Expenditure Statement;
- d) Payments to Elected Members and Chief Officers are shown in the Remuneration Report;
- e) The following table shows significant payments and receipts between Clackmannanshire Council and its associated entities

		2022/23	2023/24
		£'000	£'000
Expenditure	NHS Forth Valley	1,673	480
Income	NHS Forth Valley	(8,684)	(8,253)
	Contribution payment made to Clackmannanshire and Stirling Integration Joint Board*	25,167	26,208
	Commissioning income received from Clackmannanshire and Stirling	(25,167)	(26,208)

CLACKMANNANSHIRE COUNCIL

Notes to the Financial Statements

	2022/23	2023/24
	£'000	£'000
Integration Joint Board*		

* Commissioning income received from Clackmannanshire and Stirling Integration Joint Board of £26,208 with expenditure of £29,927. The overspend of £3.719m was met by a draw down from reserves, leaving a balance of £0.366m in reserves held on behalf of the HSCP.

Note 31 – Capital Expenditure and Capital Financing

The total amount of capital expenditure incurred in the year is shown in the table below (including the value of assets acquired under finance leases and PFI/PPP contracts) together with the resources that have been used to finance it. Where capital expenditure is to be financed in future years by charges to revenue as assets are used by the Council, the expenditure results in an increase in the Capital Financing Requirement (CFR) a measure of the capital expenditure incurred historically by the Council that has yet to be financed.

	2022/23	2023/24
	£'000	£'000
Opening Capital Financing Requirement	144,797	145,988
Capital Investment		
Property Plant & Equipment	18,588	28,685

Sources of finance		
Capital receipts	(169)	-
Government grants and other contributions	(10,088)	(12,580)
Sums set aside from revenue:		
Direct revenue contributions	(6,655)	(10,821)
Repayment of Finance Lease Capital Debt	(1,237)	(1,440)
Loans Fund Principal	(447)	(2,099)
Application of service concession retrospective flexibility	-	12,533
Application of service concession in year flexibility	-	1,149
Other movements affecting the CFR	90	-
Closing Capital Financing Requirement	145,988	161,654
Increase in CFR (unsupported by government financial assistance)	1,191	15,666

Note 32 – Private Finance Initiative and Similar Contracts

Secondary Schools PFI Scheme

2023/24 was the 16th year of a 30 year PFI contract for the construction, operation and maintenance of our three secondary schools in Clackmannanshire, namely Alloa, Alva and Lornshill Academies. The contract specifies the number of days and times that the schools are open. This includes an element of leisure provision in the evenings and weekends.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The contract specifies minimum standards for the provision of the serviced accommodation to be provided by the contractor, with reductions from the fee payable being made if the schools, or rooms, are unavailable or performance is below the minimum standards. The contractor took on the obligation to construct the schools and maintain them in a minimum acceptable condition and to procure and maintain the plant needed to operate the schools.

At the end of the contract the schools will be transferred to the Council for nil consideration.

Property, Plant and Equipment

The schools are recognised on the Council's Balance Sheet.

Movements in their value over the year are detailed in the analysis of the movement on the Property, Plant and Equipment balance in Note 11.

Payments

The Council makes an agreed payment each year which is increased annually by inflation and can be reduced if the contractor fails to meet availability and performance standards in any year but which is otherwise fixed. Payments remaining to be made under the PFI contract at 31 March 2024, excluding any estimate of availability/performance deductions are as follows:

	Payment For Services £'000	Reimbursement of Capital Expenditure £'000	Interest £'000	Total £'000
Payable within 1 year	4,090	1,638	3,203	8,931
Payable within 2 to 5 years	19,796	6,173	11,509	37,478
Payable within 6 to 10 years	25,418	11,797	13,919	51,134
Payable within 11 to 15 years	32,124	14,387	9,032	55,543
Total	81,428	33,995	37,663	153,086

Although the payments made to the contractor are described as unitary payments, they have been calculated to compensate the contractor for:

- the fair value of services they provide, and
- the capital expenditure incurred and interest payable, until the capital cost is reimbursed.

The liability outstanding to pay the liability to the contractor for capital expenditure incurred is shown in Note 22

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 33 - Pensions Schemes Accounted for as Defined Contribution Scheme

Teachers employed by the Council are members of the Teachers' Pension Scheme, administered by the Scottish Government. The Scheme provides teachers with specified benefits upon their retirement, and the Council contributes towards the costs by making contributions based on a percentage of members' pensionable salaries. The Scheme is technically a defined benefit scheme. However, the Scheme is unfunded and the Scottish Government uses a notional fund as the basis for calculating the employers' contribution rate paid by local authorities. The Council is not able to identify its share of underlying financial position and performance of the Scheme with sufficient reliability for accounting purposes. For the purposes of these Financial Statements, it is therefore accounted for on the same basis as a defined contribution scheme.

The employer contribution rate from 1 April 2023 was 23% of pensionable pay. In total for the year 2023/24 the Council paid £6.641m to Teacher's Pensions in respect of teachers' retirement benefits which equates to 22.73% of pensionable pay. The comparative amount paid in 2022/23 was £6.194m which equates to 22.60% of pensionable pay.

As a proportion of the total contributions into the Teacher's Pension Scheme during the year ended 31 March 2023, the Council's own contribution equated to approximately 0.80% (0.84% in 2021/22).

Note 34 Pension Schemes Accounted for as Defined Contribution Schemes

Pension Costs

The Council participates in two formal pension schemes: the Local Government Pension Scheme (LGPS) administered by Falkirk Council and the Teachers' Scheme administered by the Scottish Government. Both schemes provide defined benefits to members. However, the liabilities for the Teachers' Scheme cannot be identified specifically to the Council; therefore the scheme is accounted for as if it were a defined contributions scheme. The Council does not recognise assets or liabilities related to the Teachers' Scheme as the liability for payment of pensions rests ultimately with the Scottish Government.

Local Government Pension Scheme (LGPS)

In accordance with International Accounting Standard 19 (IAS19) the Council is required to account for retirement benefits when it is committed to giving them, even if the giving will be many years into the future. This involves the recognition in the Balance Sheet of Clackmannanshire Council's share of the net pension asset or liability in the LGPS together with a pension reserve. The Comprehensive Income and Expenditure Statement (CIES) also recognises changes during the year in the pension asset or liability. Service expenditure includes pension costs based on employers' pension contributions payable to the LGPS and payments to pensioners in the year.

The Council also has restricted powers to make discretionary awards of retirement benefits in the event of voluntary severance. Any liabilities estimated to arise as a result of an award to any member of staff (including Teachers) are accrued in the year of the decision to make the award, and accounted for using the same policies as applied to the LGPS.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The following elements of pension costs are charged to the CIES:

- Current Service Cost - the increase in the present value of liabilities expected to arise from employee service in the current period;
- Past Service Costs - the increase in liabilities arising from decisions to improve retirement benefits in the current period but which are related to employee service in prior periods;
- Settlements - events that change the pension liabilities but are not covered by the actuarial assumptions;
- Interest Expense - the expected increase during the year in the present value of liabilities because the benefits are one year closer to settlement, and
- Expected Return on Assets (including interest income) - a measure of the expected average rate of return on the investment assets held by the scheme in the year.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

The following transactions have been made in the Financial Statements in accordance with IAS19:

	Local Government Pension Scheme	
	2022/23	2023/24
Comprehensive Income and Expenditure Statement (CIES)	£'000	£'000
Cost of Services:		
· Current service cost	21,676	11,256
· Past service costs	150	425
Financing and Investment Income and Expenditure:		
· Interest expense – defined benefit obligation	13,890	18,006
· Interest income on scheme assets	(11,352)	(19,415)
Total Post Employment Benefit Charged to the Surplus or Deficit on the Provision of Services	24,364	10,272
Other Post Employment Benefit Charged to the CIES		
Re-measurement of the net defined benefit liability comprising:		
· Return on pension fund assets (excluding interest income above)	7,674	14,724
· Actuarial (gains)/losses arising on changes in demographic assumptions	(10,598)	-
· Actuarial gains arising on changes in financial assumptions	(190,508)	(14,631)
· Effect of Asset Ceiling	-	35,059
· Other experience losses	62,384	10,562
(Gain)/ loss recognised in the CIES	(131,048)	16,266
Total Post Employment Benefit Charged to the CIES	(106,684)	26,538
Movement in Reserves Statement (MIRS)		
Reversal of net charge made to the surplus or deficit on the provision of Services	24,364	10,272
Employer's Contributions Payable to Falkirk Pension Fund	11,324	11,686
Pensions Assets and Liabilities Recognised in the Balance Sheet	35,688	21,958

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Pension Assets and Liabilities Recognised in the Balance Sheet

The amount included in the balance sheet arising from the local authority's obligation in respect of its defined benefit plan is as follows:

Movement in Reserves Statement (MIRS)	2022/23	2023/24
	£'000	£'000
Present value of the Pension Fund Liabilities	(393,322)	(405,146)
Fair value of pension fund assets	408,780	442,841
(Deficit)/Surplus	<u>15,458</u>	<u>37,695</u>
Present value of unfunded obligations	13,691	12,703
Effect of Asset Ceiling	-	(35,059)
Net Asset /(Liability) arising from Defined Benefit Obligation	<u>29,149</u>	<u>15,339</u>

The liabilities/assets show the underlying commitments that the Council has in the long term to pay post employment (retirement) benefits. For 2023/24, the net defined benefit asset has been measured to the lower of the surplus in the defined benefit plan and the asset ceiling.

In deriving the asset ceiling, assumptions have been made on the present value of the economic benefits available in the form of refunds from the plan and reductions in future contributions to the plan. No economic benefit has been recognised with regards to a refund as it is an entitlement which is not wholly within the Council's control. The economic benefit associated with a reduction in future contributions, recognising a minimum funding requirement for future service, has been estimated as the present value of employer future service costs less the present value of future employer contributions. This economic benefit, however, cannot be reduced below zero where the present value of future employer contributions exceeds the present value of future service costs.

The impact of the asset ceiling has reduced the surplus by £35.059m resulting in a net asset arising from the defined benefit obligation of £15.339m. This has a substantial impact on the net worth of the Council as recorded in the Balance Sheet, however, this can fluctuate annually due to economic and demographic factors and finance is only required to be raised to cover discretionary benefits when the pensions are actually paid. The surplus or deficit on the scheme will be considered by the actuary at the time of the triennial valuation to ensure contributions over the remaining working life of employees (i.e. before payments fall due), are sufficient.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

A reconciliation of Clackmannanshire Council's share of the present value of Falkirk Pension Fund's defined benefit obligation (liabilities) is as follows:

	2022/23	2023/24
	£'000	£'000
Opening Balance at 1 April	(508,979)	(379,631)
Current service cost	(21,676)	(11,256)
Interest cost	(13,890)	(18,006)

Basis for Estimating Assets and Liabilities

The Council's share of the net obligations of the Falkirk Pension Fund is an estimated figure based on actuarial assumptions about the future and is a snapshot at the end of the financial year. The net obligation has been assessed using the "projected unit method", that estimates that the pensions will be payable in future years dependant upon assumptions about mortality rates, salary levels and employee turnover rates.

The fund's obligation has been assessed by Hymans Robertson, an independent firm of actuaries, and the estimates based on data as at 31 March of each financial year. The significant assumptions used by the actuary are shown in the table below. The note includes a sensitivity analysis for the pension obligation based on reasonably possible changes in these assumptions occurring at the reporting date.

	2022/23	2023/24
Long-term expected rate of return on assets in the fund		
Equity investments	4.75%	4.80%
Bonds	4.75%	4.80%
Property	4.75%	4.80%
Cash	4.75%	4.80%

	2022/23	2023/24
	Years	Years
Mortality assumptions		
Longevity at 65 for current pensioners (years):		
Men	20.3	20.3
Women	23.3	23.3
Longevity at 65 for future pensioners (years):		
Men	20.8	20.8

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Women	24.8	24.8
Inflation assumptions	2022/23	2023/24
Rate of inflation	2.95%	2.80%
Rate of increase in salaries	3.55%	3.30%
Rate of increase in pensions	2.95%	2.80%
Rate for discounting Fund liabilities	4.75%	4.80%

LGPS liabilities are sensitive to the actuarial assumptions set out in the table below. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period and assumes for each change that the assumption analysed changes while all the other assumptions remain constant. The method and types of assumption used in preparing the sensitivity analysis below did not change from this used in the previous period.

Changes in assumptions

	Increase to Employer %	Monetary Amount £'000's
0.1% Decrease in Real Discount Rate	2%	6,640
1 year increase in member life expectancy	4%	15,698
0.1% increase in the Salary Increase Rate	0%	445
0.1% increase in the Pension Increase Rate	1%	6,688

Virgin Media Court Ruling

In June 2023, the UK High Court issued a ruling in the case of Virgin Media Limited v NTL Pension Trustees II Limited and others relating to the validity of certain historical pension changes. This case may have implications for other defined benefit schemes in the UK. The impact of the case is continuing to be assessed and any potential impact on the Board accounts will be considered in future years

Goodwin

The remedy for the Goodwin ruling in relation to the past underpayment of spouses' benefits is still uncertain. The pension fund actuary has estimated that the impact is expected to be small at 0.1-0.2% for a typical fund. For Clackmannanshire this would equate to £0.361m to £0.722m. When weighing the fact that the remedy is still uncertain and the estimate is of small value, against the level of additional work that would be required, the actuary has not deemed it necessary or appropriate to make an adjustment for 2023/24 and no adjustment has been made to the figures noted above.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Impact on the Authority's Cash Flow

The objectives of the LGPS are to keep employers' contributions at a constant rate where possible. The employers' contribution rates per the triennial valuation on the fund at 31 March 2020 are shown in the table below:

	2021/22	2022/23	2023/24
Employer Contribution rates	22.5%	22.5%	23%

The total contributions expected to be made by Clackmannanshire Council to Falkirk Pension Fund in the year to 31 March 2024 is £9.543m

The employers' contribution rates for 2024/25 to 2026/27 have been set at 19.5% following conclusion of the triennial valuation on the fund at 31 March 2023.

Note 35 – Contingent Liabilities

Equal Pay

The Council has previously received claims of historic pay inequality from specific groups of staff. At this time there are no known claims however, this contingent liability represents the potential liability for any future claims.

Insurance

Prior to local government reorganisation in 1996, Central Regional Council and Clackmannan District Council, entered into a solvent run-off arrangements with their insurer, MMI, with the aim of having sufficient assets to meet outstanding insurance claims. The outcome of recent litigation has triggered the Scheme of Arrangement and created a financial liability for Clackmannanshire Council as successor Council. The Council has made a provision, as detailed in Note 20, which is deemed sufficient based on the latest estimate of any future claims. However, should additional claims arise over and above the remaining provision, there remains potential for an increase in provision. At the time of preparing these accounts the timing and amount of any further liability in relation to MMI claims is unknown.

Historic Sexual Abuse Cases

The Council has received claims in relation to historic sexual abuse cases which have been passed to its insurers. It is anticipated that there may be more claims received in the future, particularly in light of the important work of the National Scottish Child Abuse Inquiry and media coverage of other claims. These claims cannot be predicted or quantified at this time, but remain a potential risk as a future liability. The Council is part of the Forth Valley working group coordinated by SOLACE which is assessing the National Redress Scheme for the impact and consequences for the Council.

Social Services Judicial Reviews (Scottish Prison Service)

At this time there are a number of Social Services cases under judicial review relating to the Scottish Prison Service. The Council has a Service Level Agreement with the Scottish Prison Service under which statutory requirements of the Scottish Prison Service sit with the Council. At this time, no quantification or timing of any potential liability is known for these cases.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

Note 36 – Nature and Extent of Risks Arising from Financial Instruments

The Council's management of treasury risks actively works to minimise the Council's exposure to the unpredictability of financial markets and to protect the financial resources available to fund services. The Council has fully adopted CIPFA's Code of Treasury Management Practices and has written principles for overall risk management as well as written policies and procedures covering specific areas such as credit risk, liquidity risk and market risk.

1. Credit Risk

Credit risk arises from deposits with banks and financial institutions, as well as credit exposures to the Council's customers.

This risk is minimised through the Annual Investment Strategy, which requires that deposits are not made with financial institutions unless they meet identified minimum credit criteria, in accordance with the Fitch, Moody's and Standard & Poor Credit Ratings Services. The Annual Investment Strategy also considers maximum amounts and time limits in respect of each financial institution. Deposits are not made with banks and financial institutions unless they meet the minimum requirements of the investment criteria outlined above. Additional selection criteria are also applied. Details of the Investment Strategy can be found on the Council's website. The Treasury Management Strategy Statement for 2023/24 and Prudential Indicators for 2023/24 to 2025/26 were approved by Full Council on 9 March 2023 and are available on the Council's website.

Customers for goods and services are assessed, taking into account their financial position, past experience and other factors, with individual credit limits being set in accordance with internal ratings in accordance with parameters set by the Council.

The Authority's maximum exposure to credit risk, in relation to its investments in banks and financial institutions of £12.5m, cannot be assessed generally as the risk of any institution failing to make interest payments or repay the principal sum will be specific to each individual institution.

Debtors

The Council generally allows credit of 14 days for customers, such that £2.725m, (2022/23 £3.973m) is past its due date for payment. The past due amount can be analysed by age as follows:

	2022/23	2023/24
	£'000	£'000
Less than three months	1,227	780
Three to six months	114	203
Six months to one year	397	193
More than one year	2,235	1,549
Total	3,973	2,725

During the year £0.622m of debt was written off to the provision against current debt and £0.087m was charged to the Comprehensive Income and Expenditure statement, increasing the provision against current debts to £1.051m.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

2. Liquidity Risk

The Council manages its liquidity position through the risk management procedures above (the setting and approval of prudential indicators and the approval of the treasury and investment strategy reports), as well as through a comprehensive cash flow management system, as required by the CIPFA Code of Practice. This seeks to ensure that cash is available when needed.

The Council has access to a facility to borrow from the Public Works Loans Board. As a result, there is no significant risk that the Council will be unable to raise finance to meet its commitments under financial instruments. The Council has safeguards in place to ensure that a significant proportion of its borrowing does not mature for repayment at any one time to reduce the financial impact of re-borrowing at a time of unfavourable interest rates. The Council's policy is to ensure that not more than 25% of loans are due to mature within any financial year through a combination of prudent planning of new loans taken out and, where it is economic to do so, making early repayments.

The maturity structure of financial liabilities is as follows (at nominal value):

Loans Outstanding	2022/23	2023/24
	£'000	£'000
Public Works Loans Board	74,148	73,709
LOBO Loan	5,000	5,000
Market Debt	19,080	19,009
Total	98,228	97,918

Maturity Structure

	2022/23	2023/24
	£'000	£'000
Less than 1 year	475	475
Between 1 and 2 years	475	2,308
Between 2 and 5 years	4,820	2,512
Between 5 and 10 years	3,526	3,500
More than 10 years	88,932	88,923
Total	98,228	97,918

In the more than 10 years category there are £18.5m of market loans which have a fixed rate of interest and £5m of LOBO loans which the lender has the option to alter the rate of interest at predetermined dates. If this occurs the Council has the option to repay the principal and accrued interest.

3. Market Risk

Interest rate risk

The Council is exposed to interest rate risk in two different ways; the first being the uncertainty of interest paid/ received on variable rate instruments, and the second being the affect of fluctuations in interest rates on the fair value of an instrument.

The current interest rate risk for the Council is summarised below:

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Notes to the Financial Statements

- Decreases in interest rates will affect interest earned on variable rate investments, potentially reducing income credited to the Comprehensive Income and Expenditure Statement.
- Increases in interest rates will affect interest paid on variable rate borrowings, potentially increasing interest expense charged to the Comprehensive Income and Expenditure Statement.
- The fair value of fixed rate financial assets will fall if interest rates rise. This will not impact the Balance Sheet as assets are held at amortised cost, but will impact the disclosure note for fair value; and
- The fair value of fixed rate financial liabilities will rise if interest rates fall. This will not impact on the Balance Sheet for the majority of liabilities are held at amortised cost, but will impact on the disclosure note for fair value.

The Council has a number of strategies for managing interest rate risk. Policy is to aim to keep a maximum of 25% of its borrowings in variable rate loans. During periods of falling interest rates, and where economic circumstances make it favourable, fixed rate loans will be repaid early to limit exposure to losses. The risk of loss is reduced by the fact that a proportion of government grant payable on financing costs will normally move with prevailing interest rates or the Council's cost of borrowing and provide compensation for a proportion of any higher costs. However this is difficult to quantify as loan charge support is calculated on weighted average interest rates for all local authorities in Scotland.

The treasury management team has an active strategy for assessing interest rate exposure that feeds into the setting of the annual budget and which is used to update the budget during the year. This allows any adverse changes to be accommodated. The analysis will also advise whether new borrowing taken out is fixed or variable.

As the Council now only have fixed rate borrowing, there will be no impact on the Comprehensive Income and Expenditure Statement due to fluctuations in interest rates.

Price Risk

The Council has no investments held as available for sale and thus has no exposure to loss arising from price movements.

Foreign Exchange Risk

The Council has no financial assets or liabilities denominated in foreign currencies and therefore no exposure to loss arising from movements in exchange rates.

ANNUAL ACCOUNTS 2023/24
HOUSING REVENUE ACCOUNT (HRA)
Income and Expenditure Statement for the year ended 31 March 2024

The HRA Income and Expenditure Statement shows the economic cost in the year providing housing services in accordance with generally accepted accounting practices, rather than the amount to be funded from rents and government grants. Councils charge rents to cover expenditure in accordance with regulations; this may be different from the accounting costs.

The increase or decrease in the year, on the basis of which rents are raised, is shown in the Movement on the HRA Statement.

HOUSING REVENUE ACCOUNT (HRA)

HRA 2. Housing Stock

The Council's housing stock at 31 March 2024 was 5,045 (31 March 2023 5,007) in the following categories:

2022/23		2023/24
Number		Number
29	One apartment	29
1,367	Two apartment	1,370
2,231	Three apartment	2,245
1,232	Four apartment	1,251
144	Five apartment	146
4	Six apartment	4
<u>5,007</u>		<u>5,045</u>

HRA 3. Rent Arrears

Rent Arrears decreased during the year by £0.116m to a total of £2.379m (2022/23: £2.495m). As a percentage of gross rental income, the arrears represent 11% (2022/23:12.2%) which is the equivalent to £471 (2022/23: £500) per house.

HRA 4. Impairment of Debtors

In 2023/24 an impairment of £2.247m (2022/23 £2.361m) has been provided in the Balance Sheet for irrecoverable rents, a decrease of (£0.114)m on the provision in 2022/23.

HRA 5. Rent Lost Due To Empty Properties

Rent loss due to empty properties during the year was £0.576m (2022/23: £0.539m). This is reported within other expenditure in the Income and Expenditure.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Council Tax Income Account for the year ended 31 March 2024

The Council Tax Income Account shows the gross income raised from Council taxes levied and deductions made under Statute. The resultant net income is transferred to the Comprehensive Income and Expenditure Statement of the Council.

2022/23		2023/24
£'000		£'000
(33,098)	Gross Council Tax levied and contributions in lieu	(34,912)
	Deduct	
4,115	Other discounts and reductions	4,323
592	Write-off of uncollectable debts and allowance for impairment	174

3,903	Council Tax Reduction Scheme	4,180
(24,432)	Net Council Tax Income transferred to General Fund	(26,214)

CTI 1. Council Tax Properties and Council Tax Changes

Occupiers of domestic properties are liable to pay Council Tax. This is a tax levied by local authorities on domestic properties within their area.

Dwellings fall within a valuation band which is determined by the Assessor employed by the Central Scotland Valuation Board. In setting its budget the Council determines the Council Tax level each year. Charges for other bands are proportionate to the Band 'D' figure, which for 2023/24 was £1,410.96 (2022/23 £1,343.77). This was a 5.0% increase from the previous year.

Valuation Band	Council Tax Charge
	£
A	960.64
B	1,097.41
C	1,254.19
D	1,410.96
E	1,853.84

Non Domestic Rates Income Account for the year ended 31 March 2024

The Non-Domestic Rate Account is an agent's statement that reflects the statutory obligation for billing authorities to maintain a separate Non-Domestic Rate Account. The Statement shows the gross income from the rates and deductions made under statute. The net income is paid to the Scottish Government as a contribution to the national non-domestic rate pool.

2022/23		2023/24
£'000		£'000
(21,564)	Gross rates levied and contributions in lieu	(23,937)
4,338	Reliefs and other deductions	4,870
(446)	Allowance for impairment of debts and appeals	1,730
(17,672)	Net Non-Domestic Rate Income	(17,337)
525	Adjustment to previous years' national non-domestic rates	278
-	- Non-Domestic Rates Income Retained by Authority (BRIS)	(44)
(36)	Discretionary Reliefs charged to the General Fund	(414)
(17,183)	Total Non-Domestic Rates Income/Income for Contribution to Non-Domestic Rate Pool	(17,517)
2022/23		2023/24
£'000		£'000
17,183	Contribution to National Non-Domestic Rate Pool	17,517
(18,065)	Distribution from National Non-Domestic Rate Pool	(17,764)
(882)	(Gain)/Loss from National Pool	(247)
(18,065)	Net NNDR Income per the Comprehensive Income and Expenditure Statement (Note 10)	(17,764)

NDR 1. Net Rateable Value Calculation

The amount paid for NNDR is determined by the rateable value placed on the property by the Assessor multiplied by the rate per pound of £0.498 which is determined each year by the Scottish Government.

NDR 2. Rate Poundages Levied

	2022/23	2023/24
National Non-Domestic Rate	49.8p	49.8p
Intermediate Property Supplement – properties valued > £51,000	1.3p	1.3p
Large Property Supplement – properties valued > £95,000	2.6p	2.6p

Common Good

Summary

Common Good Funds are the assets and income of the former burghs of Scotland and stand separate from other accounts and funds of the Council. The Common Good is corporate property and must be applied for the benefit of the community as the Council thinks fit. The assets incorporated within the Common Good Account comprise the Speirs Centre, Alloa Town Hall and West End Park all within the former burgh of Alloa. There are also currently £9k principal funds held within the Common Good Accounts.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Group Financial Statements

The Council has interests in its subsidiary, associates and joint ventures. It participates in these companies by means of Board membership and the provision of funding and management support. In accordance with the Code of Practice on Local Authority Accounting in the United Kingdom, Group Accounts have been prepared in addition to single entity financial statements.

The following entities have been consolidated into the Group Financial Statements:

Subsidiary:

- Common Good

Joint Ventures:

- Clackmannanshire and Stirling Integration Joint Board

Associates:

- Central Scotland Valuation Joint Board

Information on how the Council participates in these companies is given in Note 6 to the Group's Financial Statements.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Group Financial Statements

Notes to the Group Financial Statements

Note 1 Group Accounting Policies

In accordance with the Code of Practice on Local Authority Accounting in the United Kingdom, Group Accounts have been prepared in addition to single entity financial statements. The Financial Statements for the Group have been prepared in accordance with the Accounting Policies specified for the Council's Financial Statements and are set out in Note 1 of this document.

Note 2 Disclosure of Interest in Other Entities

The Council has adopted the recommendations of the Code, which requires local authorities to consider their interests in all types of entity to incorporate into Group Financial Statements. Group accounts have been prepared using the following basis:

- subsidiaries – consolidated on a line by line basis; and
- associates and joint ventures – using the equity method of accounting.

A full set of Group Financial Statements with the exception of a Cash Flow Statement, has been prepared and presented in the pages above, incorporating material balances from identified associates. The Group Cash Flow Statement is provided alongside the single entity statements as it is not materially different to the cash flow statement for the Council as a single entity.

Note 3 Group Entities

The accounting period end for the entities below is for the year end 31 March. Financial information up to 31 March was obtained and accounted for in the Group accounts. The dates of these accounts are included below.

The Group Accounts consolidate the results of other entities:

- The Common Good Fund has been consolidated in full as a subsidiary (31/03/24).
- Central Scotland Valuation Joint Board has been incorporated as an associate with a 15.7% share of total requisitions (31/03/24); and
- Clackmannanshire & Stirling Integration Joint Board has been incorporated as a joint venture with a 25% shareholding (31/03/24).

The Council also has an interest in CSBP Clackmannanshire Investments Limited as a joint venture. On assessment of the financial information, the total net assets are below materiality level and the financial information is not consolidated into the Group Financial Statements. At a General Meeting of the company on 8 October 2024, a Special Resolution that the company be wound up voluntarily was passed.

The Council had an interest in Coalsnaughton NHT 2012 LLP as an associate until 19 March 2024 when the LLP was dissolved. On assessment of the financial information, the total net assets are below materiality level and the financial information is not consolidated into the Group Financial Statements.

The individual accounts relating to these entities are published separately and are available from Companies House or the Chief Finance Officer and Section 95 Officer, Kilncraigs, Alloa, FK10 1EB.

CLACKMANNANSHIRE COUNCIL
ANNUAL ACCOUNTS 2023/24
Group Financial Statements

Notes to the Group Financial Statements (continued)

With regard to the Joint Boards, the Council's interest reflects the requisition share paid by the Council. As no consideration was paid for such interests, there is no requirement to account for goodwill.

The Council holds no shares in the bodies governed by these Boards.

The Joint Boards have a wide range of functions to discharge, and members of each Board are elected Councillors and are appointed by the Council in proportions specified in the legislation.

Under accounting standards guidance, the Council can be seen to have significant influence over these statutory bodies, through nominated Council Member involvement in the bodies' governing Boards. The Boards are included within the Group Accounts even when the Councils' interest in these bodies is less than the 20% that is normally presumed to represent significant influence.

The Council has accounted for its interest in its joint venture using the equity method of accounting. The consideration paid by the Council equalled the fair value of assets and liabilities acquired, and therefore no goodwill arose on acquisition.

Note 4 Non-Material Interest in Other Entities

Until the LLP was dissolved on 19 March 2024, the Council previously recognised Coalsnaughton NHT 2012 LLP as an associate. The Council was one of four members of the LLP (25%). The Council made no contribution to the associate in the 2023/24 or 2022/23 financial years and the financial information from this associate has not been consolidated into the Group Financial Statements as it is considered immaterial to the understanding of the accounts.

The Council recognises CSBP Clackmannanshire Investments Limited as a joint venture. The council has two elected members of the Council who sit on the board of directors (50 No funds were received in 2023/24 or 2022/23). The Council made no contribution to the joint venture in the 2023/24 or 2022/23 financial years and the financial information from this joint venture has not been consolidated into the Group Financial Statements as it is considered immaterial to the understanding of the accounts.

The Council also has an interest in SEEMIS Group LLP and Scotland Excel. The financial results of the organisations have not been consolidated into the Council's Group Accounts as they are considered immaterial to the understanding of the accounts.

Note 5 Financial Impact of Group Consolidation

The effect of inclusion of the Subsidiary (Common Good), Associate, Joint Ventures and entities on the Group Balance Sheet is to increase both the Reserves and Net Assets by £7.474m (2022/23 £11.136m) representing the Council's net asset in the consolidating entities.

Group Financial Statements

Notes to the Group Financial Statements (continued)

Note 6 Financial Results of Associates and Joint Ventures

The Council has interests in its subsidiary, associates and joint ventures. It participates in these companies by means of Board membership and the provision of funding and management support.

Subsidiary:

- **Common Good – the Common Good is administered and fully controlled by Clackmannanshire Council.**

Common Good is treated as a subsidiary within the Council's Group accounts with assets, liabilities, reserves, income and expenditure being consolidated line by line.

The income and charges made in the year by the Council for services provided can be seen in the previous section of these accounts.

Joint Ventures:

- **Clackmannanshire and Stirling Integration Joint Board**

The Clackmannanshire and Stirling Integration Joint Board (IJB) is a statutory body established to integrate health and social care services between Clackmannanshire Council, Stirling Council and NHS Forth Valley. The contribution provided by Clackmannanshire Council to the IJB in 2023/24 was £26.208m (2022/23 £25.167m). The IJB Board comprises twelve voting members with three elected members of Clackmannanshire Council (25% voting share).

Associates:

- **Central Scotland Valuation Joint Board**

The Central Scotland Valuation Joint Board (VJB) is the statutory body responsible for maintaining the electoral, council tax and non-domestic rate register for Clackmannanshire, Stirling and Falkirk Councils. The contribution made by Clackmannanshire Council to the board for 2023/24 was £0.462m (2022/23 £0.443m). The VJB board comprises fifteen voting members with three elected members of Clackmannanshire Council (20% voting share) the accounts are consolidated based on the payment share of 15.7%.

- **Coalsnaughton NHT 2012 LLP**

Under the NHT initiative, the Scottish Futures Trust, Hadden Construction and Clackmannanshire Council (25%) entered into a Limited Liability Partnership (LLP) to purchase newly-built homes so they could be made available for rent at 'mid market' rates, for a period of up to 10 years. All housing units were sold to Kingdom Housing Association on 7th March 2021 and the investment was fully repaid to the Council on that date. This associate was dissolved on 19 March 2024 and is not included within the Group Financial Statements for 2023/24 or 2022/23 as it is considered immaterial to the understanding of the accounts.
