Subject: **Licensing (Scotland) Act, 2005,  
New Premises Licence –  
Devonvale Hall, Moss Road, Tillicoultry**

1. This representation relates to an application for a new premises licence for Devonvale Hall, Moss Road Tillicoultry.
2. Devonvale Hall is a community Hall run by volunteers, with a capacity of around 420 seated individuals. It is often used as an event venue with a capacity of around 250 seated around tables.
3. I have no concerns with the terms of the application or the proposed operating plan.
4. I must however highlight that the operating plan seeks hours that are quite unusual for a venue of this nature.
5. The commencement hour of 1800hrs daily, seems to be unduly restrictive to any daytime use that the premises may seek in the future.
6. The terminal hour of 0100hrs 7 nights per week, is also slightly later (Sunday to Thursday) than the hours normally permitted for this type of venue.
7. In relation to the hours sought I have no concerns, due to the nature and location of the venue; I do not expect that a permanent licence will have a major impact on the licensing objectives.
8. The premises have successfully operated for many years without complaint using regular occasional licences to authorise the sale of alcohol at many events.
9. There is nothing contained within the application or operating plan that would cause me to seek additional local conditions on the licence.

*Paul Fair* Licensing Standards Officer.

Hello Shaun,

We do not have any objection to the hall committee having a drinks licence. The only proviso I would make is the noise level, which I hope would not be offensive. We had to get police involved when previous hall people used to play music loudly interfering with tv viewing and sleeping time. We are in our mid seventies and understandable enjoy a bit peace and quiet especially in the evenings. Apart from that no objections.

Regards Mr John Graham.
