**Report to the Licensing Board**

---

**Date of Meeting: 5 November 2025**

---

**Subject: General Extension of Licensed Hours - Festive Period 2024 -25**

---

**Report by: Clerk to the Licensing Board**

---

**1.0 Purpose**

1.1 The purpose of this report is to enable the Licensing Board to consider its approach to the festive period 2024-5.

**2.0 Background**

2.1 For a number of years the Board has agreed a general permitted extension to licensing hours over the festive period. This approach has been well received by the licensed trade.

**3.0 Recommendation**

3.1 It is recommended that the Board:

3.1.1 Note that the Statement of Licencing Policy has incorporated the Festive Policy

3.1.2 Agree that any general extension incorporated into the Statement of Licensing Policy 2023 shall be in place during the periods from 14th to 16th December 2024 inclusive and from 20th December 2024 to 2nd January 2024 inclusive.

3.1.3 That the final general extension incorporated into the Statement of Licensing Policy shall end 2nd January 2024, as this is the last non working day of the festive period.

**4.0 Consideration**

4.1 For 7 years the Board has granted a General Extension of licensed hours for the Festive Period. This approach has now been incorporated into the Statement of Licensing Policy.

The Statement of Licensing Policy “Festive Policy” considers it appropriate to grant a general extension of one additional hour to the terminal hour on all On Sales premises, unless that would extend trading beyond 2 am. An additional special provision to allow a 2am terminal hour where Christmas Eve and New Years Eve fall on a day other than a Friday and Saturday. This has been the same approach taken by the Board in previous years. As indicated above, to date this policy has been well supported, by the Police and the trade in particular. The Statement does indicate that the dates that the festive policy will apply will continue to be set at this meeting in the cycle by the Board. Therefore, it has been considered appropriate at this point to make a recommendation on when any agreed festive policy would apply. This will give the trade the opportunity to begin to plan for the festive period.

- 4.2 The administration of extended hours applications can be time consuming for the licensing team, as the Licensing Standards Officer is required to submit a report on each application, even if there are no concerns regarding the extension in question. As a result of this requirement, applications for extended hours cannot be determined under delegated powers, and require Board Members to approve each application. The fee payable for this is £10 and does not cover the cost of processing the application. Separately, this imposes a regulatory burden on licensed premises.

#### **4.0 Sustainability Implications**

- 4.1. None

#### **5.0 Resource Implications**

##### *5.1. Financial Details*

- 5.2. As reported previously to the Board the potential reduction in the number of extended hours applications will result in continued reduced income. However the cost of processing an application far exceeds the statutory fee and the loss of income is offset by the overall benefits gained by the Board, Council and applicants as detailed in this report.

##### *5.3. Staffing*

The grant of a general extension would remove the requirement for licence holders to submit an extended hours application. This would reduce the administrative burden on the licensing service, and would not require the Board to determine applications subject to a LSO report at short notice and prior to the Festive Break.

#### **6.0 Equalities Impact**

- 6.1 Have you undertaken the required equalities impact assessment to ensure that no groups are adversely affected by the recommendations?

Yes  No

## 7.0 Legality

- 7.1 It has been confirmed that in adopting the recommendations contained in this report, the Council is acting within its legal powers. Yes

## 8.0 Appendices

- 8.1 None.

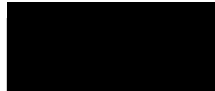

## 9.0 Background Papers

- 9.1 Consultation on the Statement of Licensing Policy .

The current premises licence holder is DISHANTH JOKARASA. Mr JOKARASA is also the Designated Premises Manager. Mr JOKARASA has held a personal licence since 15/12/2022 issued by Stirling Council under reference SC2450

## SUMMARY OF EVENTS

On Saturday 22nd July 2023 Mr Jokarasa was working alone within the Day Today Store at 107 Stirling Street in Alva, Clackmannanshire. Mr Jokarasa is the Designated Premises Manager. About 1730hrs on this date a 14 year female attended the store alone and selected four cans of "FOUR LOKO" which is an alcoholic beverage with an alcohol content of 8.5% ABV. On presenting the items to Mr Jokarasa at the sale point he has asked the child her age. The child has not responded to the question and Mr Jokarasa has processed the sale. Mr Jokarasa did not ask for identification during this transaction. Later on that evening the mother of the child found her in a state of intoxication. The child advised her mother where she had purchased the alcohol from. The mother of the child attended at the store and challenged Mr Jokarasa at which time he told her "IT'S HARD TO TELL WHEN THEY HAVE MAKE UP ON". The mother advised Mr Jokarasa that she would be contacting the police. In response to this Mr Jokarasa has stated "THERE'S NO POINT CALLING POLICE AS THERE'S NO CCTV WORKING". Police were then contacted by the mother of the child. Police attended and spoke with Mr Jokarasa on 28th July 2023. Mr Jokarasa stated to police "IT WAS A MISTAKE, I DIDN'T REALISE, SORRY". He was thereafter charged with the offence and reported to COPFS.

Mr Jokarasa was charged on Friday 28<sup>th</sup> July 2023. The text of the charge was as follows:

On 22/07/2023 at Day Today, 107 Stirling Street, Alava you DISHANTH JOKARASA being the premises licence holder did allow the sale of alcohol to **(child's name redacted)**, c/o Police Service of Scotland a child or young person under the age of eighteen years; Contrary to the Licensing (Scotland) Act 2005,

Section 103(1) and Section 141B. Mr JOKARASA elected to make NO REPLY to the charge.

On 29/05/2024, at Alloa Sheriff Court Mr JOKARASA was convicted of the above charge after trial. He was subsequently fined £900 with a victim surcharge of £40.

The Licensing Department at Forth Valley Police Division carried out subsequent checks in respect of Personal Licence Holders having been convicted of offences. During these checks the above conviction was noted. Enquiry was made with Stirling Council and it was established that Mr Jokarasa had failed to notify them about his conviction within the statutory period. Mr Jokorasa's failure to notify Stirling Council of his conviction is a contravention of Section 82(2)(a) of the Licensing (Scotland) Act 2005.

Notification of the above conviction was disclosed to Stirling Council by Police Service of Scotland on 28<sup>th</sup> August 2024. Stirling Licensing Board thereafter convened a special meeting on 10<sup>th</sup> September 2024. The decision was made at this meeting to suspend Mr Jokarasa's personal licence until 27<sup>th</sup> September 2024. On 27<sup>th</sup> September 2024 a further special meeting of the Stirling Licensing Board was convened to hear this case. Mr Jokarasa failed to attend this meeting and the Board took the decision to continue the suspension of the personal licence until their next scheduled meeting on 22<sup>nd</sup> October 2024.

Enquiry has been undertaken by the Licensing Department at Forth Valley Police Division and this has revealed further contraventions of the Licensing (Scotland) Act 2005 by Mr Jokorasa.

Fail to produce Premises Licence at court or notify them of its existence (at the first appearance) Section 41.

Fail to notify Clackmannanshire Licensing Board of conviction (Premises Licence Holder) within 1 month, Section 43

Fail to produce Personal Licence to court or notify them of its existence (at the first appearance) Section 80.

Fail to notify Clackmannanshire Licensing Board of Conviction within one month, Section 82(2)(b)

The above contraventions of the act are being reported to the Licensing Board in the first instance prior to consideration of a report to COPFS.

I request that the Licensing Board considers the aforementioned grounds for review and takes such steps as it considers necessary or appropriate for the purposes of the Licensing Objectives under the terms of Section 39(2) or 39(2A) of the Act.

Yours faithfully

12. Jokarasa stated on the application form submitted to Stirling Licensing Board that he was "ordinarily resident" at 107 Stirling Street, Alva.
13. This claim was untrue, as there are no residential facilities at that address and Jokarasa has since confirmed that he never lived at the shop.
14. The Licensing (Scotland) Act 2005, makes it clear that a person who is resident in a Scottish Licensing Board area, can only apply to that Licensing Board, for a personal licence. (Section 72)
15. Clackmannanshire Licensing Board have frequently rejected personal licence applications/enquiries from individuals who are resident in Scotland but outside the Clackmannanshire Licensing Board area and directed them to apply to the correct Licensing Board.
16. The Clerk to Stirling Licensing Board has declined the opportunity to explain why Stirling Licensing Board accepted the application from Jokarasa who purported to be a Clackmannanshire resident.
17. Stirling Licensing Board granted a personal licence (No SC/2540) to Jokarasa on 17 March, 2022.
18. I am of the opinion that as the application was not competent in the first place, by virtue of it being made to a wrong Licensing Board, and by virtue of it containing false information (that Jokarasa was resident at 107 Stirling Street, Alva, when he was not), it must follow that the licence granted can not be competent.
19. Section 72 of the Licensing (Scotland) Act, 2005 details the provisions for applying for a Personal Licence, and I have included the relevant legislation relating to the Personal Licence application process at appendix A.
20. On 25 March 2022 Jokarasa took over Alva 24, the licence was transferred to him, and he was named on the licence as premises manager.
21. On 1 September 2022, I carried out a compliance inspection at Alva 24, I was met on the premises by a female who was the only member of staff on the premises. She claimed to be in charge, and that she was authorised to make sales of alcohol.

22. This female was uncooperative, bordering on obstructive and initially refused to provide me her name She refused to produce any form of training record.
23. After some discussion during which explained the potential consequences of obstructing a Licensing Standards Officer, she agreed to provide her name and explained that her training record was in another shop that she worked in.
24. She claimed to be unsure if she was the holder of a personal licence.
25. I was never able to verify her status as a personal licence holder.
26. She confirmed that she was employed by Jokarasa.
27. The female in question confirmed that she had received no training specific to this shop. She was not able to produce the premises licence and had never seen or been shown the licence by Jokarasa.
28. She was unaware of the specific age verification policy that related to that premises as required by the mandatory conditions.
29. \*
30. The training record was never produced.
31. During the compliance inspection a number of alcoholic drinks were found to be offered for sale at below the minimum unit price (50p).
32. These products included strong ciders.
33. Guidance was provided to the staff member and Jokarasa in relation to these matters and no further action was taken.
34. For a variety of reasons the shop was not revisited in the following months as planned.
35. In July 2023, I became aware of the incident that is the principal subject of the premises licence review application submitted by Police Scotland on 17 September, 2024.
36. I made several attempts to contact Jokarasa in relation to this matter, however I abandoned efforts to speak to him when I was made aware that the incident was subject of an ongoing criminal investigation that was likely to end in a report to the Procurator Fiscal.
37. In November 2023, I became aware that Jokarasa was in the latter stages of acquiring another shop in Alva that held a premises licence
38. The shop is located at 131 Stirling Street, Alva.
39. I was aware of certain outstanding issues connected to the premises licence for this shop that had taken a considerable time to rectify.
40. On 20 November, 2023, I carried out a visit to this shop as part of the ongoing enquiry.
41. At this shop I encountered a 28 year old Sri Lankan male who was the only member of staff in the shop.

42. The male was able to confirm that he was either a friend of or related to Jokarasa.
43. During my visit I observed him serving customers, operating the till, and taking both card and cash payments. It was clear that he was working on the premises.
44. During conversation he produced to me a UK asylum seekers identity card that confirmed he was not entitled to work in the UK.
45. UK Border Force has confirmed that this means that the individual was not entitled to carry out any work whatsoever whilst his asylum application was considered and that would include voluntary work.
46. He confirmed that he was helping "Jokarasa".
47. The sale and transfer of the premises at 131 Stirling Street, Alva, was never completed in favour of Jokarasa.
48. On 29<sup>th</sup> May 2024, Jokarasa was convicted after trial of the offence detailed in the Police review, contrary to section 103(1) of the Licensing (Scotland) Act 2005.
49. He was fined a total £940.
50. The Clerk to the Sheriff Court in Alloa, has confirmed that Jokarasa did not comply with sections 41 and 80 of the Licensing (Scotland), 2005
51. Section 41 requires a premises licence holder to produce the licence at court or notify them of its existence (at their first appearance in court).
52. Section 80 requires a personal licence holder to produce the licence at court or notify them of its existence (at their first appearance in court).
53. Furthermore Jokarasa is required by sections 43 (in relation to the premises licence), and 82(2)(b) (in relation to the personal licence held), to notify Clackmannanshire Licensing Board of his conviction for a relevant offence within one month of the date of conviction.
54. He has failed to comply with this requirement.
55. The criminal offences identified by these failures have been reported to Police Scotland, and I understand that they are considering these matters pending the outcome of the Licensing board Hearing.
56. Police Scotland have referred to these offences in their premises licence review application
57. On 10 September, 2024, I learned that Jokarasa had appeared before Stirling Licensing Board that day and that they had taken a decision to suspend the Personal Licence he held.
58. On 12 September, 2024 Jokarasa submitted an application to vary the premises licence for Alva 24, by nominating a new premises manager (Marypuspa Dishanth – his wife) on the licence. The application was handed to the reception staff at Kilncraigs and later passed on to the licensing administrator.

59. Examination of the application revealed that it was incomplete in a material aspect and as such was considered to be incompetent. The application was rejected along with advice to resubmit when certain action was taken to render the application competent.
60. Jokarasa was reminded that a condition of his premises Licence No CC098, states :- Alcohol is not to be sold on the premises at any time when—
- (a) there is no premises manager in respect of the premises,
  - (b) the premises manager does not hold a personal licence,
  - (c) the personal licence held by the premises manager is suspended
61. The application was never resubmitted with the required information and Jokarasa continued to sell alcohol from the shop throughout the period of his suspension which was lifted by Stirling Licensing Board on 22 October, 2024.
62. I have made 2 other visits to the shop at 107 Stirling Street, Alva since the conviction came to light.
63. The first visit took place on 12 September, 2024, this visit revealed incomplete training records that appear to have been fraudulently created. The staff member working on the premises that day was an Indian national in the UK on a student visa.
64. He confirmed that he had received some training from a personal licence holder in relation to working in the shop, however the only licensing matters that he could recall related to challenge 25 procedures. Challenge 25, otherwise referred to as the Age verification Policy, is only a very small part of the 2 hour mandatory training process.
65. He was unsure when the training took place, however he indicated that it was when he first started working in the shop several months before the visit.
66. The staff member left in charge was unable recall being trained in relation to the licensing objectives, or any of the other matters on the list of mandatory items listed in the training regulations. This was despite the training record being dated only 2 days before on 10<sup>th</sup> September, 2024.
67. The staff member confirmed that he had not been supplied with any training materials, nor had the trainer used any booklets, or electronic materials to deliver the training.
68. Even the most experienced trainer would have difficulty in delivering effective training to alcohol sales staff without materials.
69. I suspect that having considered all of the information I had the required mandatory training never took place.
70. The apparently falsified training records were endorsed and signed by Marypuspa Dishanth, the wife of Jokarasa and the holder of a Clackmannanshire Licensing Board personal Licence.
71. The second visit took place on the afternoon of 17<sup>th</sup> October, 2024.

72. During this visit I could see that alcohol was still on open display and being offered for sale.
73. Jokarasa was the only member of staff present in the shop.
74. I highlighted to Jokarasa that he was in breach of his licence conditions, as his licence was suspended and pointed out the specific condition on the parts of the premises licence that he was able to produce.
75. Immediately after and whilst I was still present in the shop Jokarasa completed a sale of alcohol to a male customer.
76. This male customer was in my opinion aged between 19 and 23. Despite his young appearance, Jokarasa did not challenge the age of the individual nor did he ask him for proof of age.
77. Jokarasa had previously advised me in conversation that the “policy” in his shop was that all persons who appear to be under 25 years of age will be asked for identification and proof of age.
78. The final matter of concern is the matter of annual fees.
79. Annual fees for a premises licence are required to be paid by 1<sup>st</sup> October, each year, and in August each year the licensing Board sent out a reminder to each licence holder in their area.
80. In each year since Jokarasa took over the premises fee has remained unpaid for several weeks or months after the due date.
81. In 2022 there appears to be no record of the annual fee having ever been paid, in 2023, the annual fee was not paid until 8 November, 2023, and this year the fee remains unpaid at time of writing this report.
82. The licensing Board are asked to consider the information contained within this premises licence review application, and Section 84B notification, along with the separate review application lodged by Police Scotland. Having considered all the information, the Licensing Board must make a determination separately in relation to each of the 5 matters raised. Those matters are as follows-
  - a. Have grounds for review been established in relation to the premises licence CC098, by virtue of the review application made by Police Scotland?
  - b. Have grounds of review been established in relation to the premises licence CC098, by virtue of the review application made by myself?
  - c. Has conduct inconsistent with the licensing objectives been established in relation to the personal licence No SC/2540 by virtue of the section 84B report?

d. Is Dishanth Jokarasa a fit and proper person to continue to hold a premises licence?

e. Is Dishanth Jokarasa a fit and proper person to continue to hold a personal licence?

83. The Licensing Board may also wish to separately consider whether or not in terms of s84(2) of the 2005 act, the holder of any Personal Licence has acted in a manner which is inconsistent with the licensing objectives, whilst working at or in connection with the licensed premises. In particular the Board may wish to consider the conduct of Marypuspa Dishanth, the individual who is named on and whom signed the apparently falsified training record identified during the LSO visit of 12 September, 2024. If the Board make such a finding in relation to Marypuspa Dishanth, they will be required to consider the matter separately at a later hearing of the licensing Board.

84. In the event that the Board do find that grounds for review exist, that they are invited to consider the full range of options available to them, including revocation of the licence, suspension of the licence, variation of the licence, and to take no further action.

85. If the Board do find that Dishanth Jokarasa is not a fit a proper person to hold a personal or premises licence then the licensing must be revoked with immediate effect.

Licensing Standards Officer.

(3) Nothing in sub-paragraph (1) or paragraph 5 is to be read as requiring the premises manager to be present on the premises at the time any sale of alcohol is made.

### Authorisation of sales of alcohol

- where-
- MPU is the minimum price per unit,  
S is the strength of the alcohol, and  
V is the volume of the alcohol in litres.
- (4) The Scottish Ministers are to specify by order the minimum price per unit for the purposes of sub-paragraph (3)

- 6B (1) A package containing two or more alcoholic products (whether of the same or different kinds) may only be sold on the premises at a price equal to or greater than the sum of the prices at which each alcoholic product is for sale on the premises.
- (2) Sub-paragraph (1) applies-
- (a) only where each of the alcoholic products is for sale on the premises separately, and
  - (b) regardless of whether or not the package also contains any item which is not an alcoholic product.
- (3) In this paragraph, "alcoholic product" means a product containing alcohol and includes the container in which alcohol is for sale.

## **Pricing of alcohol**

7. Where the price at which any alcohol sold on the premises for consumption on the premises is varied—
- (a) the variation (referred to in this paragraph as “the earlier price variation”) may be brought into effect only at the beginning of a period of licensed hours, and

## **Irresponsible drinks promotions**

- 8 (1) An irresponsible drinks promotion must not be carried on in or in connection with the premises.
- (2) Subject to sub-paragraph (3), a drinks promotion is irresponsible if it—
- (a) relates specifically to an alcoholic drink likely to appeal largely to persons under the age of 18,
  - (b) involves the supply of an alcoholic drink free of charge or at a reduced price on the purchase of one or more drinks (whether or not alcoholic drinks),
  - (c) involves the supply free of charge or at a reduced price of one or more extra measures of an alcoholic drink on the purchase of one or more measures of the drink,
  - (d) involves the supply of unlimited amounts of alcohol for a fixed charge (including any charge for entry to the premises),

  - (f) is based on the strength of any alcohol,
  - (g) rewards or encourages, or seeks to reward or encourage, drinking alcohol quickly, or

- (3) Paragraphs (c) to (e) of sub-paragraph (2) apply only to a drinks promotion carried on in relation to alcohol sold for consumption on the premises.

- (4) The Scottish Ministers may by regulations modify sub-paragraph (2) or (3) so as to—
- (a) add further descriptions of drinks promotions,
  - (b) modify any of the descriptions of drinks promotions for the time being listed in it, or
  - (c) extend or restrict the application of any of those descriptions of drinks promotions.

#### **Age verification policy**

- 9(A) (1) There must be an age verification policy in relation to the sale of alcohol on the premises.
- (2) An “age verification policy” is a policy that steps are to be taken to establish the age of a person attempting to buy alcohol on the premises (“the customer”) if it appears to the person selling the alcohol that the customer may be less than 25 years of age (or such older age as may be specified in the policy).
- (3) The condition specified in this paragraph does not apply in relation to any sale of alcohol which takes place on the premises merely by virtue of being treated, by section 139, as taking place on the premises.

#### **Payment of annual or recurring fees**

- 10 (1) The condition specified in sub-paragraph (2) applies only in relation to a premises licence in respect of which an annual or other recurring fee is to be paid by virtue of regulations under section 136(1).

### **Baby changing facilities**

- 12 (1) The condition specified in this paragraph applies only in the case of premises—
- (a) which are not—
    - (i) a vehicle;
    - (ii) a vessel;

    - (iv) used wholly or mainly for the purposes referred to in section 125(1);
  - (b) on which alcohol is sold for consumption on the premises; and
  - (c) to which children under the age of 5 are to be admitted.
- (2) There are to be on the premises facilities for baby changing which are to be accessible to persons of either gender.

### **Display or promotion of the sale of alcohol for consumption off the premises**

- 13 (1) Subject to sub-paragraph (3), alcohol which is for sale only for consumption off the premises may be displayed only in one or both of the following—
- (a) a single area of the premises agreed between the Licensing Board and the holder of the licence; or
  - (b) a single area of the premises which is inaccessible to the public.
- (1A) Sub-paragraphs (1B) to (1D) apply where the premises, in so far as they are used for the sale of alcohol, are so used only or primarily for the sale of alcohol for consumption off the premises.
- (1B) Any drinks promotion on the premises may take place only in any one or more of the following -
- (a) an area referred to in sub-paragraph (1)(a) and (b),
  - (b) a room on the premises which is used for offering the tasting of any alcohol sold on the premises (for consumption off the premises) and the resulting tasting and is separate from those areas.
- (1C) A drinks promotion in connection with the premises may not take place in the vicinity of the premises.
- (1D) For the purposes of sub-paragraph (1C), the "vicinity" means the area extending 200 metres from the boundary of the premises (as shown on the layout plan).
- (2) In an area agreed in terms of sub-paragraph (1)(a), a product other than alcohol may be displayed only if it is—
- (a) a non-alcoholic drink;
  - (b) packaged with, and may be purchased only along with, alcohol;
  - (c) a branded non-alcoholic product, or
  - (d) a newspaper, magazine or other publication.
- (2A) Sub-paragraph (2) is without prejudice to sub-paragraph (1B)

- (3) This paragraph does not apply in respect of premises -
- (a) whose main function is to provide a visitor attraction, and
  - (b) where -
    - (i) the premises form part of a larger site which is used principally for the production of alcoholic drinks, or
    - (ii) the visitor attraction is used principally to provide information about and promote the history and attributes of a particular alcoholic drink or a particular category of alcoholic drink.

- (4) In this paragraph -

"branded non-alcoholic product" means a product which does not consist of or contain alcohol and which -

- (a) bears a name or image of, or
