The minutes of the meeting of the Clackmannanshire Licensing Board held on Tuesday 14 January 2025 were submitted for approval.

4.0 LICENSING (SCOTLAND) ACT 2005 – APPLICATIONS FOR VARIATION OF LICENCE

(i) Application for Variation of Licence – Auld Brigg Filling Station

Premises: Auld Brigg Filling Station, Auld Brigg Road, Alloa FK9 5QB
Applicant: Penny Petroleum, Old Station House, Powburn, Alnwick,
Northumberland, NE66 4HU

Attending

Mr Paul Fair, Licensing Standards Officer (LSO)
Caroline Loudon, Agent for the Applicant

The Board heard representation from the Licensing Standards Officer. There were no objections received from Police Scotland.

The Licensing Standards Officer (LSO) advised the Board that there was a slight error made on reporting on this application and missed the two words "home deliveries". This would normally attract a representation from the LSO which wasn't made in this instance. The LSO apologised regarding this and had no objections to the matter and the only thing the LSO would have asked for was a set of Standard Local Conditions that are applied for home deliveries to this application. The only issue he had was the agent representing the application has had no opportunity to examine the conditions and given the opportunity to object at this time.

The Board also heard from the agent for the application. She advised that she did not know anything about this and asked for advice from the Clerk.

The Clerk advised that there would be an adjournment for 10 minutes (9.45am) to consider the next steps.

The Board resumed at 9.52am. The Clerk asked for another adjournment at 9.53am. The Board resumed at 10.07am with 5 members present.

The Clerk advised that the Board would not be hearing from the Licensing Standards Officer in relation to this in terms of any objections or confirmations that he may have in relation to this application. The Clerk advised that in terms of the statement of licensing policy, that is a public document, and the expectation will be that the Board can apply the conditions in relation to that policy to this application.

Motion

Having considered all of the information presented to it and having had opportunity for questions, that the Board grants the application for the Variation for Licence subject to applying the Standard Local Conditions for home deliveries.

Moved by Councillor Fiona Law. Seconded by Councillor Donald Balsillie.

Decision

Having considered all the information presented to it and having had opportunity for questions, the Board agreed unanimously to grant the application for the Variation of Licence subject to applying the Standard Local Conditions for home deliveries, namely:

Local Conditions Home Delivery Of Alcohol

1. A written Age Verification Policy (AVP) must be kept and applied to all sales of alcohol for delivery to any place off the premises. This AVP must set out the steps that are to be taken to establish the age of a person attempting to take delivery of alcohol ("the customer") if it appears to the person making delivery of the alcohol that the customer appears to be less than 25 years of age (or such older age as may be specified in the policy).
2. Information must be provided to customers whether online or in store that Alcohol will only be left at the delivery address with a person who can prove that they are over 18 years of age.
3. Premises Licence holders and Premises Managers must ensure that all persons involved in the delivery of alcohol from the premises have received appropriate training in the content and application of the Age Verification Policy to be applied to all deliveries.
4. A record of all persons trained in relation to the Age Verification Policy will be kept on the premises and made available to the Licensing Standards Officer and any Constable of Police Scotland.
5. A copy of the training record referred to in No 4 above should be supplied to delivery agent on completion of the training.

6. Licence holders and Premises Managers will ensure that all persons involved in the delivery of alcohol from the premises have received appropriate training to ensure that deliveries of alcohol are not made to persons who are or appear to be drunk.
7. Licence holders using Royal Mail, a private postal service, a courier service or independent delivery drivers will ensure that an age verified signed for delivery option is utilised that requires any package containing alcohol to be left with an adult over 18 at the specified delivery address and at no other place.
8. The premises licence holder will ensure that records of all alcohol deliveries are retained on the premises and that those records contain the following information, the forename and surname of the purchaser, the delivery address, the quantity and type of alcohol delivered and the purchase price.
9. All records, electronic or written made in relation to the delivery of alcohol will be kept on the premises for at least 12 months and will be made available on demand to a Licensing Standards Officer for the area where the premises are located or to a Constable of Police Scotland.

Subject: **Licensing (Scotland) Act, 2005. Section 29
Non Minor Variation – Addition of Home Delivery of Alcohol
Haider Mini Market
2 Lochies Road, Clackmannan.**

1. Having considered the content of the application to vary the premises licence, I have the following comments to make, these comments should be treated as a representation in the terms of section 22 of the Licensing (Scotland) Act, 2005.
2. The application to be determined is an application for a non minor variation.
3. The variation seeks to add home delivery of groceries, including alcohol to the operating plan.
4. I have no concerns about the home delivery of alcohol, and the Boards views on the matter are recorded in their own Statement of Licensing Policy.
5. The proposed operating plan is amended to show at Question 5(f) indicated that the premises would offer home delivery of food and alcohol.
6. The Clackmannanshire Licensing Board Statement of Licensing Policy 2023-2028 (the Policy) confirms at page 19 that the Board will require all premises seeking to make home deliveries of alcohol to have this specified on their operating plan.
7. The Policy goes on to indicate that home delivery of alcohol should be robustly managed and is likely to attract additional local conditions where the Licensing Board think it is necessary and expedient for the purposes of the licensing objectives.
8. In this case, I would suggest that to support compliance with the licensing objectives contained within the Licensing (Scotland) Act, 2005, that if the Board decide to grant the licence they should apply additional local conditions of the type suggested in the Policy.
9. At **Appendix A** I have drafted proposed conditions for the benefit of the Licensing Board that I believe will adequately address the common concerns that surround the home delivery of alcohol.

10. I would suggest that these proposed conditions are necessary and expedient for the purposes of the licensing objectives.
11. Those concerns are deliveries being made to under age persons, or to persons who are drunk or at serious risk of harm from drinking alcohol, and deliveries being made by untrained individuals, or by couriers that do not have robust age verification measures in place.
12. I have no further concerns about the application.

Licensing Standards Officer.

Appendix A

Draft Local |Conditions Home Delivery Of Alcohol

These conditions may only be applied by the licensing Board once they confirm that it is necessary and expedient or the purposes of the licensing objectives.

1. A written Age Verification Policy (AVP) must be kept and applied to all sales of alcohol for delivery to any place off the premises. This AVP must set out the steps that are to be taken to establish the age of a person attempting to take delivery of alcohol ("the customer") if it appears to the person making delivery of the alcohol that the customer appears to be less than 25 years of age (or such older age as may be specified in the policy).
2. Information must be provided to customers whether online or in store that Alcohol will only be left at the delivery address with a person who can prove that they are over 18 years of age.
3. Premises Licence holders and Premises Managers must ensure that all persons involved in the delivery of alcohol from the premises have received appropriate training in the content and application of the Age Verification Policy to be applied to all deliveries.
4. A record of all persons trained in relation to the Age Verification Policy will be kept on the premises and made available to the Licensing Standards Officer and any Constable of Police Scotland.
5. A copy of the training record referred to in No 4 above should be supplied to delivery agent on completion of the training
6. Licence holders and Premises Managers will ensure that all persons involved in the delivery of alcohol from the premises have received appropriate training to ensure that deliveries of alcohol are not made to persons who are or appear to be drunk.
7. Licence holders using Royal Mail, a private postal service, a courier service or independent delivery drivers will ensure that an age verified signed for delivery option is utilised that requires any package containing alcohol to be left with an adult over 18 at the specified delivery address and at no other place.
8. The premises licence holder will ensure that records of all alcohol deliveries are retained on the premises and that those record contain the following information, the forename and surname of the purchaser, the delivery address, the quantity and type of alcohol delivered and the purchase price.
9. All records, electronic or written made in relation to the delivery of alcohol will be kept on the premises for at least 12 months and will be made available on demand to a Licensing Standards Officer for the area where the premises are located or to a Constable of Police Scotland.
