Inspection of Services

Registered services owned by the Partnership are inspected annually by the Care Inspectorate.

There were no registered service inspections during April to September 2024/2025. Additional information and full details on any inspections can be found at the [Care Inspectorate](#) website. Since 1 April 2018, the new [Health and Social Care Standards](#) have been used across Scotland. In response to these new standards, the Care Inspectorate introduced a [new framework for inspections](#) of care homes for older people. Where we have areas for improvement we are required to publish our action plans.
