

## **WALKING BUS - CHILDREN'S CONTRACT**

We are pleased you have decided you would like to take part in the Walking Bus. However, so we can give you permission to take part without your parents you must read, understand and agree to the following:

**Most importantly you must agree to follow all the instructions from the volunteer leaders.**

1. You must wear the high visibility waistcoat or sash provided.
2. You must walk sensibly and not cause a danger to yourself or others. The volunteer leaders and your parents will help you with this.
3. Any dangerous or inconsiderate behaviour will mean that permission to take part in the Walking Bus is withdrawn.
4. If you have a regular booking you must take part in the Walking Bus regularly, or your place may be given to another student who wishes to take part.
5. You must wear clothes and shoes suitable for walking to school in.

It is very important that you understand the rules outlined above and follow them. Not sticking to these rules will mean you have broken your side of the contract and you may not be allowed to take part in the Walking Bus in future.

If you understand and agree to these guidelines, please sign this form and give it back to the school. This will show you are willing to be part of the contract.
